The Great American Novel (676 books) - Goodreads

The Great American Novel is, without a whisper of doubt, literature's most

elusive (some even say mythical) beast. For 150 years, since the novelist John William De Forest first coined the term, the argument over what constitutes a GAN has rumbled on and on. For De Forest, the job of the GAN was to "paint the American soul" and provide a "picture of the ordinary emotions and manners of American existence".
