Export and Import Price Index Manual

An import compliance manual describes the policies and procedures regarding a company's import processes. It is a good method for identifying and organizing a company's procedures in a single location. Having and adhering to an import manual minimizes a company's risk of violations, and mitigates risk if any violations occur.

SUBJECT Import/Export Compliance Best Practices

EXPORT DOCUMENTATION lies at the heart of all international trade transactions. It provides exporters and importers with an accounting record; shipping and logistics companies with instructions of what to do with freight information; and banks with instructions and accounting tools for collecting payments.

Export Documentation: Top 10 Export and Import Documents

This manual describes the import and export facilities available either in R itself or via packages which are available from CRAN or elsewhere. Unless otherwise stated, everything described in this manual is (at least in principle) available on all platforms running R.
