Juggernaut is the second novel in the Ixan Prophecy series by author Scott Bartlett. If you enjoyed the first book then check out this engaging sci-fi sequel for yourself! Captain Keves always was good at forging alliances. Now he has been successful when it comes to making an alliance- but it may have made him some enemies too.

**Amazon.com:
Customer reviews:
Juggernaut: The Ixan ...**

The Ixan Prophecies series is a little different to your average space sci-fi. There are all the usual tropes: Aliens with a single 'thing' , the lone ship against an enemy fleet, a dedicated group of renegades... etc etc. However, woven through the book is a clever series of interactions and happenings that follow the eponymous "prophecies"..
