The Gnostic Mystery. by Randy Davila. An ancient mystery in todays Middle East . . . Jack Staunton, an American businessman, makes a pilgrimage to war-torn Israel in hopes of rekindling his Christian faith.

The Gnostic Mystery | Randy Davila
"The Gnostic Mystery combines the

shrewd detective work of The Da Vinci Code with the mystical illumination of The Celestine Prophecy in one spellbinding story that is sure to shake Western readers to their core, regardless of their religious background. Randy Davila uses fiction to tell the truth—and it is an eye-opening experience."

**Gnostic Mystery - Kindle edition by
Davila, Randy ...**

The Gnostic Mystery read like a research paper on gnosticism converted into a novel form. Davila's source material is good - I've read most of them - but because he failed to research the other side of the issue, the end result is a book that is overly optimistic about its ability to convince the reader.

Gnostic Mystery by Randy Davila - Goodreads

The Gnostic Mystery combines the shrewd detective work of The Da Vinci Code with the mystical illumination of The Celestine Prophecy in one spellbinding story that is sure to shake Western readers to their core, regardless of their religious background. Randy Davila uses fiction to tell the truth—and it is an eye-opening experience.

Gnostic Mystery by Randy Davila - Books on Google Play

Threaded with the searing realities of today's Middle East, The Gnostic Mystery is packed with historical facts about the

Christian religion. The thrilling mystery makes a compelling case that the origins of Christianity are far different than we believed... until now.

The Gnostic Mystery - Hierophant Publishing

This is not a Da Vinci Code type mystery as it is presented on the cover. It is a fiction book that explains what Gnosticism is and presents Davila's theory of the origins of Christianity. The plot and characters are secondary to Davila's theory and explanations of Gnosticism. Again he should have written a nonfiction book containing these ideas.

The Gnostic Mystery is, without a doubt, one of the best books I have read in ages. I read this book in one sitting (something I have not done in ages). While Davila spins a tale that is both intellectually provoking and historically fascinating, his message is one that acts as a soothing balm for all of us who question the true meaning of our spiritual purpose.
