The Stock Market. In conversation, media, and the news, it's common to hear talk of "the market," short for the stock market. And while most everyone knows about the stock market, once again, few actually know what it is, how it functions, and what purposes it serves. The stock market is the platform through which shares — or pieces of ownership of a company — are bought and sold by investors; investors who own shares of a company are referred to as shareholders.

The Stock Market - Business English Lesson

Like most professions, the stock market has a language all of its own. Below is some important terminology which you should know. 1. Bull or bear – A bear market is a falling market whilst a bull market is a rising market. Similarly, a speculator who has the view that the market or a specific share will fall in price is referred to as a 'Bear', and one who has the view that the market or a specific share will rise in price is referred to as a 'Bull'.
