First written in 1958, Bishop Fulton J. Sheen's Life of Christ is a walk through the events of, well, the life of Christ. It is classic Sheen – simultaneously erudite and approachable, orthodox without being overbearing. One of the great

beauties of this book is that it is unapologetic. By that I mean not that it does not defend the Catholic faith, but rather that it does so with the easy confidence so typical of Bishop Sheen.
