TextBook Nation At Play A History Of Sport In India ...

Nation at play is a novel history of India’s engagement with sport and a probing analysis of its cultural and political development under monarchy and the raj, as well as in the decades after independence. Interestingly, over time, some sports that originated in India have fallen out of favour, while others, such as cricket, a colonial import, have been adopted and made wholly India’s own.

In the United States, for example, the myth of the nation’s “historylessness” remains strong, but in China history is seen to play a crucial role in legitimizing three thousand years of imperial authority. “History wars” over the content of textbooks rage in countries as diverse as Australia, Russia, and Japan.

Histories of Nations: How Their Identities Were Forged ...

The nation constitutes the subject of the historical process, and its realization in the nation-state represents the end of history. John Davies's book is one of the major sources for Norman Davies's The Isles: A History (1999), which attacks the Anglo-centric Whig view of history and predicts the break-up of the British state. The book was welcomed by the Left and condemned by the Right.
