Guidelines Writing Short Story

The story and the short story are not the same thing. The former is just a story, we tell them all the time. The latter is an art. The first step to writing a short story is to write the former, the story, that version of the story that you would tell a friend. And when you write it, be sure to write it in one sitting. Just tell the story. Don't think about it too much, don't go off to do more research, don't take a break.
