Awaken The Giant Within by Tony Robbins is my favourite personal development book. The information provided by Tony is truly life-changing IF you actually apply it. Without applying the education on yourself, you don't change, the book sits on your shelf collecting dust, and you missed out on a life-changing opportunity.

Here's what you should know about me... I have a ton of respect for Tony Robbins. I've read (or listened to) several of his books. I'm amazed by what he does (I recently shared how he gets 1 million visitors per month), and wanted to experience his coaching in person. A lot of my friends are big TR fans, and they all gave strong endorsements for UPW.
