The Unworthy Thor (2016 - 2017) | Comic Series | Marvel

Unworthy Thor Vol 1 (2017) Edit. History Talk (0) Share. Publisher: Marvel Comics Type: Limited Series (Solo) Genre: Superhero Featuring: Odinson: Status: Finished

Unworthy Thor Vol 1

(2017) - Marvel Comics Database

The Unworthy Thor is the next chapter in Jason Aaron's ongoing epic Asgardian saga, and it's unsurprisingly great! Since Odinson became unworthy, he hasn't been around much, so this mini-series was desperately needed. The series follows him and Beta Ray Bill to the Old Asgard, where the Ultimate Thor's hammer is supposed be.

Unworthy Thor Vol 1 1 | Marvel Database | Fandom

For years, Thor has been unworthy to wield his trusty hammer Mjolnir. Here's what he did in the interim and how he got it back. One of the most iconic weapons in all of superhero comic books is Thor 's trusty mystical hammer Mjolnir. Forged from the legendary Norse metal Uru from within the heart of a dying star, the hammer was enchanted by Odin to only be able to be lifted by those it

deemed worthy enough to wield its immense power and channel the power of the gods.

Unworthy Thor: Why the Avenger Lost His Hammer (And How He ...

The Unworthy Thor series has been following the Odinson in the pursuit of a new hammer to claim for himself now that Jane Foster has become worthy of Mjolnir, specifically the hammer of the fallen...

The Mystery That Made Thor Unworthy Has Been Revealed

Thor has become unworthy of using the Mjolnir in both the Marvel Cinematic Universe and Marvel Comics, but for very different reasons. The god of Thunder's debut

in the MCU centered around his exile to Earth as a mortal and his unworthiness to wield the Mjolnir.

How Thor Became Unworthy In Marvel Comics | Screen Rant

In the first Thor film, the title character was deemed unworthy by his father Odin, who banished his son to Earth until he proved otherwise. The story ultimately ended with the thunder god's self-sacrifice reconfirming his worth, allowing for Thor's first reclamation of Mjolnir .

Why Thor 4 Can't Make Thor Unworthy Again | Screen Rant

This week's issue of "Unworthy Thor" finally revealed why the Odinson considers himself "unworthy" of

his hammer, Mjolnir, which Thor first dropped all the way back in "Original Sin" #7, when Nick Fury whispered a devastating secret in his ear. A secret we learn in this week's issue that stretches back to Jason Aaron and Esad Ribic's "Godbomb" run on "Thor: God of Thunder."

Unworthy Thor's Secret Revealed: What Did Nick Fury Whisper?

In the 2016 limited series The Unworthy Thor, Odinson learns that Ultimate Thor's hammer has crash landed on Asgard following the "Secret Wars" storyline. Odinson ultimately turns down the opportunity to lift it and reveals to Beta

Ray Bill that the words Nick Fury whispered to him were "Gorr was right," explaining that no god is worthy of mortal admiration.

How Thor Became

Unworthy (The Unworthy Thor) - YouTube

In Avengers: Endgame, when Thor goes back in time and meets his mother, Frigga, in Asgard, the God of Thunder believes himself to be unworthy. That leaves a significant question, given that Thor: Ragnarok confirms once more that Thor remains the God Of Thunder even after the destruction of Mjolnir and it's not enough to suggest that it's only down to his failure to kill Thanos first time.

Avengers Endgame: Why Fat Thor Really Believed He Wasn't ...

The Unworthy Thor collects the five-issue mini-series of that ilk. It starts in the middle of a fight, and it ends

with the resolution of that fight, but in between as well as seeing the start of the fight, we also get more character development for Thor than many previous writers failed to deliver in decades of his adventures.

**The Unworthy Thor:
Amazon.co.uk:
Aaron, Jason, Coipel**

...

The Unworthy Thor was a bit of a detour from the main Jason Aaron run at the time, however that does not make this series “unworthy” of your time. ☐ It was a fantastic detour and told a truly heartbreaking story of Thor, captured and out on his own trying to reclaim any hammer for himself, more specifically, the Ultimate Universe

hammer.
