Dangerous: Risky Business\Storm Warning\The Welcoming ...

This book contains three of Nora Roberts earlier novels, Risky Business, Storm Warning, and The Welcoming. This book is a REPRINT of the three novels, so be warned if you already own them. The uniting theme is danger, because each of these books contain some sort of mystery, in which there is some sort of danger. Risky Business isn't one of my favorites of the three, but it isn't bad of course.

Dangerous: Risky Business / Storm Warning / The Welcoming

This is a collection of three stories: 1. Risky Business: 1 star 2. Storm Warning: 1/2 star 3. The Welcoming: 2 1/2 stars The truth is, they were all too short to be fulfilling in the suspense department;

150 pages just is not enough time to create a truly scary villain and suspense and romance at the same time.

"Risky Business" is a fabulous tale of romantic suspense.

With characters who readers will root for and a thrilling mystery to solve amidst the romance, this story is sure to captivate and satisfy. "Storm Warning" is by far the shortest story out of the three, but Roberts packs a whole lot of excitement and passion into it.
