Stephen King | Firestarter

Firestarter seems to be an under appreciated tale, if such a thing were ever possible, from Stephen King. It never seems to be on any list touting his greatest works. It is, however, a very worthy story with strong characters mixed with a story that feels like it's smack dab out of the late 1970's TV show, In Search Of. ESP and government conspiracy cover ups were huge back then and, with how ...
