How Degrees of Reading Power Works. Degrees of Reading Power® is a quick, simple measure of literacy skills, meant to measure a student’s comprehension of text passages.While many other assessments test reading “skills,” like phonetics, vocabulary, and mastery of sentence structure, DRP measures a student’s overall ability to comprehend and critically absorb passages of text.

person’s life. Author Louis Sachar knows a thing or two about that: In college he signed up for a job as a teacher’s aide at an elementary school because he thought it sounded easy. As it turned out, the time Sachar spent working with the kids at Hillside Elementary School in California inspired him to try writing children’s books.
