The term “dumbing down” was a secret code used by film writers in the 1930s to revise scripts to appeal to viewers of lower intelligence. And for the last few decades, this phrase reflects a painful reality; today's Americans are in serious intellectual trouble.

Op-Ed: The dumbing down of America | National ...

The dumbing down of America is most evident in the slow decay of substantive content in the enormously influential media, the 30-second sound bites (now down to 10 seconds or less), lowest common denominator programming, credulous

presentations on pseudoscience and superstition, but especially a kind of celebration of ignorance.

Opinion -The dumbing down of America

His phrase, “The dumbing down of America....” is, in retrospect, so eerily prescient that it’s difficult to know where to begin. America has never been a country whose citizens are prone to navel-gazing or deep philosophical discussions. In general, we’re far more comfortable with reaction than with contemplation and sober reflection.

“The dumbing down of America...” is exactly as was forecast ...

There are a number of dastardly ulterior motives to this which, in effect, serve to dumb us down. If the masses succumb to this encroachment, they will be: Incapable of critical thinking; More easily controlled and manipulated; Limited when making choices; The unhealthy side of skepticism; More intolerant

Idiocracy (2006) - IMDb

Dumbing down is the deliberate oversimplification of intellectual content in education, literature, and cinema, news, video games, and

culture. Originated in 1933, the term "dumbing down" was movie-business slang, used by screenplay writers, meaning: "revise so as to appeal to those of little education or intelligence". Dumbing-down varies according to subject matter, and usually involves the diminishment of critical thought by undermining standard

language and learning standards; thus triviali
