Home Theater Projector Buyers Guide | Projector People

There are over 2000 projectors currently on the market so buying a projector for your business can be a daunting task. This buying guide will help you find the right projector for your conference room or meeting.

How to buy a projector

A projector may be best thought of as an inverted camera, spitting light out of a lens rather than receiving it. For the sake of this buying guide, we will be considering digital projectors—that is, projectors with video inputs that serve a similar function to a TV or computer monitor while offering several benefits, which may include:
