Auschwitz Survivor 31321: A Memoir

First One In, Last One Out

Auschwitz Survivor 31321 Createspace Independent Publishing Platform

While growing up in New York, Marilyn Shimon often visited her uncle in California. She saw his scars, gaped at his "31321" tattoo, and listened to his horrific stories of the Holocaust. However, she could not relate to the suffering he endured or understand the significance of his accounts-until now. In this grisly memoir, Marilyn resurrects Murray Scheinberg's stories of six hellish years in Nazi concentration camps during World War II. The Polish Jew was one of the first eight men to enter Auschwitz, as a political prisoner in 1940, and one of the last to escape Dachau. Rejected by a publisher in the 1960s because of its incredible details, this true story, finally available to the public, will shock, horrify, and touch readers. Abraham H. Foxman, national director emeritus at the Anti-Defamation League, says of the book: "First One In, Last One Out: Auschwitz Survivor 31321 is a harrowing tale of endurance, luck, egotism, and morality, one man's story of survival in the face of Nazi brutality and anti-Semitism. Murray Scheinberg's memoir of survival through the Nazi Holocaust symbolizes man's determination to live no matter the odds. But it also represents the degradation of the human spirit imposed on the Jews of Europe by the evil Nazi machine. It is both an uplifting tale and a sorry one about human nature in the face of evil." "A magnificent telling of a moving and heartfelt story." --Ira Hochman, Friendly Visitors Program/Holocaust Survivors "I am moved to tears beyond what I can express. This is an exceptionally incredible story and the author's writing is extremely moving.The story is a testament of life and will teach future generations that good triumphs over evil." --Ruth Baran Gerold, child of Holocaust survivors "The author brilliantly wrote about her uncle's life throughout the Nazi regime. She successfully engages the reader in the emotions and drama of this horrific period.This is a must-read-page turner." --Larry Klass, Retired Veteran-US Army "It is a powerful and compelling story that should be promoted in schools and read by all." --Faye Kilstein, child of Auschwitz survivor

To My First And Last One Night Stand J.S. Cooper

To Marco (No, I'm not going to add Polo), Last night was a mistake. A big mistake. Or should I say small? I don't want to hurt your ego. I should have listened to your sister. You're insufferable and rude and far too cocky. Don't worry. I won't be telling anyone what happened because as far as I'm concerned it never did. Please stop calling me. I do not need to come and collect my bra from you. Or the t-shirt you lent me to sleep in when I got cold. And no, that one act doesn't make you a

gentleman. Far from it. Also, I do not need to have your smell near me to fall asleep. In fact, your shirt does the opposite. It gives me nightmares. Millie P.S. No, I do not want a repeat of last night at my office. I don't care if that's your fantasy or not. Stop texting me your fantasies, by the way. P.P.S. The texts I sent you this morning were drunk texts. I was still hungover. Do not construe them as anything else. P.P.P.S. Could you have given me any more love bites? There was no need to "mark your territory" because I am not yours!

Undisclosed (Undisclosed, Book 1) Createspace Independent Pub

Seven billion people on earth; it was only a matter of time before you discovered the truth. Your legends--your myths and religions--have called us by many names. Since the beginning, our kind has walked among you as your protectors. We are the only ones who know who you are and why you are here. He wasn't meant to disappear; you weren't meant to know why. Our objective was clear: hunt them, kill them and leave. Once you know, there will be no going back. They will come for you. Are you ready?

The Last Legend

Awakened Createspace Independent Publishing Platform

A heavenly shade of blue was always in her eyes and her innocent smile captured the hearts of many. But even a beautiful smile can cover the ugliest of things. Who would've ever known that the beautiful and loving Princess MARRISA would fall victim to a very dark and hostile scheme, conjured up by something that is as old as time? No one did—not even Tairren, who was one of MARRISA's dearest friends. Overtaken by MARRISA's beauty and charm, Tairren was very much in love with her and would do anything for her—even if that meant facing the overwhelming powers of darkness... It was on MARRISA's long awaited sixteenth birthday, her engagement to Prince Phillip and the day before her enthronement to the kingdom of Ishkar, when it happened. When MARRISA is abducted by someone she had always trusted, she is forced into the Forbidden Lands of Minslethrate and awakens upon a plot that would shake the world. With the company of his very different comrades, the unconventional Lady Natalia and the arrogant Prince Phillip of Ishkar, Tairren travels across the uncertain lands of Minslethrate to rescue MARRISA. They begin to realize that their precarious situation is dealing with more than just a kidnapped princess—that's just the beginning... They must trust in the unseen God of Light and have faith in a legend that they don't even understand. While their beloved princess awaits a terrifying fate, they must become awakened by light if they are to face their own dark quest... Prophecy stirs, blood spills, light burns and darkness screams—revealing The Last Legend...

Bow Tie. The First Manuscript of the Richards' Trust W.J. Cherf

Not until the evidence was uncovered by tomb robbers in the 1870s would we have ever known. Then with the discovery of Tutankhamen’s tomb in the 1920s, even more hints beckoned readily at hand. But as with so many things in life, critical clues often go unnoticed until science, accident, and intrigue collide. That collision was initiated by a Polish archaeologist who received permission to collect DNA samples from a group of royal mummies at the Cairo National Museum in 1973. A tragic victim of the Yom Kippur War, his samples sat dormant gathering dust until they were found and processed in 1998.Meanwhile during the early 1970s an international team noticed, while x-raying the same mummy collection, some extremely unexpected physiological details among several of them. As with the radiological data, the chromosomal evidence proved to be equally disquieting. When taken together, they argued for the introduction of a unique genetic anomaly into the human genome during the Egyptian late Eighteenth Dynasty. The source was extraterrestrial.Bow Tie chronicles how an international scientific effort resolved the situation by using a most unusual

means for prosecuting a most unscrupulous task – time travel and murder.This is the first manuscript published by the Richards’ Trust in accordance with the posthumous wishes of Egyptologist Joseph William Richards, Ph.D.

One Last First Date

A Romantic Comedy of Love, Friendship and Cake *Createspace Independent Publishing Platform*

Cassie Dunhill and her friends make a pact to marry the next guy they each date. What could possibly go wrong? Cassie Dunhill is sick of dating. It's been ten years and it's time, time to find The One. It's either that or buy a fetching habit and veil and abandon the whole thing. But Cassie believes in love, and she's not ready to give up yet. Cassie and her best friends make a pact that the next date they go on will be their One Last First Date. The pressure is on to find Mr. Right, and Cassie's the first to find him: Parker Hamilton. He's good-looking, smart, cultured--and a doctor. Despite his obvious credentials, Cassie's not taking any chances. She's vetted Parker so thoroughly she could offer some pointers to the CIA. Needless to say, he passes with flying colors. Things get complicated when Will Jordan, her irritating work colleague, muscles in on her dream job and her love life. Will is a typical guy, complete with nicknames for everyone, even Cassie. His good looks and relaxed, easy nature can be distracting. But Cassie can do without that kind of distraction right now, no matter how good Will looks with his shirt off. In the end, is there only One Last First Date?

Me First

A Deliciously Selfish Take on Life *Three Ducks in a Row Publishing*

Have you ever thought about what your life would be like if it revolved around you? Me First: A Deliciously Selfish Take on Life is an unapologetic and hilarious perspective on what it takes to get to the top and to live life on your own terms. Before making any big decision such as getting into a relationship or choosing a career path-you will start with the most important question: What do I want? The second question you will ask is: How does this decision, action, or choice benefit me directly? If it's not what you want or does not benefit you directly, don't do it. At the heart of Me First is the belief that YOU deserve to be happy and fulfilled. Its "Delish-isms" will show you how to become the number one priority in your life and become smarter and more strategic about your relationships, career, health, and finances. Every chapter also contains "Kick Starters" to help you get moving in the right direction. How selfish, right? Absolutely! A deliciously selfish life means taking a step back from the craziness to figure out who you are and what you want, and once you do, to own it. Because the only person holding you back from getting what you want is you.

Those Who Remain

A Zombie Novel *CreateSpace*

Hide your children, lock your doors, and load your guns because zombies are real and they are coming. Danny Terrence knows this better than anyone. He spent months preparing for the inevitable moment the disease would reach his small town. What he didn't prepare for is the fact that nobody really believes him. Luckily for him, an old classmate and bully just happens to be the first one bitten. The bad news is that the family with the biggest arsenal of guns just packed up and left town, leaving them defenseless from an oncoming zombie horde. Being a leader isn't turning out the way Danny imagined. Yet four other survivors easily have it worse than him. Between a thirteen-year-old girl on a road trip from hell, a family of paranoid hunters having to deal with their feelings for the first time ever, a stubborn doctor butting heads with a cold-hearted sergeant and an amoral British professor carrying the fate of humanity in his hands, Danny has it easy. Unless, of course, they all end up in his town, messing with his already messed up life. Follow these five people as their paths cross and their lives and hopes are challenged in this thrilling novel. Those Who Remain: Book One is part of a trilogy.

Last and first men : a story of the near and far future

Misery Loves Company Ver. 2

Upon This Rock

Book 1 - First Contact *Stack of Firewood Press, A*

An epic new science fiction series about faith, family, and alien invasion in the wilds of Alaska. When a shooting star plunges through the atmosphere and touches down in the Alaska wilderness, only two earthlings are present to witness the event. But they perceive two utterly different realities. What park ranger Jace Kuliak sees is a UFO and the arrival of a dangerous alien species from beyond the solar system. What Poppy Prophecy sees is the star called Wormwood, as recorded in Scripture, and the arrival of an archangel of the Apocalypse. The thing is -- they're both sorta right. Poppy Prophecy is the despotic patriarch of a large End-Times prepper family that is busily converting a depleted copper mine into its own private doomsday bunker. Their copper mine is a century-old relic from territorial days when East Coast robber barons ruled Alaska and plundered its mineral wealth. Today the abandoned mine sits in the middle of the largest, wildest, most majestic national park in the United States. But Poppy isn't impressed by mere earthly beauty, and he doesn't mind bulldozing federal land when it suits his purposes. Backcountry Ranger Jace Kuliak does mind, and he and fellow rangers confront the fundamentalist family in an armed standoff over the construction of an illegal airstrip. It doesn't help matters when Ranger Kuliak falls hopelessly in love with Poppy's second daughter, the lovely, innocent, and totally clueless Deuteronomy. An uneasy truce between the Prophecys and the park service is shattered when the falling star lands in their backyard and is claimed by both sides. What is it? Who is it? Better yet, of all the pit stops on all the planets in all the galaxies, why did the Visitor choose this particular rock to screw with?

Because you see, his dream girl has secrets of her own...like the fact she isn't even human.

The Accidental Caregiver

How I Met, Loved, and Lost Legendary Holocaust Refugee Maria Altmann *Balboa Press*

"From the most unlikely of unlikely romances comes a deeply felt, touching, humorous exploration of what love and age mean in today's world. I can't recommend this book highly enough." -- Stan Evans, Emmy-award winning writer, and author of Box of Mustaches When thirty-two-year-old actor Gregor Collins reluctantly interviewed for a job as a caregiver more out of a favor to a friend - he had no idea his life was about to change forever.Seconds into the chance meeting in 2008 with, it would turn out, a world-renowned Holocaust refugee named Maria Altmann, there was an unexplainable magic in the air - it felt as if they had already met. And Collins was suddenly thrown into a situation with which he had never before been confronted: caring for someone other than himself.Gregor offers us a personal and unprecedented look at Maria over the three intimate years he cared for her - her thrilling escape from the Nazis, her fight and subsequent win in the landmark Supreme Court Case to return original Gustav Klimt artwork that belonged to her family in Austria, and the extraordinary people she met along the way. But the real heart of the story transcends mere historical facts.Through a refreshingly raw portrayal of their unlikely and unbreakable bond, imbued with humorous, candid anecdotes about his mercurial relationship with Hollywood, Gregor takes us on a deeply emotional journey of how he opened up his heart to a 92-year-old woman in need - and in turn experienced the love he had been searching for his entire life.

The Carbon Trap *CreateSpace*

Environmentalists worry about too much carbon dioxide, but what's too little? What if global financiers manipulated the global warming crisis to gain control over humanity's resources, freedoms, and population? What if someone with the financial and technical abilities decided mankind was a virus and used carbon dioxide trapping technology to plunge population levels by crashing life-essential CO2 to new lows? These are questions Anna Picard must face in The Carbon Trap, the first book in The Carbon Series. At the height of the global warming crisis, the United Nations attempts to control all carbon emissions, and authorizes a series of programs it deems necessary to save humanity. A progressive US government enthusiastically endorses the UN Carbon Trapping program, and to help pay for it, will impose carbon taxes, draconian regulations, and... it will secretly sell Alaska. Anna Picard is an amoral fixer, an employee of Agenda 21 member and global financier Alexis Swanson had trained to help recruit his corporate army and neutralize his enemies. It is her job to unleash a global hacker network to help destroy the carbon based industries and funnel insider-trading profits to Swanson. One of her recruits is Dr. Sven Johansson, a brilliant geneticist and President of Snath Biotechnology, who designs life forms to trap CO2. But Sven has more ambitious plans. At a UN conference in the Maldives held to impose draconian carbon regulations, not everyone is happy, some industrial executives realize data has been falsified. To protect her scheme, Anna frames one of the execs for murder. Her plans are complicated when she falls in love with Dr. Pete Heyward, the son of the man she framed for murder. Pete is a US Marine amputee who sees past her malevolent deeds and tries to rejuvenate the morality of her youth. After a series of genetically modified carbon trapping life forms is unleashed upon the Earth, Anna

must confront the evils she helped unleash, and prevent an even bigger disaster from unfolding that would destroy most life on Earth. This is a high-tech ecological thriller that takes the reader from the Maldives, to the French Riviera, and the heartland of Texas. It introduces cutting edge technologies and concepts, used for the first time in a novel, that reveal striking implications for society.

Visit spearheadbooks.com and christopherhopper.com today! DESCRIPTION: Read the story that turned children into warriors, and warriors into legends. The Dairne-Reih haven't been seen in Dionia for generations-their kind and their king, Morgui, banished long ago from haunting paradise. But when creation shows signs of deterioration, the kings of the seven realms converge in the sacred Gvindollion gathering to arrive at one inexplicable conclusion: Morgui has returned. In the hopes of entrusting Dionia's brave history and perilous future to a generation that has never known war, the kings decide to raise up their young sons as an elite group of warriors, known only as the Dibor. Gorn, legendary hero of the First Battle, is commissioned to teach the Dibor the art of war, leading them on a four-year adventure on the Isle of Kirstell. It is Luik, son of Lair, who soon emerges as the warband's spirited front man. But he is not the only one of his peers to grow in power; his dear friend Fane discovers hidden abilities among the Mosfar under the mentorship of Li-Saide of Ot, while Princess Anorra finds that her lifelong tutor knows as much about combat as he does about etiquette. There is little time for the Dibor to enjoy the satisfaction of graduation, however, as a sinister plot is discovered to dethrone Dionia's kings and flatten the capital city of Adriel. The Dibor are summoned to war, along with the rest of Dionia's fighting men. It is before the gates of Adriel Palace that Luik and his army face Morgui's prince, Valdenil, as well as the unending ranks of the Dairne-Reih.

Return of the Eagles Createspace Independent Publishing Platform

Mark L. Richards's Legions of the Forest painstakingly crafted the world of AD 9 under the Roman Empire. He invites you back to ancient Europe in his sequel, Return of the Eagles. In the Teutoburg Forest, three Roman legions are ambushed and killed under the orders of Arminius, the leader of a united confederation of German tribes. It is a political disaster for Rome and a personal one for Tribune Valerius Maximus and Centurion Marcellus Veronus, two of the few survivors of the attack. Both are given an opportunity to take their revenge on the barbarians. It's an opportunity given by Germanicus Caesar, a rising star of the empire and nephew to Emperor Tiberius. As Germanicus begins raising an army, Valerius immerses himself in the German language and customs, and Marcellus trains soldiers in the ways of their enemies. While Valerius and Marcellus understand the ambush tactics of their adversaries, many of the army's senior leadership underestimate the barbarian tribes. Valerius and Marcellus are not the same men they were in Legions of the Forest. Will their newfound experience, strength, and spirit be enough to lead Rome to victory? Or will they once again fall prey to the German barbarians?

Heaven Ride

Book One: Sojourn of Souls

HEAVEN RIDE is a techno-thriller about two loyal friends who unlock secrets of the human soul and invent a device that ejects the soul and long-term memory on its path to heaven, and then brings it back. The "Pod" enables them to build Heaven Ride into the most lucrative empire the world has ever known, until ruthless rivals embark on a campaign of deceit, treachery and betrayal to wrest it away for their own insidious plan. This quandary of science and morality may change the way you think about heaven and the afterlife ... FOREVER. * * * David Brownington, a brilliant entrepreneurial mastermind with a leading business incubator, comes in contact with a mysterious gadget that measures wavelengths never seen before. His close friend, JW Gomez, a third-year Ph.D. candidate, supercedes the boundaries of his doctoral studies using a bio-pod that creates out-of-body experiences. Driven by memories of his little brother who perished in a gruesome accident as a child, JW's extra-curricular studies of sudden traumatic death lead to the astonishing discovery of the human soul. When David and JW merge these devices, they stumble upon the highway to heaven. Each of them falls in love as their miraculous invention takes the world by storm. Millions make the trip. As Heaven Ride prospers, its repercussions ripple throughout society. Protests, bombs and kidnappings threaten to shut it down, posing risks to David, JW, their friends and families. Long after Heaven Ride becomes a household word, startling revelations put David and JW in the crosshairs of dangerous men seeking ultimate power. With HEAVEN RIDE, John Eccleston and Kerry Gleason have woven an intense tale of ambition, success, friendship, betrayal, greed and corruption. It's an intricate and interesting tale of mankind's most startling invention, and technology gone awry.

A Traitor's Fate

During the Wars of the Roses, peace never lasts... It is 1464. Ned Elder and his two sisters, Emma & Eleanor, have won a hard-fought peace and their feud with the Radcliffes seems long over, but one man never accepted the outcome. After three bitter years of waiting to destroy the Elders, a new ally provides him with a fresh opportunity for revenge. When Ned is summoned to confront a Lancastrian revolt by the new king, Edward of York, he finds his enemies are not just amongst the ranks of the rebels. Branded a traitor by his own commander, the Earl of Warwick, Ned is soon a wanted man in hostile territory and the price on his head only rises when he stumbles upon a royal secret. Meanwhile, Eleanor and Emma watch over Ned's pregnant wife, Amelie, with only a small garrison of old men and boys to protect them. The feud may have ended, but the scars run deep for all three women and they must hold their nerve and prepare to defend themselves at any cost. A condemned man, Ned must find a way to escape his pursuers or else the whole Elder family will be destroyed.

Lomita's First Church... A Century Remembered

How One Congregation Lived Through the Changing Decades of the 20th Century and Grappled With the Political, Economic, Religious and Social Justice Is Createspace Independent Publishing Platform

Lomita's First Church . . . A Century Remembered recounts the history of St. Mark's Presbyterian Church which began as a Brethren Mission in 1907. As the narrative moves through the decades, it stops along the way to highlight the work of the ten major pastorates, each with its own unique challenges. The story is told from the perspective of the elders who, as pastors came and went, kept the focus on Christ, church and community.

FIRST AND LAST THINGS (4 Books in One Edition)

A Confession of Faith and Rule of Life e-artnow

First and Last Things is a 1908 work of philosophy by H. G. Wells. Its main intellectual influences are Darwinism and certain German thinkers Wells had read, such as August Weismann. The pragmatism of William James, who had become a friend of Wells, was also an influence. Herbert George Wells (21 September 1866 – 13 August 1946), usually referred to as H. G. Wells, was an English writer. He was prolific in many genres, writing dozens of novels, short stories, and works of social commentary, satire, biography, and autobiography, including even a book on war games.

The First One Is Free

A John Macpeace Novel iUniverse

John MacPeace, AKA Johnny Dodger, is just an accident waiting to happen-or at least that's how it seems to those around him. Incidents just seem to occur whenever and wherever he happens to be. It has been that way as long as John can remember. Johnny has been dragged back home to his small Indiana town, a place he thought he would never see again, and finds himself in a life and

death struggle when he agrees to do a small, albeit shady, delivery job for a man he never liked and often fought. But money being money and John without any, he agreed to take the gig only to find out he has been duped and is now set up as the patsy to take the fall by his hated nemesis. He does his best to solve a case that the local police are sure has Johnny Dodger's name written all over it. As if those weren't enough problems for John, his long-lost girlfriend, Ellie Stomperheim, has reasserted herself into his life and has decided to assign herself as his partner while she is on summer break from her teaching job. Thomas Magnum he is not. 'A very funny novel. J.B. Purdy is Indiana's modern-day Mark Twain." David D. Hale, Visiting Defense Fellow, Centre for Policy Studies, Queen's University, Kingston, Ontario, Canada. 'Johnny Dodger is an irresistible cad-and I love him for that!" Karen Burden, Tucson, Arizona. 'Once I started this book, I couldn't put it down!" Cindy Pierce, Terre Haute native.

The First Twenty-One *AuthorHouse*

Many years ago, probably around thirty or forty, I used to relate to friends and family some of the happenings to me when I was very young and when I was growing up, and they seemed amazed that I was able to remember so far back and also in such detail. Now to me it seemed normal, as I

Ive always thought that when one has some sort of incident or situation that is profound in its entirety, then it is impressed into the brain. Whether it is something traumatic or joyful, it stamps itself into your memory bank. So as Ive said, I was always being asked to try and write down my memories of certain times in my childhood and youth, but of course, the biggest drawback was finding the time to be able to do it when you have a family and are engaged in earning a livingwhich was, of course, the priorityand other things took precedence.

The First One *Tawdra Kandle Romance*

Welcome to Burton, a small town just west of Savannah where the men are sexy, the women are sassy and happily-ever-afters are a specialty of the house. Ali Flynn Evans was my high school sweetheart. Eager to see the world and leave behind our small Georgia hometown, we planned for an exciting new life together after we finished school. But on graduation day, only one of us hit the road. I spent the next eight years working hard, raising a daughter and helping my brother keep our family farm alive. Thinking about Flynn and what might have been is a pain I avoid at all costs. . .even when it's impossible to forget. Flynn Eight years after I left, an unexpected loss brings me home again. Those plans Ali and I made so long ago? Yeah, I've made most of them a reality. But I did it alone. When my return to Burton comes with a big surprise in the form of a daughter I didn't know about, everything in my world is turned upside down—including my bitterness toward Ali. Finding our way back to each other will open old wounds and stir up memories as we learn that maybe our first love is worth a second chance.
