 From the author of the critically acclaimed "lively and engrossing parable for women of all generations" (Harper's Bazaar) *The Regulars*, comes a deeply funny and thoughtful tale of a young woman who embarks on an

unforgettable bucket list adventure. Twenty-five-old Lacey Whitman is blindsided when she's diagnosed with the BRCA1 gene mutation: the "breast cancer" gene. Her high hereditary risk forces a decision: increased surveillance or the more radical step of a preventative double mastectomy. Lacey doesn't want to lose her breasts. For one, she's juggling two career paths. Secondly, small-town Lacey's not so in touch with her sexuality: she doesn't want to sacrifice her breasts before she's had the chance to give them their hey-day. To help her make her choice, she (and her friends) creates a "boob bucket list": everything she wants to do with and for her boobs before a

possible surgery. This kicks off a year of sensual exploration and sexual entertainment for the quick-witted Lacey Whitman. The Bucket List cleverly and compassionately explores Lacey's relationship to her body and her future. Both are things Lacey thought she could control through hard work and sacrifice. But the future, it turns out, is more complicated than she could ever imagine. Featuring the pitch-perfect "compulsively delicious" (Redbook) prose of *The Regulars*, The Bucket List is perfect for fans of Amy Poeppel and Sophie Kinsella.

Author What's a flirt? I think of them as episodes of a weekly TV show. Same familiar location and lead actor with guest stars, and of course cameo appearances of the Aloha cast. These short story Flirts have been so much fun to write. I hope you enjoy seeing the main characters from the series pop in from time to time as much as I do. It's always fun to see a snippet of their lives between books. If you haven't read the rest of the Aloha Series, you're in for a treat. Full length novels about active duty and former navy men and the women and family they love and care about. Some have a little humor, others a little mystery, but all have a lot of heart.
