Blue Planet Project

An Inquiry Into Alien Life Forms

This is the mysterious manuscript authored by a U.S. Government insider. It describes, in amazing detail, the inter relationship between the U.S. Government and several extraterrestrials societies with whom we have working agreements. I've been told this information was once classified as "Above Top Secret" and that this information was never intended to be released to the public! The Blue Planet Project Book contains all the amazing notes and drawings made by the scientist. The scientist visited various UFO crash sites, and the notes and drawings were allegedly made from those visits. It is believed that this anonymous scientist (more info revealed in book) was contracted by the government over several years to visit all crash sites, interrogate captured Alien Life Forms and analyze all data gathered from that endeavor. This book compiled from what is believed to be the original and complete information. In keeping with the format of the original information that was in a binder

format, this book has been published in a full size 8.5 x 11 page size and bound in a comb binding format. This makes it easier to lay flat and open pages fully for easier reading and studying. Stuff They Don't Want You to Know *Flatiron Books*

Hosts of the podcast *Stuff They Don't Want You to Know*, Ben Bowlin, Matthew Frederick, & Noel Brown discern conspiracy fact from fiction regarding "stuff" the government doesn't want you to know. Conspiracies didn't always seem so clear and present. It used to be that people with tin-foil hats who were convinced of secret messages coming through the radio were easily disregarded as kooks and looney tunes. But these days, conspiracies feel alive and well. From internet rumors to lying politicians to the tinderbox that is social media, it's become remarkably clear that a vast swath of people believe really bonkers things. Why is that? How did these theories proliferate? Is there a kernel of truth to it or are they fully fiction? Ben Bowlin, Matt Frederick, and Noel Brown are the hosts of the popular iHeart podcast that seeks to answer these questions. With cool heads and extensive research, they regularly break down the wildest conspiracy theories: from chemtrails and biological testing to the secrets of lobbying and why the Kennedy assassination is of perennial interest. Written in smart, witty, and conversational style, and with amazing illustrations, *Stuff They Don't Want You to Know* is a vital book in helping to understand the unexplainable and use truth as a powerful weapon against ignorance, misinformation, and lies.

The Big Black Book

Beginning with the infamous 1943 Philadelphia Experiment in radar invisibility, the path leads to modern-day scraps of evidence left at a desolate Air Force Station at the eastern tip of Long Island -- scraps of mind-control experiments and other questionable activities that were undertaken even after the base had officially ceased to function. Connections emerge that weave an incredible tapestry ending with the author's personal involvement in a way which could never have been imagined.

Mysteries and Secrets of Numerology *Dundurn*

Do the secrets of life lie hidden in numbers? Mysteries and Secrets of Numerology investigates the ancient and widespread belief that numbers have unexplained powers to influence our lives, everything we do, and everything around us, so that, as the brilliant scientist and philosopher Sir James Hopwood Jeans wrote, "The Great Architect of the Universe now begins to appear as a pure mathematician." Numerology extends throughout the history of the world - from Pythagoras to the mysteries of ancient Babylonia and India, from Norse runes to Egyptian hieroglyphs and ancient Hebrew Gematria. Names, places, and dates all seem to have mysterious numerological significance. Some are positive and supportive; others appear to be negative and act as warnings. Where does the truth lie? In the face of so much global and historical evidence, and in the light of the power of numbers in nature, science, and technology, the secrets and mysteries of numerology are well worth investigating.

Project Superman - Mind Control and the Montauk Projects

A Victim of the Illuminati's Super-Race Projects & Montauk Experiments Speaks Out *Independently Published*

Memories are a strange thing, there are tangible memories that can be proven factually, there are suppressed memories which are clouded recollections of actual events, memories that are a mixture of real and unreal events, memories based on imagination and possibly most frightening of all, memories that have been intentionally "programmed" within the mind of a person, which might consist of anything between actual real life experiences to entirely "designer" memories that may have been inserted to "cover up" experiences that are far more stranger than fiction. Just where in the spectrum the experiences of Andy Pero may fit, I do not know exactly, although many of the places and people he describes DO exist as evidenced by the links that I've added... so at least a good number of his memories are apparently accurate... but the question is, are his reported experiences with the alien time/space projects as carried out in the Montauk bases also based on fact, and if so to what degree? Others have made similar claims about Montauk {although these fantastic experiences do not appear until the last few sections of Andy's story} as can be seen by doing a SEARCH of the Internet for other writings on the Montauk Project.

Secrets of the Dulce Base Alien Underground

Blue Planet Project Book #2

Warning! This is not science fiction, this is so much worse! Of all the strangeness going on here on Planet Earth, Dulce Base has always struck me as one of the most interesting. Maybe because it has such a morbid darkness to it and the strangeness of the residents of the town of Dulce, as well as what I perceive to be a very powerful response to any mention or speculation about Dulce. So for your own good, I would strongly advise against going to this area and snooping around or asking questions. You

don't need to, I've done it for you in this book! You will soon discover that "Secrets of the Dulce Base Alien Underground" is not only the most complete book on Dulce Base, but is stuffed full of the latest secrets! Secrets that may shock you, facts you never knew existed, amazing feats of construction, research and secrecy you never realized that the U.S. Government was capable of. And the aliens: This book will bring home to you what is really happening with aliens on the surface of our planet and especially under the surface! You have probably never realized how extensive this situation really is so you will be amazed that so much information exists today. From photos and drawings that have been smuggled out of Dulce Base, to eyewitness reports and even testimony from Remote Viewers! Are these aliens friendly? Are you at risk? Do you know how to protect yourself in the future? The revelations in this book are so revealing of the problems that exist today because of the Dulce Base and the massiveness of the government cover-up, that I wouldn't be surprised to see sales and distribution of this book somehow blocked in the near future! The extensive research done by myself and others points to the possibility that some of those brave souls who risked everything to reveal what was really happening at Dulce Base and many similar sites may have lost their freedom and even their lives! So please don't take this book lightly!

The US Navy's Secret Space Program and Nordic Extraterrestrial Alliance *Exopolitics Consultants*

The Los Angeles Air Raid on February 24/25, 1942 opened an unprecedented chapter in the evolution of the U.S. Navy. In response to this incident, a covert research program to investigate the feasibility of exotic antigravity propulsion technologies was developed. In addition, Navy operatives were embedded in Nazi occupied Europe to learn about the Germans' advanced flying saucer programs, and they discovered the Nazis were receiving assistance from two extraterrestrial groups with very different agendas. The debriefing of the operatives took place at Naval Air Station, San Diego, led by Rear Admiral Rico Botta. He instructed a -Disseminator of Naval Research and Information-, William Tompkins, to take confidential briefing packets to select think tanks, corporations and university departments around the country. Later, Tompkins worked with a number of leading aerospace companies to design massive spacecraft for a secret U.S. Navy space program, and was fatefully assisted by extraterrestrial visitors described as -Nordics-. An extensive number of documents substantiate Tompkins' claims of the existence of a covert Navy program created to study, design and build deep space battle groups. They became operational in the 1980's. Now the Navy has a new goal to enact a plan to level the universal playing field, and the election of President Donald Trump may just be the wild card they needed to reveal ... everything!

The Montauk Monster *Pinnacle Books*

A terrifying new species of predator is loose in a New England resort town in this "wholly enthralling hulk of a summer beach read" (Publishers Weekly). On a hot summer night in Montauk, the bodies of two local bar patrons are discovered in the dunes, torn to shreds, their identities unrecognizable. In another part of town, a woman's backyard is invaded by four creatures that defy description. What's clear is that they're hostile—and they're ravenous. With every sunset the terror rises again, infecting residents with a virus no one can cure. The CDC can't help them; FEMA can't save them. But each savage attack brings Suffolk County Police Officer Gray Dalton one step closer to the shocking source of these unholy creations. Hidden on nearby Plum Island,

a U.S. research facility has been running top-secret experiments. What they created was never meant to see the light of day. Now, a vacation paradise is going straight to hell. "Shea combines ancient evil, old school horror, and modern style." —Jonathan Maberry, New York Times–bestselling author

Extraterrestrials and U.F.O.s *The Rosen Publishing Group, Inc*
In December 2018, a bright blue light appeared over New York City. In thousands of Instagram posts and tweets, New Yorkers wondered: Could the light be signs of aliens? Although the lights turned out to be connected to a Queens powerplant, the curiosity they sparked speaks to the fascination we have for signs of life outside of Earth. The articles in this collection relate to the search for extraterrestrial life, detailing both the science that guides us toward it as well as the communities who believe it is already among us. In book reviews, op-eds, and feature reporting, scientists and journalists attempt to make sense of the question: Are we alone? Features such as a glossary and media literacy questions and terms engage readers beyond the text.

The Case for the UFO

Unidentified Flying Objects

This is the original edition of the classic book that brought the legend of the Philadelphia Experiment into the public sphere, and created saucer controversy for decades: "The Case For the UFO!" Why has this book been suppressed for so many years? It is a well-reasoned review of the UFO record by an eminent astronomer, mathematician, and archaeologist: Dr. M.K. Jessup. His conclusions are breathtaking and incredible, but inescapable. This special reprint edition features not only the familiar introduction by Frank Edwards, but also the "lost" introduction by noted zoologist Ivan T. Sanderson. Description from the dust jacket: Flying saucers are not new! For thousands of years, men have seen mysterious objects in the skies. Now, a prominent scientist proves that unidentified flying objects originate here, on Earth. If you have ever wondered about the things today's scientists do not, will not, or cannot explain, this book is for you. Such questions might be: What is the hidden meaning of the comet's tail? What caused the "Devil's Footprints" of Devonshire? Why are we wrong to think of space flight only in terms of rocket power? How was a soldier "teleported" from the Phillippine Islands to Mexico City within one hour? What force lifted 1200-ton stones in ancient Peru? How is acceleration achieved by UFOs? What caused the disappearance of the crews of the SS Sea Bird and the Marie Celeste? Was the "secret" of space flight known 50,000 years ago? What is the strange truth hidden in the ancient ruins of Baalbek? And finally, and most importantly: Are the UFOs friend, or foe? This original edition of "The Case For the UFO" does NOT include the scrawled "annotations" of the infamous Carlos Allende (who may or may not have tormented Jessup into committing suicide). You will find this version much easier to read than the Varo Edition, and probably much more meaningful.

National Guard Regulations Under the Constitution and the Laws of the United States

1919

Dark Fleet

The Secret Nazi Space Program and the Battle for the Solar System *Simon and Schuster*

Reveals the Nazi-Reptilian infiltration of the U.S. government,

their secret space program, and their slave colonies throughout the solar system • Details “Operation Paperclip,” which enabled Nazis and their Reptilian partners to infiltrate the U.S. military-industrial complex, including NASA and the CIA • Reveals their interstellar space ports in Antarctica and on Mars, their base on the Moon, and their alien technologies, including nano-technology, antigravity propulsion, mass mind control, and hyperdimensional teleportation capabilities • Shares testimonies from American and British “supersoldiers” who participated in the “20 and Back” age-regression programs, revealing advanced human technology and our Space Armada that constitutes a counter-balance to the Nazi Dark Fleet The Nazis did not really lose World War II. They made it appear that way in order to divert attention from the alliance between the Fourth Reich and the race of aliens known as the Reptilians--an ancient galactic civilization obsessed with conquest and domination. After the German surrender in 1945, the Nazi-Reptilian alliance infiltrated the U.S. military-industrial complex. Through “Operation Paperclip,” the Nazis and Reptilians removed their political opponents, such as the Kennedys, and moved into policy-making positions in post-war America, infiltrating aerospace companies, banking, media, and the U.S. government, including NASA and the CIA. But their real target was not the United States--it was the solar system. As Len Kasten reveals in startling detail--including revelations of antigravity propulsion technology, alien techniques of mass mind control, and hyperdimensional teleportation capabilities--the Nazi-Reptilian alliance used their newfound power, wealth, and influence to launch a Secret Space Program with interstellar spaceports in Antarctica and on Mars as well as an eleven-story base of operations on the Moon. They commenced mining and manufacturing operations on Mars and Ceres, forming colonies there and elsewhere in the solar system. And, most shocking, they have used thousands of human slaves, easily transported in their spaceships, for both work and sexual exploitation. Sharing testimonies from American and British “supersoldiers” who participated in the “20 and Back” age-regression programs, Kasten reveals the various forces inside and outside government that are resisting the Nazis and thwarting Reptilian attempts to achieve total dominance of the planet and the solar system. The U.S.-led Secret Space Program has its own fleet of spaceships, the Solar Warden Space Armada, which patrols the edges of the solar system and poses a growing threat to the Nazi Dark Fleet.

Transylvanian Sunrise Sky Books (NY)

Written by Peter Moon and Radu Cinamar, a highly placed Romanian intelligence operative, this book heralds the most remarkable archaeological find in the annals of Mankind. Unbeknownst to most, there is an ancient sphinx located in the Bucegi Mountains of Romania. In 2003, the Pentagon discovered, through the use of satellite technology, an anomaly beneath this ancient sphinx. Through the highest levels of Freemasonry, the Pentagon was able to secure an alliance with the most secret department of the Romanian Intelligence Service which is known as Department Zero. Together, the Romanians and the Americans utilised the Pentagon's secret technology to penetrate a hidden chamber beneath the sphinx which was otherwise inaccessible to humans. What was discovered eventually was a holographic Hall of Records left by an advanced civilisation near three mysterious tunnels leading into the Inner Earth. The book chronicles the discovery of these modern day artefacts which represent the dawn of a new era for Mankind. Peter Moon is brought into the fold through his friend, Dr David Anderson, the mysterious scientist who founded the Time Travel Research Center on Long Island and also maintains a similar facility in

Romania. Recognising that such satellite technology would have to have utilised Dr Anderson's proprietary space-time technology for maintaining satellites in orbit, Peter Moon pursues these matters further and accepts Dr Anderson's invitation to Romania where he visits the Romanian Sphinx and learns of a mysterious association between the mysterious time travel scientist and Radu Cinamar.

The Philadelphia Experiment Revelations!

An Update on the Philadelphia Experiment Chronicles - Exploring the Strange Case of Alfred Bielek & Dr. M.K. Jessup

IN 1942, AN EXPERIMENT TO MAKE A NAVY SHIP MAGNETICALLY INVISIBLE, TURNED INTO A SOUL-SHATTERING NIGHTMARE THAT BREACHED THE VERY WALLS OF TIME AND SPACE! In This New, Updated Edition, Based on The Philadelphia Experiment Chronicles, The Story of a Highly Classified - ABOVE TOP SECRET - Project Conducted By The U.S. Navy, Can Now Be Told! According to survivor accounts, the Philadelphia Experiment involved the teleportation of the U.S.S. Eldridge a mega-ton Destroyer Escort from its dry dock in the Philadelphia Naval Yard to Norfolk, Virginia - a distance of around 400 miles. During at least part of the time, the Eldridge was "missing" from the City of Brotherly Love, the destroyer was said to have been transported into another dimension. Upon its return, most of the vessel's hand-picked test crew - all of whom had been left totally unprepared and unprotected - either "caught on fire," became literally frozen into the hull of the ship, went stark, raving mad, or vanished, never to be seen again. Much has been written on the subject, but this is the only account as told by the retired intelligence operative Commander X who reveals the story of Dr. M.K. Jessup who discovered the incredible truth about the Philadelphia Experiment. Commander X also reveals the story of Alfred Bielek, who claimed to be one of only two survivors of the unholy experiments that breached the very fabric of time and space. The late Alfred Bielek revealed the further destruction of innocent lives with the Phoenix Project that developed methods of teleportation, as well as mind manipulation and altering the very flow of time itself!
