The Practice of Statistics by Daren S. Starnes

1 Review. The Basic Practice of Statistics has become a bestselling textbook by focusing on how statistics are gathered, analyzed, and applied to real problems and situations—and by confronting student anxieties about the course's relevance and difficulties head on. With David Moore's pioneering "data analysis" approach (emphasizing statistical thinking over computation), engaging narrative and case studies,

current problems and exercises, and an accessible level of mathematics, there is ...
