There are two ways to read the Dragon Kin series. One is in the order they were written by me, and

one is based on the chronology of the series. I, personally, prefer the order in which the books were written because I tease or hint about the romances of the older dragons during the full-length novels.

Can't Get Enough is a charming tale detailing the meeting, lives, conflicts and, ultimately, love of Ailean and Shalin, the dragon parents of beloved Bercelak, who is the father of the rollicking dragons of the Dragon Kin series. Since I fell in love with the crazy, battling, fiercely loving Cadwaladr dragon clan while reading the series books from 1 to the end, I'm obviously a big fan of author G.A. Aiken.
