„Their Eyes Were Watching God“ - Analysis of the main conflicts and some metaphorical images of the novel *GRIN Verlag*

Studienarbeit aus dem Jahr 2005 im Fachbereich Amerikanistik - Literatur, Freie Universität Berlin, Sprache: Deutsch, Abstract: Their Eyes Were Watching God is the story of a woman´s life. Protagonist Janie recapitulates her way from youth to her forties and shows the growing-up of a woman in the search for love. On the sideways Zora Neale Hurston points out the life of African-American people and their problems on the turn of the twentieth century until the 1930s. The

objective of this paper is to point out the main conflicts and metaphorical images used in the book. As the novel is to some extent a biography of a woman’s way to love the first to mention is the eternal conflict between men and women. Like a painter Hurston draws the traditional roles of the sexes and the contradictions of her time – a time of feminine emancipation in all aspects. Emancipation also plays a role in the obvious generation conflict personated in Nanny, Janie’s grandmother. Somehow incidental, but flashing now and then, and sharp in her observations Hurston works up the racial issue of black and white living together in the American society around 60 years after slavery has officially ended. These are the more general conflicts of the book, while within the story opens the conflict within the black community. A subtle comparison of the life in Eatonville and the Everglades – inseparable of course from the totally differing feelings of Janie in both places. In the course of the novel Hurston uses strong, picturesque metaphorical language to describe the inner world of Janie’s thoughts and feelings. This paper can only give a few examples for these images. The tree image stands for her love life and sexuality - first in bloom when she becomes a woman. The mule stands as a symbol for the submission of women through men.

Zora Neale Hurston, Haiti, and Their Eyes Were Watching God *Northwestern University Press*
Zora Neale Hurston wrote her most famous novel, Their Eyes Were Watching God, while in Haiti on a trip funded by a Guggenheim fellowship to research the region’s transatlantic folk and religious culture; this work grounded what would become her ethnography Tell My Horse: Voodoo and Life in Haiti and Jamaica. The essays in Zora Neale Hurston, Haiti, and “Their Eyes Were Watching God” persuasively demonstrate that Hurston’s study of Haitian Voudoun informed the characterization, plotting, symbolism, and theme of her novel. Much in the way that Voudoun and its North American derivative Voodoo are syncretic religions, Hurston’s fiction enacts a syncretic, performative practice of reference, freely drawing upon Greco-Roman, Judeo-Christian, and Haitian Voudoun mythologies for its political, aesthetic, and philosophical underpinnings. Zora Neale Hurston, Haiti, and “Their Eyes Were Watching God” connects Hurston’s work more firmly to the cultural and religious flows of the African diaspora and to the literary practice by twentieth-century American writers of subscribing in their fictional texts symbols and beliefs drawn from West and Central African religions.

Approaches to Teaching Hurston's Their Eyes Were Watching God and Other Works *Approaches to Teaching World L*

Zora Neale Hurston emerged as a celebrated writer of the Harlem Renaissance, fell into obscurity toward the end of her life, yet is now recognized as a great American author. Her novel Their Eyes Were Watching God is popular among general readers and is widely taught in universities, colleges, and secondary schools. A key text of African American and women's literature, it has also been studied by scholars interested in the 1930s, small-town life, modernism, folklore, and regionalism, and it has been viewed through the lenses of dialect theory, critical race theory, and transnational and diasporan studies. Considering the ubiquity of Hurston's work in the nation's classrooms, there have been surprisingly few book-length studies of it. This volume helps instructors situate Hurston's work against the various cultures that engendered it and understand her success as short story writer, playwright, novelist, autobiographer, folklorist, and anthropologist. Part 1 outlines Hurston's publication history and the reemergence of the author on the literary scene and into public consciousness. Part 2 first concentrates on various approaches to teaching Their Eyes, looking at Hurston's radical politics and use of folk culture and dialect; contemporary reviews of the novel, including contrary remarks by Richard Wright; Janie's search for identity in Hurston's all-black hometown, Eatonville; and the central role of humor in the novel. The essays in part 2 then take up Hurston's other, rarely taught novels, Jonah's Gourd Vine,Moses, Man of the Mountain, and Seraph on the Suwanee. Also examined here are Hurston's anthropological works, chief among them Mules and Men, a staple for many years on American folklore syllabi, and Tell My Horse, newly reconsidered in Caribbean and postcolonial studies.

Zora Neale Hurston

A Life in Letters *Anchor*

“ I mean to live and die by my own mind,” Zora Neale Hurston told the writer Countee Cullen. Arriving in Harlem in 1925 with little more than a dollar to her name, Hurston rose to become one of the central figures of the Harlem Renaissance, only to die in obscurity. Not until the 1970s was she rediscovered by Alice Walker and other admirers. Although Hurston has entered the pantheon as one of the most influential American writers of the 20th century, the true nature of her personality has proven elusive. Now, a brilliant, complicated and utterly arresting woman emerges from this landmark book. Carla Kaplan, a noted Hurston scholar, has found hundreds of revealing, previously unpublished letters for this definitive collection; she also provides extensive and illuminating commentary on Hurston's life and work, as well as an annotated glossary of the organizations and personalities that were important to it. From her enrollment at Baltimore’s Morgan Academy in 1917, to correspondence with Marjorie Kinnan Rawlings, Langston Hughes, Dorothy West and Alain Locke, to a final query letter to her publishers in 1959, Hurston’s spirited correspondence offers an invaluable portrait of a remarkable, irrepressible talent.

A Time Best YA Book of All Time (2021) In this “searing work of historical fiction” (Booklist), Coretta Scott King Award-winning author Sharon M. Draper tells the epic story of a young girl torn from her African village, sold into slavery, and stripped of everything she has ever known—except hope. Amari's life was once perfect. Engaged to the handsomest man in her tribe, adored by her family, and fortunate enough to live in a beautiful village, it never occurred to her that it could all be taken away in an instant. But that was what happened when her village was invaded by slave traders. Her family was brutally murdered as she was dragged away to a slave ship and sent to be sold in the Carolinas. There she was bought by a plantation owner and given to his son as a "birthday present". Now, survival is all Amari can dream about. As she struggles to hold on to her memories, she also begins to learn English and make friends with a white indentured servant named Molly. When an opportunity to escape presents itself, Amari and Molly seize it, fleeing South to the Spanish colony in Florida at Fort Mose. Along the way, their strength is tested like never before as they struggle against hunger, cold, wild animals, hurricanes, and people eager to turn them in for reward money. The hope of a new life is all that keeps them going, but Florida feels so far away and sometimes Amari wonders how far hopes and dreams can really take her.
