A Story of Violent Faith *Anchor*

NATIONAL BESTSELLER

- From the author of *Into the Wild* and *Into Thin Air*, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. Defying both civil authorities and the Mormon establishment in Salt

Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative

questions about the nature of religious belief.

Eiger Dreams

Ventures Among Men and Mountains

Rowman & Littlefield

No one writes about mountaineering and its attendant hardships and victories more brilliantly than critically acclaimed author Jon

Krakauer. In this collection of his finest work from such magazines as *Outside* and *Smithsonian*, he explores the subject from the unique and memorable perspective of one who has battled peaks like K2, Denali, Everest, and, of course, the Eiger. Always with a keen eye, an open heart, and a hunger for the ultimate experience, he gives us unerring portraits of the mountaineering experience. Yet *Eiger Dreams* is more about people than about rock and ice—people with that odd, sometimes maniacal obsession with mountain summits that sets them apart from other men and women. Here we meet Adrian the Romanian, determined to be the first of his countrymen

to solo Denali; John Gill, climber not of great mountains but of house-sized boulders so difficult to surmount that even demanding alpine climbs seem easy; and many more compelling and colorful characters. In the most intimate piece, “The Devils Thumb,” Krakauer recounts his own near-fatal, ultimately triumphant struggle with solo-madness as he scales Alaska's Devils Thumb. *Eiger Dreams* is stirring, vivid writing about one of the most compelling and dangerous of all human pursuits.

Three Cups of Deceit *Anchor*

Greg Mortenson, the bestselling author of *Three Cups of Tea*, is a man who has built a global reputation as a

selfless humanitarian and children's crusader, and he's been nominated for the Nobel Peace Prize. But, as bestselling author Jon Krakauer demonstrates in this extensively researched and penetrating book, he is not all that he appears to be. Based on wide-ranging interviews with former employees, board members, and others who have intimate knowledge of Mortenson and his charity, the Central Asia Institute, *Three Cups of Deceit* uncovers multiple layers of deception behind Mortenson's public image. Was his crusade really inspired by a desire to repay the kindness of villagers who nursed him back to health when he became lost

on his descent down K2? Was he abducted and held for eight days by the Taliban? Has his charity built all of the schools that he has claimed? This book is a passionately argued plea for the truth, and a tragic tale of good intentions gone very wrong. 100% of Jon Krakauer's proceeds from the sale of *Three Cups of Deceit* will be donated to the "Stop Girl Trafficking" project at the American Himalayan Foundation (www.himalayan-foundation.org/live/project/stopgirltrafficking).

Prophet's Prey

My Seven-Year Investigation into Warren Jeffs and the Fundamentalist Church of Latter-Day Saints *Bloomsbury Publishing USA*

From the private investigator who cracked open the case that led to the conviction of Warren Jeffs, the maniacal prophet of the polygamous Fundamentalist Church of Latter Day Saints (FLDS), comes the page-turning, horrifying story of how a rogue sect used sex, money, and power disguised under a façade of religion to further criminal activities and a madman's vision. In *Prophet's Prey*, Brower implicates Jeffs in his own words, bringing to light the contents of Jeffs's personal priesthood journal, discovered in a hidden underground vault, and revealing to readers the shocking inside world of FLDS members whose trust

he earned and who showed him the staggering truth of their lives.

The Power of Faith; exemplified in the life and writings of the late Mrs. I. Graham of New York

Deposit of Faith

How Can We Meet God Today?

In its two-thousand-year history, the Catholic Church remains an unchanging yet developing entity. Since the church's infancy, Catholic theologians have referenced the "deposit of faith," which in early years referred to the written or orally revealed doctrines that formed the backbone of church teaching. Through the centuries, the definition came to be understood as the

word of God, delivered through Jesus Christ and passed on to his apostles. Still, the deposit included both oral and written traditions and provided moral direction. The Second Vatican Council brought about many changes in the church, and once again, bishops and theologians addressed the deposit of faith. This invaluable concept came to be seen, not as mere dogma, but the expression of faith embodied in the words and deeds of Christ. The deposit is relevant to all elements of Catholic life: prayer, sacraments, and moral living. While the deposit has always addressed divine revelation, the post-Vatican II definition directs the faithful to think holistically.

Hubert M. Sanders Jr.'s *Deposit of Faith* is intricate Catholic theology for the lay reader. It encourages Catholics to reach beyond dogma and written instructions to embrace the fullness of the Christian experience in all aspects of life.

Why Do We Kill?

The Pathology of Murder in Baltimore
Createspace
Independent Pub
Former Baltimore City

homicide detective Kelvin Sewell has seen it all. Gang members burned alive; a baby unceremoniously stuffed into the ground by its own mother; a sex offender who killed a child in a delusional jealous rage. The constant grind of bearing witness to violent death has given Sewell an unprecedented perspective into the minds of killers. He sat in the Baltimore Police Department's interview room with 14-year-old Devon Richardson as the teen tried to explain why he shot a woman he didn't know in the back of the head. He watched the father of 17-year-old Nicole Edmonds cry over the corpse of his dead daughter, murdered for a cellphone. But now for

the first time Sewell has decided to share the insights and the pain, the dehumanizing effects of crime and waves of psychic despair and social dysfunction in his groundbreaking book, *Why Do We Kill?* "I think people deserve to know the truth," said Sewell, a 20-year veteran of Baltimore City's police department. "They need to get a sense of why people kill in Baltimore." "I want people to see what we see as detectives," he explained. "I think there are misconceptions about crime in Baltimore, and I hope this book will clear them up." The book recounts some of the most notorious homicide cases in Baltimore in the past decade, all told from

the perspective of the cop who worked them. Joining forces with Sewell is award-winning investigative reporter Stephen Janis, who covered City Hall for the now-defunct *Baltimore Examiner* and is founder of the award-winning news website *Investigative Voice*. "What makes this book different is the collaborative voice," said Janis. "Kelvin would discuss his thoughts on the cases and I then tried to tell the story by adding the context that comes naturally with being a reporter." Janis's colleague at *Investigative Voice*, reporter and political scientist Alan Z. Forman, served as editor for the project. Janis is no stranger to the

Baltimore crime scene, winning a string of prestigious awards for his crime reporting, including two consecutive Maryland-Delaware-DC Press Association awards in Category A for his series on the murders of sex workers and his investigation into the high number of unsolved killings in Baltimore.

The Ambassador of God *Ambassador of God*

The Ambassador of God provides exhaustive and in-depth answers to very difficult questions about our cosmic origin and the planet earth. Almost everything to do with the Sun, Moon, Stars, Water, Mars, Jupiter, Aliens... and most importantly - God. About the book and

author

God is real. And for the first time, experimental and observable science reveals his existence. Throughout history, many have argued the existence of God, yet discussions of the Divine have been limited to the realm of philosophy and religion. But what if nature could reveal its creator? And what if science could provide compelling evidences that we have never seen before? What if the identity of the creator behind the origin of our universe can be known for certain? What if... This is what The Ambassador of God, a ground breaking look at our cosmic origin, has provided. In this probing book, difficult questions are

answered. As renowned scientists and thinkers challenge the biblical narratives for our cosmic origin, The Ambassador of God uncovers the mysteries that have been hidden from human eyes. Using compelling evidences from astronomy to investigate the underpinnings of the Bible, The Ambassador of God provides a 'cosmic objective certainty' for the existence of a universal Creator. Additionally, it unveils a well of exhaustive insights that eliminates ambiguities in our understanding. How is it possible that God is one and three distinct persons, but not three Gods? Why is the earth and the human body mostly water? Who created the sun, moon and stars? What about aliens and the other solar planets? What is the mystery and purpose behind human existence and other life forms on our planet earth? Why are we here and how did we first arrive on this planet? How do we come to understand divinity in the current scheme of scientific reasoning? How do we make peace with the grand designer behind it all? Readers seeking answers to these questions (and other similar questions) will find them here. They will not find dogma. Instead, they will embark on a journey—an experimental voyage through the lens of science that reveals the mind of God. In a "show" rather than "tell" fashion and a template that's more

coherent than any prevailing secular science view, we shall find who God is! Who is the Author? Olumide Sanya is a contemporary poet and writer. Beside poetry and writing, Lumi, as he is affectionately known, helps others to achieve their dreams as a life coach. Unusually drawn to books between the ages of 4 - 9, Lumi neither enjoyed reading nor read books but spent his childhood years looking for abandoned tomes that he turned into a formidable collection. Despite being a non-reader, he realised the dream of becoming a writer in his tender years and for more than 12 years, he abandoned this dream. ...Until one day, God paid him a visit. But it

didn't start there, it began with falling in love and writing poems about love and heartbreaks but that's another story for another year. "God has a sense of humor," says Lumi. "It's not hard to see that if you know my story-where I've been, where I'm at, and what God has planned for my tomorrow. What is most important to recognize is what God can do with a 'nobody' like me." The Ambassador of God, he notes, is not just about answers to large existential questions "It is also a road map that offers optimism and guidance in today's confused and increasingly complex modern world." You don't have to be a physics professor or a philosopher to

understand Sanya's work. The Ambassador of God aims to open discussion and understanding at the broadest possible level. It is written for everyday people.

Heaven Can't Wait *CreateSpace*

Author's Note About four years ago, I walked out of my life. Leaving professional middle class behind me, I set out in search of something more than acquiring and performing. I was so tired of being disappointed every time I arrived at a goal and found nothing there. I couldn't name it, but I suspected there was more to understand about this life. Receiving that understanding became my priority. Whether I was hiking or writing,

dancing or crying, all I wanted was to know the more. My way of being changed immediately and gradually as I learned to let go of old stories and step into new freedom. I know now that Love, as a principle, is what I and you have been looking for. It is the beauty, freedom, and wellbeing that we imagine "heaven" to be. And the truth is we don't need to wait. We can live in Love and all its Joy right now. We don't have to die to live in heaven. Proof of Heaven by Eben Alexander has been on the New York Times bestseller list for fifty-nine weeks. Browsing in Barnes and Noble days after I finished this manuscript, I picked up Alexander's book. I was interested

solely because he is a neurosurgeon, not the kind of guy typically writing about heaven. Skimming, I noticed that his near death experience was strikingly similar to my own nonphysical experiences. So I read the whole the whole book in an afternoon. My first impression was true. Alexander and I have indeed received nearly identical revelations: Love is all there is. Fear isn't real. We can't fuck it up. Separation isn't possible. Every question is the answer. We both feel that we must share these universal principles as best we can to everyone who can hear them. We both learned to move into "heaven" by focusing on the feeling of it. We both know that everyone

has the ability to do the same, and we can do it now. What if you are not who you think you are? I also share Alexander's challenge of putting nonphysical experiences into words after they have come through the filter of my physical body. It's like describing Einstein this way: He was a man. Can you imagine how much you would miss if that's all you knew of him? That's how it feels to offer you words about the experience of god. I offer them only because they might interest you enough to have your own experience. Well, that and because I really cannot imagine being able to keep this Joy all to myself. What if you have suffered enough? That is what I have been asking myself for the last few

years, and now, I am asking you. Even if we are the worst people on the planet (whatever that means), we have more than paid our debt. We have spent enough days in fear and shame to punish our worst mistakes. If you don't believe that, at least ask yourself how continuing to punish yourself benefits anyone. Withholding joy and peace from your own life perpetuates misery in every life. What if you are so much more? I am writing to you to say that I have spent the last ten years in deliberate pursuit of the answer to this question. What I learned changed everything for me. What Alexander learned changed everything for him. It

can change everything for you too. My message is not meant to challenge or replace a life that is working for you. What I am suggesting is a way of living that fulfills and delights moment by moment. If you aren't enjoying your life as much as surviving it, I suggest a change. What do you have to lose? You don't have to spend seven days in a coma to have the experience of Alexander. That is his message, and it is mine. He died. I sat. We learned the same good news: There are no prerequisites. You don't have to be a certain kind of person. No history or flaw can disqualify you. There are no rules, no competition, and nothing to achieve. As I illustrate with my own

life experience, there is only Love, and we can choose to enjoy it at anytime.

I, Church *Createspace Independent Pub*

"It was the best of church, it was the worst of church..." [not Charles Dickens] In some ways, the church has a horrendous track record and is deserving of much of the hate,

accusation and mistrust it has received. But, in many other ways, the church has also been monumental in affecting great systemic change, being first on the scene in crisis and on the forefront of reaching out to and loving well those considered the least of these. To those of you who believe church is the worst thing ever: You're right! To those of you who believe church is the best thing ever: You're right! The church was God's idea and it is the plan He has chosen to bring transformation to a world desperately in need of a deeper experience of His love. He doesn't appear to have a plan B. We are it! I call this book, 'I, church' because more

than a building or a meeting or a list of do's and don'ts, the church is about the people. It is about me. And it is about you. If you love Jesus and have chosen to follow Him, then you are the church. Let's figure out together how to be the best church we can be. "Brett Anderson weaves a picture of the church that is stark and real. He sees through church politics and denominational blinkers and defines the core of what the church is and isn't and what God desires it to be." [Bruce Collins, legend and appreciator of good coffee]

Peace and Love to the World

God Is Love *Createspace Independent Publishing Platform*

The word of love in the book is a spiritual weapon meant for our current generation and the message to the generations to come. The prophetic word is the intertwine of the real life situations, visions, dreams and prophecies which I experienced in my way

of faith. The challenges which I encountered and how the Lord helped me to pull through in the name of our Lord Jesus Christ. Nonetheless the malady of hatred which has contaminated the world, it is only peace and love from the Lord which can heal the infectious ulcer which man has suffered. Dignity has been lost in accordance to Hosea 4:6 'my people are destroyed for lack of knowledge: because thou hast rejected knowledge. I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children'. Further, that our Lord Jesus Christ came down with the seed of peace and love to unify the candidates of heaven

through the provision of the Holy Scriptures. Let us unite and break the seed of hatred which Satan had planted in the hearts of men. 1 Corinthians 13:3 And now abideth faith, hope, love, these three; but the greatest of these is love. This book is dedicated to all my brothers and sisters in the Lord, especially those who are at the verge of losing hope of survival spiritually. It is therefore, here to impart in their hearts with Peace and Love from our God Almighty. The word in this book is aimed at reconciling the people on earth with love so as to cushion the conflicts among nations. It is in accordance to Isaiah 2:2-3 the message in the book has been written and it is

therefore inviting all my brothers and sisters from across the world to experience the Holy Spirit with words of great faith in the Lord. The book is here to comfort the sick, the afflicted and those souls who are persecuted by the enemy. It also embraces all the races and does not stigmatize any person as it is based on the true love from our Lord and the message is inspired by the Holy Spirit with a view to unite the people across the globe. I therefore wish the Church, the United Nations, the governments and other charitable organizations to enhance preaching peace among the people in the land for us to have a better world. It is in this line,

that the Lord our God came down on earth to save humanity. More so, we should embrace peace and love to survive this world of troubles. The love of God is unconditional, thus, we should follow suit to have a godly love in our hearts or humanity will be wiped out on the face of the earth soonest. The beauty of welcoming peace and love from God is compared to the bond between the earth and the sun and the rain. There is no segregation in the house of the Lord but we are all equal in the face of our creator. Mother Nature has been very kind to us and it reprimands us whenever we err but our Lord Jesus Christ used to curse Nature. We have continued preaching about the importance of spreading the word of God and also His love which has made us to be who we are on earth. The love of God unifies the people and that it cuts through the rod of hatred which is in the hearts of the evil ones. We should therefore embrace the love of God for us to reach greater heights of love, where all religions, race and tribes shall stand tall in the same platform and pronounce to the higher heavens that we are one people. Women and children needs true love from our hearts. I dream of a beautiful world where we shall be protected by the love of God, because humanity on that day shall have total unite. It is common knowledge that Satan has

infiltrated our governments, entertainment industry and a lot more circles of life. Therefore, it is time man woke up from the deep slumber and fight for his life or else he will die naked with shame. However, we wrestled the devil for us to have peace and love so that we get saved but the battle has been tough. The Lord has been fighting battles for humanity because God is love. Amen!!

What Is Scientology?

An Introductory Guide to the Church of Scientology and the Fundamental Scientology Beliefs and Principles

Because Scientology is not exactly a mainstream religion, there are conflicting

impressions about it. In some cultures, Scientology is classified as religion, while others believe it to be a cult. Still, some groups see it as a commercial enterprise, while others claim it's a non-profit organization. This just proves that most people don't fully understand

Scientology. However, the believers and followers of Scientology - including many famous celebrities such as Tom Cruise, John Travolta, Kelly Preston and Kirstie Alley, just to name a few - claim it to be a religion following the intent and of the original founder. This book was written for those who want to learn what the Church of Scientology represents, and the basic principles and

beliefs of Scientology. I intend to help clarify any incorrect perceptions while revealing what Scientology is really all about. Continue reading to discover the reason behind this oft-misjudged practice once and for all.

Breaking Free

How I Escaped Polygamy, the FLDS Cult, and My Father,

Warren**Jeffs***HarperCollins*

In this searing memoir of survival in the spirit of *Stolen Innocence*, the daughter of Warren Jeffs, the self-proclaimed Prophet of the FLDS Church, takes you deep inside the secretive polygamist Mormon fundamentalist cult run by her family and how she escaped it. Born into the Fundamentalist Church of Jesus Christ of Latter-Day Saints, Rachel Jeffs was raised in a strict patriarchal culture defined by subordinate sister wives and men they must obey. No one in this radical splinter sect of the Mormon Church was more powerful or terrifying than its leader Warren Jeffs—Rachel's father. Living outside

mainstream

Mormonism and federal law, Jeffs arranged marriages between under-age girls and middle-aged and elderly members of his congregation. In 2006, he gained international notoriety when the FBI placed him on its Ten Most Wanted List. Though he is serving a life sentence for child sexual assault, Jeffs' iron grip on the church remains firm, and his edicts to his followers increasingly restrictive and bizarre. In *Breaking Free*, Rachel blows the lid off this taciturn community made famous by Jon Krakauer's bestselling *Under the Banner of Heaven* to offer a harrowing look at her life with Warren Jeffs, and the years of physical and emotional

abuse she suffered. Sexually assaulted, compelled into an arranged polygamous marriage, locked away in "houses of hiding" as punishment for perceived transgressions, and physically separated from her children, Rachel, Jeffs' first plural daughter by his second of more than fifty wives, eventually found the courage to leave the church in 2015. But *Breaking Free* is not only her story—Rachel's experiences illuminate those of her family and the countless others who remain trapped in the strange world she left behind. A shocking and mesmerizing memoir of faith, abuse, courage, and freedom, *Breaking Free* is an expose of religious extremism and a

beacon of hope for anyone trying to overcome personal obstacles.

Into the Wild *Anchor*
Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying...

Eloquent... A heart-rending drama of human yearning."
—New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the

wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would

give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes

the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page.
