But in a terrifying twist of fate, the website won't let them stop, and an increasingly sinister game begins, with MementoMori playing the girls off against each other. A pact is a pact, after all. All the Things We Never Knew

Chasing the Chaos of Mental Illness *Seal Press*

Even as a reporter, Sheila Hamilton missed the signs as her husband Michael's mental illness unfolded before her. By the time she had pieced together the puzzle, it was too late. Her once brilliant, intense, and hilarious partner was dead within six weeks of a formal diagnosis of bipolar disorder, leaving his nine-year-old daughter and wife without so much as a note to explain his actions, a plan to help them recover from their profound grief, or a solution for the hundreds of thousands of dollars in debt that they would inherit from him. *All the Things We Never Knew* takes readers from Michael and Sheila's romance through the last three months of their life together and into the year after his death. It details their unsettling descent from ordinary life into the world of mental illness, and examines the fragile line between reality and madness. Now, a decade after Michael's death, Sheila and her daughter, Sophie, have learned the power of choosing life over retreat; let themselves love and trust again; and understand the importance of forgiveness. Their story will resonate

with all those who have loved someone who suffers from bipolar disease and mental illness.

Things We Never Got Over

All the Things We Never See *Undertow Publications*

Distilled through the occluded lens of weird fiction, Michael Kelly's third collection of strange tales is a timely and cogent examination of grief, love, identity, abandonment, homelessness, and illness. All cut through with a curious, quiet menace and uncanny melancholy. Advance Praise for *All the Things We Never See* "The stories in

Michael Kelly's *All the Things We Never See* balance on the delicate knife edge of the weird, taking place at the moment of incision, just before the blood rushes to the cut. Full of quiet menace and strangeness, with characters bound into odd relationships both to the world and themselves, relationships they themselves often fail to understand, this is weird fiction at its finest." -- Brian Evenson, author of *Song for the Unraveling of the World* "Michael Kelly's sharp collection of uncanny stories will leave you questioning your relationships, your identity, and reality itself. These stories dig between your ribs and place a cold finger on your heart." -- Paul Tremblay, author of *The Cabin at the End of the World*, and *A Head Full of Ghosts* "After having nurtured a sterling reputation as a curator of weird fiction, Michael Kelly here reminds us that he's one of its best practitioners, too. *ALL THE THINGS WE NEVER SEE* is eerie and unsettling in the best ways, subverting reality and turning it back on itself, questioning the very earth under your feet. In the end, you're left not scared so much as uncertain, even vulnerable--your throat exposed to unseen forces." -- Nathan Ballingrud, author of *Wounds*, and *North American Lake Monsters* "Like a cottonmouth sleeping under a silk sheet, there's something unsettling under the surface of Michael Kelly's stories--and once these tales sink their fangs into you, as they did into me, you'll find the venom is strangely addictive." -- Craig Davidson, author of *The Saturday Night Ghost Club* Michael Kelly is the former Series Editor for the Year's Best Weird Fiction. He's a Shirley Jackson Award-winner, and a World Fantasy Award nominee. His fiction has appeared in a number of journals and anthologies, including *Black Static*, *The*

Mammoth Book of Best New Horror 21 & 24, Supernatural Tales, Postscripts, Weird Fiction Review, and has been previously collected in *Scratching the Surface*, and *Undertow & Other Laments*.

Never Have Your Dog Stuffed

And Other Things I've Learned
Random House

He’s one of America’s most recognizable and acclaimed actors—a star on Broadway, an Oscar nominee for *The Aviator*, and the only person to ever win Emmys for acting, writing, and directing, during his eleven years on *M*A*S*H*. Now Alan Alda has written a memoir as elegant, funny, and affecting as his greatest performances. “My mother didn’t try to stab my father until I was six,” begins Alda’s irresistible story. The son of a popular actor and a loving but mentally ill mother, he spent his early childhood backstage in the erotic and comic world of burlesque and went on, after early struggles, to achieve extraordinary success in his profession. Yet *Never Have Your Dog Stuffed* is not a memoir of show-business ups and downs. It is a moving and funny story of a boy growing into a man who then realizes he has only just begun to grow. It is the story of turning points in Alda’s life, events that would make him what he is—if only he could survive them. From the moment as a boy when his dead dog is returned from the taxidermist’s shop with a hideous expression on his face, and he learns that death can’t be

undone, to the decades-long effort to find compassion for the mother he lived with but never knew, to his acceptance of his father, both personally and professionally, Alda learns the hard way that change, uncertainty, and transformation are what life is made of, and true happiness is found in embracing them. *Never Have Your Dog Stuffed*, filled with curiosity about nature, good humor, and honesty, is the crowning achievement of an actor, author, and director, but surprisingly, it is the story of a life more filled with turbulence and laughter than any Alda has ever played on the stage or screen.

I Am Perfect *Lubybuby*

A song book that highlights that inside everyone there is a perfect and loving heart, and that if we uncover our perfection and recognise it in others we can change the world for the better. The song takes you through the personal journey of a little monster who discovers his self worth is not defined by his physical characteristics or by the definitions placed on him by others, but by how he allows his light and love to shine. Once he understands his own value he is able to see the perfection in others even when they are hurtful. He then goes on to show that if we all recognised the perfection in each other and acted from a place of love we can change the world to a better place. "Let us live the perfection that we are and uncover ourselves to shine like a star. Our potential never stops to spread love

on this earth, it is why we are here, it is the reason for our birth."

Things I'll Never Say Out Loud

Poetry was the only thing I could write/say as my world collapsed

underneath my feet. These poems showcase every emotion I was feeling as I attempted to stitch my life back together when all i wanted was to feel heard and understood.
