The Perilous Life Of Jade

The Perilous Life of Jade Yeo is a novella
about a young reporter's misadventures

in England and beyond in the 1920s. It has strong romantic elements, which doesn't always work for me, but I picked it up based on very strong reviews from readers who, like me, aren't really romance readers. The results were pretty fun.

The Perilous Life of Jade Yeo by Zen Cho - Goodreads

The Perilous Life of Jade Yeo is short and funny and touching, all told through her journal entries. It just felt very much like a story by a woman for other women. The male characters, both good and bad, are only given context in relation to Jade, and the story focuses primarily on her growth as a young adult trying to establish her sense of self.

Jade is a woman with plans for her life, plans which her parents would find distressing if not scandalous. But she is determined to live the life she wants, and if she can survive having written a highly critical review of a well-received writer's latest book, she just might get what she wants.

The Perilous Life of Jade Yeo on Apple Books

The Perilous Life of Jade Yeo, Zen Cho I don't usually get on well with books that are meant to be funny, or books described as satirical, but The Perilous Life of Jade Yeo was great fun. Jade (or Geok Huay, but Jade is a translation and the name she uses in Britain) has a great

voice: it took me ages to decide what it reminded me of, until I saw someone else mention I Capture the Castle .

Review - The Perilous Life of Jade Yeo - Nicky @ The ...

The Perilous Life of Jade Yeo is a 23,000-word self-published historical romance novella. It is told in the eponymous heroine's diary entries and is basically Bloomsbury Group fanfic. It has no fantastical content at all, save insofar as it is a happy fluffy story about a single non-white woman at large in 1920s London. For struggling writer Jade Yeo, the Roaring Twenties are coming in with more of a purr — until she pillories London's best-known author in a scathing review.

The Perilous Life of Jade Yeo | Zen Cho

For writer Jade Yeo, the Roaring Twenties are coming in with more of a purr--until she pillories London's best-known author in a scathing review. Sebastian Hardie is tall, dark and handsome, and more intrigued than annoyed. But if Jade succumbs to temptation, she risks losing her hard-won freedom--and her best chance for love.
