The Politics Of Crisis Management

Crisis management has become a defining feature of contemporary governance. Here, in a uniquely comprehensive analysis, the authors examine how leaders deal with the strategic challenges they face in crises, the political risks and opportunities they encounter, the errors they make, the pitfalls they need to

avoid.

Abstract. Bureau-political tensions and competition are an often neglected, yet crucial element in crisis management. Bureau-politics in crisis management runs counter to pervasive notions that portray centralization and concentration of power as the dominant mode

of administrative response to crisis. This article presents empirical evidence suggesting the importance of bureau-politics in the planning, response and post-crisis stages of crisis management at both strategic and ...
