American Lobotomy A Rhetorical History

American Lobotomy studies a wide variety of representations of lobotomy to offer a rhetorical history of one of the most infamous procedures in the history of medicine. The development of lobotomy in 1935 was heralded as a "miracle cure" that would

empty the nation's perennially blighted asylums. However, only twenty years later, lobotomists initially praised for their "therapeutic courage" were condemned for their barbarity, an image that has only soured in subsequent decades.
