Guided meditation for students - YouTube

In the context of guided reading, it can be helpful for students to work together to form the questions to ask their teacher. Rather than directly answering the questions for the group, however, teachers would do well to encourage the students to work towards finding the answers for themselves, as this not only helps knowledge retention, but improves their reading independence.

...

To that end, we think that colleges might benefit from a centering (or re-centering) of their guided pathways work on improving the student experience as they move into and through the college. To ensure that guided pathways efforts are student-centered, NCII and its partners offer a set of student experience research questions. The intent is to focus colleges on quantitative and qualitative measures that would demonstrate the impact of guided pathways design work on the student

experience.

Guided Pathways Resource Series - NCII

"The critical stage in the model [Gradual Release of Responsibility] is 'guided practice,' the stage in which the teacher gradually releases task responsibility to the students." (Pearson & Gallagher, 1983). Guided Practice is the transition phase, where children take more control of their learning and the teacher slowly steps back.

Guided Practice | Reading Recovery

In working with students in guided reading, you constantly balance the difficulty of the text with support for students reading the text. You introduce

the story to the group, support individuals through brief interactions while they read, and guide them in talking together afterward about the words and ideas in the text.
