In terms of guerilla comedy we often do pranks or improvised sketches in public places where we need to capture sound and video covertly in order to not give the game away, the Zi8 is great for this because it's easy to conceal, its form lends itself to just slipping it into a pocket with the lens sticking out over the top, we have also done pranks where a remote performer is wired to a radio mic & the Zi8 captures the audio and video from a distance away via a plug-in radio mic receiver
