The war and the changing face of British society : The First World War had a profound impact upon British society. It swept away much of the old Victorian and Edwardian order and established many of the features that we associate with 'modern' 20th-century Britain.

The war and the changing face of British society

In an ever-changing world, our resistance towards change seems to be the only thing that is settled. And, never in history has this been clearer. After falling victim to a pandemic that forces us to stay home, our backs are put against the wall and we have no option but to stare at the face of reality. It stares back at us, and it's not pretty.
