There's nothing like a bit of competition to up your revision game. For this activity, you'll need a minimum of three players and access to GCSE chemistry practice questions. The first thing you need to do is assign a quizmaster to choose the questions and act as the invigilator.

GCSE Chemistry Games to Help with Your Revision

Because Chemistry is a logical study of science, learning all about it is not as easy as A, B, C or 1, 2, 3. Nearly all chemistry classes in college require students to know basic math. For instance, if you need to find a reaction's equilibrium constant, you'll need knowledge of basic algebra to compute exponential numbers or to divide ...
