The Essence

In philosophy, essence is the property or set of properties that make an entity or substance what it fundamentally is, and

which it has by necessity, and without which it loses its identity. Essence is contrasted with accident: a property that the entity or substance has contingently, without which the substance can still retain its identity. The concept originates rigorously with Aristotle, who used the Greek expression *ti ên einai* or sometimes the shorter phrase *ti esti* for the same ...
