This Is The Story Of Kalam`S Rise From Obscurity And His Personal And Professional Struggles, As Well As The Story Of Agni, Prithvi, Akash, Trishul And Nag--Missiles That Have Become Household Names In India And That Have Raised The Nation To The Level Of A Missile Power Of International Reckoning.

Wings of Fire

An Autobiography

Autobiography of an Indian scientist.

Wings Of Fire - Abridged (Student Edition) *Universities Press*

Learning How to Fly

Life Lessons for the Youth

Dr. A. P. J. Abdul Kalam had a great belief in the power of the youth. He met over 21 million children and young people in India and outside and spoke to them about the power of knowledge, ambition, moral behavior and the need to bring about change in society. He travelled to almost every corner of the country meeting the youth in schools, universities and institutions and interacted with them like a committed teacher. In Learning How to Fly some of his nearly 2, 000 lectures have been compiled.

These lectures were addressed to teachers and students in school and beyond. In each one of them he has spoken about preparing oneself best for life, to identify and overcome challenges and how to bring out the best within each individual. Through stories from his own life, those of his teachers and mentors as well as stories of some of the greatest men and women of the world and the latest developments in science and technology, he shows us the importance of dreams and the hard work needed to turn those dreams into reality. Filled with warmth, inspiration and a positive attitude, Learning How to Fly is essential reading for every Indian, young and old.

Ignited Minds

Unleashing the Power within India *Penguin UK*

What is it that we as a nation are missing? Why, given all our skills, resources and talents, do we settle so often for the ordinary instead of striving to be the best? At the heart of Ignited Minds is an irresistible premise: that people do have the power, through hard work, to realize their dream of a truly good life. Kalam's vision document of aspiration and hope motivates us to unleash the dormant energy within India and guide the country to greatness.

A.P.J. Abdul Kalam

A Life *Harper Collins*

The definitive biography of India's most loved leader and scientist Aeronautical engineer, rocket scientist, missile man, visionary,

teacher and the most inspiring head of state in living memory - Avul Pakir Jainulabdeen Abdul Kalam was all these and more. Unquestionably the most revered Indian leader since Mahatma Gandhi, he transcended all the boundaries and obstacles that came his way in the course of a remarkable life; and he did so with grace and humility. Arun Tiwari tells Dr Kalam's life story with a deep understanding of his formative experiences and character and reveals him as a man personifying all the glory and paradoxes of his nation: secular and religious; exalted and humble; schooled and unaffected; dynamic and calm; scientific and spiritual - an Indian above all.

You Are Born To Blossom (Pb)

This Book Is An Account Of How Dr. Kalam Visualizes Information And Communication Technology Mining The Rural Talent. Here, Dr. Kalam Present His Dream Of Schools In India At 2020 As Symbiotic Nerve Centres Connecting Teachers, Students And Community; Personifying Knowledge That Exists In The World. He Also Makes A Clarion Call To Accelerate The Process Of Societal Transformation. This Would Involve Raising The Standards Of Governance And Safeguarding The Sanctity Of Public Institutions. The Book Uses The Metaphor Of A Tree To Describe The Process Of Knowledge Bearing Fruits Of Prosperity In The Contemporary Globalised World Where Different Phases, Formative, Adult Working Life, And Post-50 Experienced Senior Citizens, Call For Different Kinds Of Learning. The Book Refers To A Contextual Contribution Of A Large Number Of Indian Scientists And Artists And Proves That There Is No Age Bar To Blossom. He Advocates Creation Of Conditions That Favour Growth Of Diverse Individual

Talents Akin To Agarden And Calls For A Scientific Mind-Set Guided By Conscience, Consensus And By Actions That Take Our Social And Moral Values Into Account In Building Our Own Systems.

Wings of Fire

An Inspector Ian Rutledge Mystery *Minotaur Books*

In Charles Todd's *Wings of Fire*, Inspector Ian Rutledge is quickly sent to investigate the sudden deaths of three members of the same eminent Cornwall family, but the World War I veteran soon realizes that nothing about this case is routine. Including the identity of one of the dead, a reclusive spinster unmasked as O. A. Manning, whose war poetry helped Rutledge retain his grasp on sanity in the trenches of France. Guided by the voice of Hamish, the Scot he unwillingly executed on the battlefield, Rutledge is driven to uncover the haunting truths of murder and madness rooted in a family crypt...

A Life in Diplomacy *Penguin UK*

An insider's account of the personalities and policies that shaped Indian diplomacy Former foreign secretary, Maharajakrishna Rasgotra joined India's external affairs ministry when Jawaharlal Nehru, Girija Shankar Bajpai, Sardar Patel were—with a mix of pragmatism and hope—creating the foreign policy of the newly independent nation. This was taking place as the Cold War slid into the subcontinent and complex relationships with India's neighbours—China, Pakistan and Nepal—were taking shape. Looking back on those crucial years with a discerning eye for the

interplay of personalities—Nehru, Krishna Menon, or S. Radhakrishnan, for instance—Rasgotra assesses their influence on events and their impact on the evolution of Indian diplomacy. For over three decades Rasgotra's assignments took him to Nepal, Britain and France, among other countries, as well as twice to the United States. His account of Nixon and Kissinger, and the mix of truculence and persuasion in their dealings with Mrs Gandhi in the run up to the 1971 Bangladesh war, sheds new light on the events of that time. His tenure as foreign secretary covered a period of great change and *A Life in Diplomacy* provides a ringside view of the beginnings of ethnic violence in Sri Lanka, the last years of the Cold War, the negotiations on the formation of SAARC, Mrs Gandhi's assassination and the Bhopal gas disaster. This is a compelling, authoritative account of a personal and professional journey; a reflective look at the leaders, events and forces that formed relations between India and the world over fifty years.

Gurkha

Better to Die than Live a Coward: My Life in the Gurkhas

Little, Brown Book Group

In the summer of 2006, Colour-Sergeant Kailash Limbu's platoon was sent to relieve and occupy a police compound in the town of Now Zad in Helmand. He was told to prepare for a forty-eight hour operation. In the end, he and his men were under siege for thirty-one days - one of the longest such sieges in the whole of the Afghan campaign. Kailash Limbu recalls the terrifying and exciting details of those thirty-one days - in which they killed an

estimated one hundred Taliban fighters - and intersperses them with the story of his own life as a villager from the Himalayas. He grew up in a place without roads or electricity and didn't see a car until he was fifteen. Kailash's descriptions of Gurkha training and rituals - including how to use the lethal Kukri knife - are eye-opening and fascinating. They combine with the story of his time in Helmand to create a unique account of one man's life as a Gurkha.

Wings of Fire *Simon and Schuster*

Dragons: Fearsome fire-breathing foes, scaled adversaries, legendary lizards, ancient hoarders of priceless treasures, serpentine sages with the ages' wisdom, and winged weapons of war... *Wings of Fire* brings you all these dragons, and more, seen clearly through the eyes of many of today's most popular authors, including Peter Beagle, Holly Black, Orson Scott Card, Charles De Lint, Diana Wynne Jones, Mercedes Lackey, Ursula K Le Guin, Dean R Koontz, George R. R. Martin, Anne McCaffrey, Elizabeth Moon, Garth Nix, and many others.

My Journey

Transforming Dreams Into Actions *Rupa Publications*

Inspirational stories from the life of the author.

The Dragonet Prophecy (Wings of Fire #1) *Scholastic Inc.*

A thrilling new series soars above the competition and redefines middle-grade fantasy fiction for a new generation! The seven dragon tribes have been at war for generations, locked in an

endless battle over an ancient, lost treasure. A secret movement called the Talons of Peace is determined to bring an end to the fighting, with the help of a prophecy -- a foretelling that calls for great sacrifice. Five dragonets are collected to fulfill the prophecy, raised in a hidden cave and enlisted, against their will, to end the terrible war. But not every dragonet wants a destiny. And when the select five escape their underground captors to look for their original homes, what has been unleashed on the dragon world may be far more than the revolutionary planners intended . . .

Life with a View

Memoir of an Air Traffic Controller *iUniverse*

Ever wonder what it takes to become an air traffic controller? Or how controllers make the whole complex system work? *Life With a View* is a memoir written by a former controller who uncovers all the secrets. Follow the author and get a look through the tower windows and behind the radar room doors. Robin Smith offers his unique translation of the second language learned and perfected by air traffic controllers and pilots and no one else. He expounds on the humor controllers use to check emotions and conflicts and prevent the wheels from coming off. The author gives his readers an insiders look into a very small community comprised of dedicated professionals who chose a career field that is challenging in many ways. The complexity of this job is compounded exponentially when a controller is scheduled to work weekends, mid-watches, and holidays sometimes all in the same week.

Captain Amarinder Singh: The People's Maharaja

An Authorized Biography *Hay House, Inc*

An authentic, definitive and no-holds-barred narrative – packed with fascinating incidents and anecdotes – that brings alive the life and times of one of the most prominent, multifaceted and striking individuals (a former royal) in the sphere of Punjab politics. Beginning with a historical background of how the Patiala kingdom came to be established, and ruled, over the centuries, the author moves on to describe the early years of Amarinder Singh (a scion of that kingdom). He then portrays the Indo-Pak war zone of 1965 (where the protagonist earned his spurs) and finally focuses on the combative arenas of Punjab politics, where numerous electoral and other battles have been (and continue to be) fought. This informative work unravels the subterfuges of politicians and others (including religious leaders) in trying to ensure their dominance. The pages reveal behind-the-scenes intrigues, plots and counter-plots even as Punjab was in the vice-like grip of terrorism in the late twentieth century. Operation Bluestar (June 1984) and its consequences have been objectively recorded. Besides tracing the career graph of Amarinder Singh, who reached his pinnacle when he became the chief minister of Punjab in February 2002, the author provides useful insights into crucial events that have made an immense impact on that state and the neighbouring areas over the past few decades. The text also throws light on Amarinder Singh's five-year tenure as chief minister (marked by both positive and negative aspects) and on the following period, when Parkash Singh Badal regained that post. The contents are rounded off with an update on the Punjab

scenario up to February 2017, which saw Amarinder Singh come back with a thumping victory. Here's a saga that records history in the making in Punjab.

Turning Points

A Journey Through Challenges *HarperCollins*

It was like any other day on the Anna University campus in Chennai. As I was returning to my room in the evening, the vice-chancellor, Prof. A. Kalanidhi, fell in step with me. Someone had been frantically trying to get in touch with me through the day, he said. Indeed, the phone was ringing when I entered the room. When I answered, a voice at the other end said, 'The prime minister wants to talk with you.' Some months earlier, I had left my post as Principal Scientific Adviser to the Government of India to return to teaching. Now, as I spoke to the PM, Atal Bihari Vajpayee, my life was set for an unexpected change. *Turning Points* takes up the incredible Kalam story from where *Wings of Fire* left off. It brings together details from his career and presidency that are not generally known as he speaks out for the first time on certain points of controversy. It is a continuing saga, above all, of a journey - individual and collective - that will take India to 2020 and beyond as a developed nation.

Failure Is an Option

An Attempted Memoir *Penguin*

"Writing this funny requires immense talent." —AV Club H. Jon Benjamin—the lead voice behind *Archer* and *Bob's*

Burgers—helps us all feel a little better about our own failures by sharing his own in a hilarious memoir-ish chronicle of failure. Most people would consider H. Jon Benjamin a comedy show business success. But he'd like to remind everyone that as great as success can be, failure is also an option. And maybe the best option. In this book, he tells stories from his own life, from his early days ("wherein I'm unable to deliver a sizzling fajita") to his romantic life ("how I failed to quantify a threesome") to family ("wherein a trip to P.F. Chang's fractures a family") to career ("how I failed at launching a kid's show"). As Jon himself says, breaking down one's natural ability to succeed is not an easy task, but also not an insurmountable one. Society as we know it is, sadly, failure averse. But more acceptance of failure, as Jon sees it, will go a long way to making this world a different place . . . a kinder, gentler place, where gardens are overgrown and most people stay home with their pets. A vision of failure, but also a vision of freedom. With stories, examples of artistic and literary failure, and a powerful can't-do attitude, *Failure Is an Option* is the book the world doesn't need right now but will get regardless.

The Autobiography of Martin Luther King, Jr. *Grand Central Publishing*

With knowledge, spirit, good humor, and passion, *THE AUTOBIOGRAPHY OF MARTIN LUTHER KING, JR.* brings to life a remarkable man whose thoughts and actions speak to our most burning contemporary issues and still inspire the desires, hopes, and dreams of us all. Written in his own words, this history-making autobiography is Martin Luther King: the mild-mannered, inquisitive child and student who chafed under and eventually

rebelled against segregation; the dedicated young minister who continually questioned the depths of his faith and the limits of his wisdom; the loving husband and father who sought to balance his family's needs with those of a growing, nationwide movement; and the reflective, world-famous leader who was fired by a vision of equality for people everywhere. Relevant and insightful, *THE AUTOBIOGRAPHY OF MARTIN LUTHER KING, JR.* offers King's seldom disclosed views on some of the world's greatest and most controversial figures: John F. Kennedy, Malcolm X, Lyndon B. Johnson, Mahatma Gandhi, and Richard Nixon. It also paints a rich and moving portrait of a people, a time, and a nation in the face of powerful change. Finally, it shows how everyday Americans from all walks of life confronted themselves, each other, and the burden of the past-and how their fears and courage helped shape our future.

Seven Pillars of Wisdom *GENERAL PRESS*

Seven Pillars of Wisdom is a memoir of the soldier known as 'Lawrence of Arabia.' Lawrence is a fascinating and controversial figure and his talent as a vivid and imaginative writer shines through on every page of his masterpiece. 'Seven Pillars of Wisdom' written between 1919 and 1926, is an extraordinary tale of action, politics and adventure. The story describes heroism through instances of war by a man who not only shaped events but was molded by them. The genre of the book can be related to many broad subjects like political history, military strategy, pathology or travel story. Lawrence, known as the defender of the empire, had found war in the Arab world and a long-lasting sideline to the War to End All Wars. This war produced more war

during the time, in which, along with many other eminent writers, Lawrence was also involved. Seven Pillars of Wisdom provides a unique portrait of this extraordinary man and an insight into the birth of the Arab nation.

My Life

An Illustrated Autobiography *Rupa Publications India*

'The story of my life has become intertwined with the story of this country. And somewhere along the way, as I met a million children across this land, I too learnt from a million minds. This book was not written to only tell my story. I want every young reader to think that this book is his or her story too.' A.P.J. Abdul Kalam has been one of the most iconic figures of Independent India. A scientist, leader, thinker, teacher and writer, he achieved remarkable success in various fields. Yet, what endeared him to so many was his dedication to the idea of a developed India, his simple and direct way of interacting with people and his deep love for his fellowmen. In *My Life*, Kalam writes his life story starting from his days growing up at Rameswaram; about working on India's space and missile programmes; his years as the eleventh President of India; and about his life thereafter. Full of anecdotes that demonstrate the importance of hard work, commitment, courage and innovative thinking, this autobiography is a wonderful introduction to a remarkable life. Beautifully illustrated and simply written. *My Life* will inspire readers of all ages.

India 2020

A Vision for the New Millennium *Penguin UK*

In this ground-breaking vision document, first published in 1998, Dr A.P.J. Abdul Kalam and Y.S. Rajan offer a blueprint for India to be counted among the world's top five economic powers by the year 2020. They cite growth rates and development trends to show that the goal is not unrealistic. Past successes—the green revolution and satellite-based communication linking remote regions of the country, for instance—bear them out. The same sense of purpose can make us a prosperous, strong nation in a matter of years, assert Kalam and Rajan. This is a book that every citizen who hopes for a better India must read.

Vishwamitra *Penguin UK*

He was born a Kshatriya. He became a Brahmarishi. When Satyavati, wife of Rishi Ruchik, exchanges with her mother, Queen Ratna, the magic potion for bearing a child, they change not just their children's destiny, but also the history of mankind. Born of this mix up is Vishwamitra, the son of a Kshatriya, with the qualities of a Brahmin. The duality in his life soon begins to show as he strives to become a Brahmarishi—the ultimate, the most powerful of all Gurus. With the creation of the Gayatri Mantra he begins a tapasya that makes him second to none. He challenges the Gods and shakes the very foundation of the heavens. Vishwamitra is the powerful, riveting story of a brave but stubborn, haughty yet compassionate, visionary king of Aryavarta who not only acquires material wealth through military conquests but also becomes one of the most well-known sages of all times.

One Life is Not Enough

An Autobiography

Indomitable Spirit *Rajpal & Sons*

Collections of President Abdul Kalam's speeches and addresses on diverse topics.

Why I Assassinated Mahatma Gandhi?

Advantage India

From Challenge to Opportunity *Harper Collins*

A visionary's bequest to the nation On the way from Delhi to Jaunpur in eastern Uttar Pradesh is the dusty town of Badshahpur. Even in this nondescript settlement, people receive money via mobile transfer from family members working in distant cities. There are computer training centres offering diploma courses in Bhojpuri, Hindi and English. Here is an example of India's numerous remote towns that have skipped the stage of basic learning and landed straight into digital literacy as they strive to keep up with the times. In his last book, A.P.J. Abdul Kalam, writing with Srijan Pal Singh, draws upon examples ranging from entrepreneurship in places like Badshahpur to a sophisticated missile programme like Agni to show how it can be 'Advantage India' in the final lap of the journey to 2020—the landmark year by which he had envisioned the country could transform into an economic power. How can the new initiatives—such as Make in India, Swachh Bharat, smart cities and skill

development for the youth--be used to unleash the country's vast potential? Advantage India offers the answer--a movement driven by every home and school to educate the new generation and give a fresh meaning to citizenship.

Wings of Fire

Ostracised by the government, the Air Force and even his own family, Patrick McLanahan has reached rock bottom, but things go from bad to worse when his team are testing cutting-edge weapons in the skies over Libya and he is drawn into a bitter power struggle between north Africa's rulers. In the face of tragic loss, unexpected defeat and ultimate betrayal, the ex-USAF general must decide where his loyalties really lie. Yet it may be too late to stop the destruction rolling across the Sahara - and this could be McLanahan's final battle.

Swan Wings

A Spiritual Autobiography - Part I: Childhood and Youth *CLAIRVIEW BOOKS*

'They only awoke when the fire came through the roof...'. The words of the news presenter jolt the toddler into wakefulness. Arousing to consciousness from a twilight of hidden memories, she asks: Who am I, and where was my consciousness before it entered my body? In the first volume of her extraordinary true story, Judith von Halle tells of powerful spiritual experiences as a child and young person. Still in her third year, she begins to see the world with different eyes, observing things that people around here clearly cannot see - like the multicoloured currents

of life - which her child's mind calls the 'magical life-force' - or the ability to maintain consciousness whilst asleep, or perceiving grotesque faces at the threshold to what she calls the 'World of Reality'. All the time, she is nourished by the 'venerable Light' that gives her strength and encouragement. As a 10-year-old, the young girl has a shattering soul encounter that reveals the universal source of wisdom and love, offering a pathway to her search for wholeness. In her private thoughts she mulls over existential, philosophical questions such as life and death, transience, love and God. Yet in the everyday she has to navigate between what she calls the 'day-theatre-world' and what she knows as the 'World of Reality'. She finds consolation in the realms of poetry, philosophy and art and experiences a breakthrough in her thinking, but it is not until the age of 25 that she is able to share her secret world of metaphysical knowledge. She discovers a group of people who have embraced an open-minded philosophy in which she finds astonishing correspondences with her own spiritual understanding. Here, she finds the concept of reincarnation, which brings her full circle - back to her original awakening to self-consciousness... Swan Wings is a courageous, moving and inspiring testimony to the immortal spiritual individuality of the human being, its origins, capacity and full potential.

What is more important: a successful career or a happy marriage? In the small town of Hubli, Shrikant discovers that he is attracted to his plain-looking but charming neighbour Shrimati, who always does better than him in the school exams. Shrimati too falls in love with the amiable and handsome Shrikant and the two get married. Shrikant joins an IT company and starts rapidly climbing the corporate ladder. He works relentlessly and reaches the pinnacle of his industry, while Shrimati abandons her academic aspirations and becomes his uncomplaining shaw, silently fulfilling her duties as a corporate leader's wife. But one day, while talking to an old professor, she starts examining what she has done with her life and realizes it is dismally empty... Gently Falls the Bakula is the story of a marriage that loses its way as ambition and self-interest take their toll. Written nearly three decades ago, Sudha Murty's first novel remains startlingly relevant in its scrutiny of modern values and work ethics.

Beyond the Last Blue Mountain *Penguin UK*

An exhaustive and unforgettable portrait of India's greatest and most respected industrialist. Written with J.R.D. Tata's co-operation, this superb biography tells the J.R.D. story from his birth to 1993, the year in which he died in Switzerland. The book is divided into four parts: Part I deals with the early years, from J.R.D's birth in France in 1904 to his accession to the chairmanship of Tatas, India's largest industrial conglomerate, at the age of thirty-four; Part II looks at his forty-six years in Indian aviation (the lasting passion of J.R.D's life) which led to the initiation of the Indian aviation industry and its development into one of India's success stories; Part III illuminates his half-century-

long stint as the outstanding personality of Indian industry; and Part IV unearths hitherto unknown details about the private man and the public figure, including glimpses of his long friendships with such people as Jawaharlal Nehru, Mahatma Gandhi, Indira Gandhi and his association with celebrities in India and abroad.

An Indian Pilgrim *CreateSpace*

Written towards the end of 1937 during his Europe trip, after being nominated the President of the Indian National Congress, An Indian Pilgrim traces Bose's life story from birth till his resignation from the Indian Civil Service. It is an astounding account of his ideological development and his singular focus on India's reconstruction in which Swami Vivekananda played a large part—"I was barely fifteen when Vivekananda entered my life. Then there followed a revolution within and everything was turned upside down." The book recounts the development of the spirit of service, sacrifice and zeal for national liberation, which were the driving forces of his life. We hope this publication will gain wide circulation so that the spirit of Subhas Chandra Bose becomes the guiding light of the country's youth in these disturbing times.

Strategic Design Thinking

Innovation in Products, Services, Experiences and Beyond *Bloomsbury Publishing USA*

Who can design? For too long, that question has highlighted the supposed division between right-brain dominant "creative types" and left-brain dominant "analytical types." Such a division is not

practical for preparing students to become innovative contributors to the complex world of design. Strategic Design Thinking guides readers to cultivate hybrid thinking, whether their background is design, finance, or any discipline in between. This book is an introduction to an integrative approach using the lens of design thinking as a way to see the world. The focus is on process instead of solution, and on connecting disparate ideas instead of getting bogged down by silos of specialization. Through this book, students will be introduced to design management, strategic design, service design, and experience design.

Guiding Souls *Prabhat Prakashan*

The first part deals with the concept of inner experience - thoughts, emotions, feelings, perception and knowledge among their things. In the second part, the essence of some great souls is presented - people who lived in different eras and who could offer to mankind a movement forward in the most selfless manner. In the Third and the concluding part the book describes the journey of the soul and its various manifestations as the unfolding of an eternal essence.

Smart Business

What Alibaba's Success Reveals about the Future of Strategy *Harvard Business Press*

How Strategy Works in an Interconnected, Automated World Leaders already know that the classic approach to strategy--analyze, plan, execute--is losing relevance. But they don't yet

know what replaces it. As everyone and everything becomes more interconnected and digitized, how do you operate, compete, and win? Ming Zeng, the former Chief of Staff and strategy adviser to Alibaba Group's founder Jack Ma, explains how the latest technological developments, such as artificial intelligence, machine learning, the mobile internet, and cloud computing are redefining how value is created. Written especially for those outside the technology industry or the startup arena, this book introduces a simple, overarching framework to guide strategy formulation and execution in this data-rich and highly interactive environment. Revealing the revolutionary practices that he and his team have developed at Alibaba, Zeng shows how to: Automate decisions through machine learning Create products informed by real-time data from customers Determine the right strategic positioning to maximize value from platforms and suppliers Repurpose your organization to further human insight

and enable creativity Lead your company's transformation into a smart business With insights into the strategies and tools used by leaders at Alibaba and other companies such as Ruhan and Red Collar, in a variety of industries from furniture making to banking to custom tailoring, *Smart Business* outlines a radically new approach to strategy that can be applied everywhere.
