Person-centred Therapy and CBT

Siblings not Rivals *SAGE*

Why do I need to learn about CBT and/or the Person-centred Approach? What can these techniques contribute to my counselling training and practice? This book has some of the answers, showing humanistic, CBT and integrative therapists how to get to grips with each other's approaches. CBT has become more fully present in the therapeutic landscape and therapists from other modalities are increasingly being required to understand or even train in the approach. Responding to this growing pressure for change, Person-centred therapist Roger Casemore joins forces with Jeremy Tudway. Together they show how counsellors can respect and value each other's approaches by more clearly understanding the similarities and differences in theory, philosophy and practice. They clarify how therapists draw upon this knowledge in their practice without betraying the values of their core approach. This book is recommended for anyone studying Person-centred or CBT modules on counselling & psychotherapy courses, or experienced practitioners wishing to adapt their practice for NHS settings. Roger Casemore is currently an Associate Fellow in Lifelong Learning at the University of Warwick and has a private practice as a therapist and supervisor of other therapists, based in Worcester. Treasure of the Castilian Or Spanish Language *New Directions Publishing Corporation*

Sebastián de Covarrubias's famous Treasure of the Castilian or Spanish Language was first published in 1611, only two years before the author's death. A contemporary of Cervantes, learned in Hebrew and Arabic languages, Covarrubias wrote his encyclopedic dictionary to explore the heterogeneous origins of words and their hidden connections to the moral, transcendental, and everyday meanings of the world. Here, the translator Janet Hendrickson has dived deep into this influential, pre-Enlightenment text to cull a coherent, poetic selection of Covarrubias's pioneering work.
