Craftsman LT2000 - Tractor Review

The controls that are on the seat of the Craftsman LT2000 particularly helps to create a better look that fits in right and allows for a little more control as needed. This design is made with a body that features a blade engage lever on the back right part plus a shift lever on the left back area. These are ergonomically positioned to make the setup easy to manage and control for the goals that one might have when making such a setup ready and easy to work with.
