Unfortunately, it is quite difficult to present the deepest truths that emerge from the kind of personal struggle that existential phenomenology demands without thereby inadvertently supplying the public with another leveled-down formula to bandy about, a familiar catchphrase (like “language is the house of being”) that quickly becomes a superficial substitute for the insight it bespeaks.

Heidegger's Aesthetics (Stanford Encyclopedia of Philosophy)

Fanon's contribution to phenomenology, glossed as a critical race discourse (an analysis of the pre-conscious forces shaping the self that organizes itself around race as a founding category), most particularly his exploration of the existential challenges faced by black human beings in a social world that is constituted for white human beings, receives its most explicit treatment in Peau ...
