Outside Mullingar

Dramatists Play Service Inc

Anthony and Rosemary are two introverted misfits straddling 40. Anthony has spent his entire life on a cattle farm in rural Ireland, a state of affairs that—due to his painful shyness—suits him well. Rosemary lives right next door, determined to have him, watching the years slip away. With Anthony’s father threatening to disinherit him and a land feud simmering between their families, Rosemary has every reason to fear romantic catastrophe. But then, in this very Irish story with a surprising depth of poetic passion, these yearning, eccentric souls fight their way towards solid ground and some kind of happiness. Their journey is heartbreaking, funny as hell, and ultimately deeply moving. OUTSIDE MULLINGAR is a compassionate, delightful work about how it’s never too late to take a chance on love.

Storefront Church *Theatre Communications Group*
“Some of Shanley’s sharpest comic writing in years... His intense engagement with questions of religion and ethics remains distinctive and invigorating.” — Charles Isherwood, New York Times “There’s a deeper philosophical vein that the author mines, allowing his language to acquire the heft and timbre of a serious moral debate...We taste bitterness, but also much that is sweet.” — David Cote, TimeOut New York “A postmodern morality play that’s as funny as it is bracing.” — Karen D’Souza, San Jose Mercury News Concluding the “Church and State” trilogy of plays that began with Doubt and Defiance, Storefront Church tells the story of a Bronx Borough President who is forced by the mortgage crisis into a confrontation with a local minister. Blending earthy humor and philosophical reflection, this compassionate morality tale is an exploration of the often thorny relationship between spiritual experience and social action. John Patrick Shanley is the author of Doubt: A Parable (Pulitzer Prize for Drama, Tony Award for Best Play), Outside Mullingar (Tony nomination for Best Play), Defiance, Danny and the Deep Blue Sea and Dirty Story, among many other plays. He wrote the teleplay for Live from Baghdad (Emmy nomination for Outstanding Writing of a Miniseries, Movie or Dramatic Special) and the screenplays for Congo, Alive, Five Corners, Joe Versus the Volcano, Doubt (Academy Award nomination for Best Adapted Screenplay) and Moonstruck (Academy Award for Best Original Screenplay).

Prodigal Son (TCG Edition) *Theatre Communications Group*
'What I admire most is that his plays are beautifully well made, economical, sharp and coherent. He's not a misanthrope, but he's in pursuit of why people behave as badly as they do along with having a great compassion for them. That's an unusual and interesting combination.'—Tony Kushner, on John Patrick Shanley When a troubled but gifted boy from the South Bronx finds himself shipped off to a private school in New Hampshire, the adjustment to the alien environment will lead to his ultimate dissolution or redemption. Teachers in the affluent institution do not know what to make of the new boisterous student, though the challenge really lies in his self-perception. Like his most celebrated play, Doubt, the author has based this new work on his own personal experiences of growing up as a teenager in the South Bronx and his time spent at a prep school in New England. Shanley has created an elemental study of a young's man search for his place in the world. John Patrick Shanley's plays include Outside Mullingar, Danny and the Deep Blue Sea, Savage in Limbo, and Dirty Story, along with his "Church and State" trilogy, Doubt, Defiance, and Storefront Church. For his play Doubt, he received both the Tony Award for Best Play and the Pulitzer Prize for Drama. He has nine films to his credit, including the five-time Oscar-nominated Doubt, and Moonstruck, which received the Academy Award for Best Original Screenplay. The Writers Guild of America awarded Shanley the 2009 Lifetime Achievement Award in Writing.

Love and how to Cure it

A Play in One Act

Quotes to Live by *Independently Published*
QUOTES TO LIVE BY, comes in two parts. Acting and Life. You would think that Life would come before Acting, but no. It is from being an Actor and Teaching Acting that I learned about life. It is by Writing, I really got to take a look deep inside myself. It was from the plays that I was drawn too and

Acted in, like, DANNY AND THE DEEP BLUE SEA & THE DREAMER EXAMINES HIS PILLOW, both by John Patrick Shanley and many other plays, that I learned about myself. So Acting will be the first part and Life will be the second part. It is not to appear as if only Actors will be able to relate to the first part. Anyone who is passionate about what they do, can relate as I've related to the words of Vincent Van Gogh in his letters to his brother Theo. Another book that spoke to me was, ILLUSIONS by Richard Back. The quotes from the Messiah's Handbook, were easy, powerful tools that resinated within me.So, as others words have been food for my Soul, I hope that my words in this book do that for you and inspire you to write your own book of quotes. My wish is that this book inspires you to begin writing a morning letter to yourself. It is my wish that this book will give you some tools to get through some of life's confusing parts.

She is friendless—an outcast—because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night: She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's Speak: The Graphic Novel comes alive for new audiences and fans of the classic novel. This title has Common Core connections.

From Song to Book

The Poetics of Writing in Old French Lyric and Lyrical Narrative Poetry Cornell University Press

As the visual representation of an essentially oral text, Sylvia Huot points out, the medieval illuminated manuscript has a theatrical, performative quality. She perceives the tension between implied oral performance and real visual artifact as a fundamental aspect of thirteenth- and fourteenth-century poetics. In this generously illustrated volume, Huot examines manuscript texts both from the performance-oriented lyric tradition of chanson courtoise, or courtly love lyric, and from the self-consciously literary tradition of Old French narrative poetry. She demonstrates that the evolution of the lyrical romance and dit, narrative poems which incorporate thematic and rhetorical elements of the lyric, was responsible for a progressive redefinition of lyric poetry as a written medium and the emergence of an explicitly written literary tradition uniting lyric and narrative poetics. Huot first investigates the nature of the vernacular book in the thirteenth and fourteenth centuries, analyzing organization, page layout, rubrication, and illumination in a series of manuscripts. She then describes the relationship between poetics and manuscript format in specific texts, including works by widely read medieval authors such as Guillaume de Lorris, Jean de Meun, and Guillaume de Machaut, as well as by lesser-known writers including Nicole de Margival and Watriquet de Couvin. Huot focuses on the writers' characteristic modifications of lyric poetics; their use of writing and performance as theme; their treatment of the poet as singer or writer; and of the lady as implied reader or listener; and the ways in which these features of the text were elaborated by scribes and illuminators. Her readings reveal how medieval poets and book-makers conceived their common project, and how they distinguished their respective roles.

The Methuen Drama Guide to Contemporary American Playwrights A&C Black

Unrivalled in its coverage of recent work and writers, The Methuen Drama Guide to Contemporary American Playwrights surveys and analyses the breadth, vitality and development of theatrical work to emerge from America over the last fifty years. This authoritative guide leads you through the work of 25 major contemporary American playwrights, discussing more than 140 plays in detail. Written by a team of 25 eminent international scholars, each chapter provides: · a biographical introduction to the playwright's work; · a survey and concise analysis of the writer's most important plays; · a discussion of their style, dramaturgical concerns and critical reception; · a bibliography of published plays and a select list of critical works. Among the many Tony, Obie and Pulitzer prize-winning playwrights included are Sam Shepard, Tony Kushner, Suzan-Lori Parks, August Wilson, Paula Vogel and Neil LaBute. The abundance of work analysed enables fresh, illuminating conclusions to be drawn about the development of contemporary American playwriting.

The Book of Strange New Things

A Novel Hogarth

A monumental, genre-defying novel that David Mitchell calls "Michel Faber’s second masterpiece," The Book of Strange New Things is a masterwork from a writer in full command of his many talents. It begins with Peter, a devoted man of faith, as he is called to the mission of a lifetime, one that takes him galaxies away from his wife, Bea. Peter becomes immersed in the mysteries of an astonishing new environment, overseen by an enigmatic corporation known only as USIC. His work introduces him to a seemingly friendly native population struggling with a dangerous illness and hungry for Peter’s teachings—his Bible is their “book of strange new things.” But Peter is rattled when Bea’s letters from home become increasingly desperate: typhoons and earthquakes are devastating whole countries, and governments are crumbling. Bea’s faith, once the guiding light of their lives, begins to falter. Suddenly, a separation measured by an otherworldly distance, and defined both by one newly discovered world and another in a state of collapse, is threatened by an ever-widening gulf that is much less quantifiable. While Peter is reconciling the needs of his congregation with the desires of his strange employer, Bea is struggling for survival. Their trials lay bare a profound meditation on faith, love tested beyond endurance, and our responsibility to those closest to us. Marked by the same bravura storytelling and precise language that made The Crimson Petal and the White such an international success, The Book of Strange New Things is extraordinary, mesmerizing, and replete with emotional complexity and genuine pathos.

Hallucinations Vintage

“Illuminate[s] the complexities of the human brain and the mysteries of the human mind.” —The New York Times To many people, hallucinations imply madness, but in fact they are a common part of the human experience. These sensory distortions range from the shimmering zigzags of a visual migraine to powerful visions brought on by fever, injuries, drugs, sensory deprivation, exhaustion, or even grief. Hallucinations doubtless lie behind many mythological traditions, literary inventions, and religious epiphanies. Drawing on his own experiences, a wealth of clinical cases from among his patients, and famous historical examples ranging from Dostoevsky to Lewis Carroll, the legendary neurologist Oliver Sacks investigates the mystery of these sensory deceptions: what they say about the working of our brains, how they have influenced our folklore and culture, and why the potential for hallucination is present in us all.

The City and the Pillar Little Brown

Jim Willard, former high-school athlete and clean-cut boy-next-door-, is haunted by the memory of a romanctic adolescent encounter with his friend Bob Ford. As Jim pursues his first love, in awe of the very same masculinity he possesses himself, his progresss through the secret gay world of 1940's America unveils surreptitious Hollywood affairs, the hidden life of the military in the Second World War and the underworld bar culture of New York City. With the publication of his daring thrid novel The City and the Pillar in 1948, Gore Vidal shocked the American public, which has just begun to hail him as their newest and brightest young writer. It remains not only an authentic and profoundly importatnt social document but also a serious exploration of the nature of idealistic love.

Debt

The First 5,000 Years Melville House Publishing

Economic history states that money replaced a bartering system, yet there isn't any evidence to support this axiom. Anthropologist Graeber presents

a stunning reversal of this conventional wisdom. For more than 5000 years, humans have used elaborate credit systems to buy and sell goods. Since the beginning of the agrarian empires, humans have been divided into debtors and creditors. Through time, virtual credit money was replaced by gold and the system as a whole went into decline. This fascinating history is told for the first time.

Essential Papers on Dreams *NYU Press*

This book provides a comprehensive exposition and appraisal of Marx's political economy, beginning with the philosophical and sociological foundations of his work and indication how his economic theory emerged from a critique of classical political economy. The authors proceed to

examine in detail the theory of exploitation, capitalist development and imperialism, and pay special attention to the analysis of Marx by later social and economic theorists, including an assessment of the modern relevance of his work. The authors' position is one of critical sympathy. They share Marx's hostility to capitalism and his view of economics as a historical social science but, at the same time, they see his work as susceptible to error and in need of refinement. Serious flaws as well as important insights are revealed; nevertheless, it is argued that Marc's overall perspective provides a rational alternative to orthodox economic analysis. No prior knowledge of Marxism or of advanced economic theory is assumed, the book proceeds logically from first principles and mathematical analysis has been kept to a minimum. The Political Economy of Marx will be a valuable book for anyone concerned with understanding Marxism as a political force, particularly students, teachers and researchers in political economy. the history of economic thought, political theory and sociology.
