Infinity and the Mind: The Science and Philosophy of the Infinite is a popular mathematics book by American mathematician, computer scientist, and science fiction writer Rudy Rucker.

Infinity and the Mind - Wikipedia

There is certainly no reason why a nonphysical mind should not be infinite; and Royce's point is that if you believe

that one of the things present in your mind is a perfect image of this mind and its contents, then your mind is infinite. One might try to avoid this conclusion by adopting a circular scale attitude and insisting that there is no difference between the mind and the mind's image of itself, so that the allegedly infinite set of thoughts {image of the mind, image of the image ...
