Captivated By You Penguin

The fourth novel in the #1 New York Times and #1 USA Today bestselling Crossfire series. Gideon calls me his angel, but he's the miracle in my life. My gorgeous, wounded warrior, so

determined to slay my demons while refusing to face his own. The vows we'd exchanged should have bound us tighter than blood and flesh. Instead they opened old wounds, exposed pain and insecurities, and lured bitter enemies out of the shadows. I felt him slipping from my grasp, my greatest fears becoming my reality, my love tested in ways I wasn't sure I was strong enough to bear. At the brightest time in our lives, the darkness of his past encroached and threatened everything we'd worked so hard for. We faced a terrible choice: the familiar safety of the lives we'd had before each other or the fight for a future that suddenly seemed an impossible and hopeless dream...

Gideon is the mirror that reflects all my flaws ... and all the beauty I couldn't see. He has given me everything. Now, I must prove I can be the rock, the shelter for him that he is for me. Walking into a deal I'd worked hard to close. Under the tutelage of Lei Yeung, one of the sharpest businesswomen in New

York, I had picked up a thing or two since Jax walked away. I wasn't the girl he once knew, but he hadn't changed. Unlike the last time we'd drifted into each other's lives, I knew exactly what I was dealing with... and how addictive his touch could be. The inner circle of glamour, sex, and privilege was Jax's playground--but this time, I knew the rules of the game. In the cutthroat business world, one adage rules all: keep your enemies close and your ex-lovers closer...

Two wounded strangers, prisoners of their own lives, brought together by a wayward text. Without ever hearing each other's voices, a friendship blooms between them. The Suite Spot *St. Martin's Griffin*

Trish Doller's *The Suite Spot* is a charming romance novel about taking a chance on a new life and a new love. Rachel Beck has hit a brick wall. She's a single mom, still living at home and trying to keep a dying relationship alive. Aside from her daughter, the one bright light in Rachel's life is her job as the night reservations manager at a luxury hotel in Miami Beach—until the night she is fired for something she didn't do. On impulse, Rachel inquires about a management position at a brewery hotel on an island in Lake Erie called Kelleys Island. When she's offered the job, Rachel packs up her daughter and makes the cross country move. What she finds on Kelleys Island is Mason, a handsome, moody man who knows

everything about brewing beer and nothing about running a hotel. Especially one that's barely more than foundation and studs. It's not the job Rachel was looking for, but Mason offers her a chance to help build a hotel—and rebuild her own life—from the ground up.

The Stopover *Montlake Romance*

A memorable night of passion refuses to stay just a memory in this sizzling and scandalous romance from bestselling author T L Swan. I was upgraded to first class on a flight from London to New York. The food, champagne, and service were impeccable--the blue-eyed man sitting next to me, even better. He was smart, suave, and sexy. We talked and flirted--and though the plane was unexpectedly grounded, we still felt sky high in each other's company. We danced and laughed our way around Boston...and had a night of crazy passion that no woman could forget. That was twelve months ago, and I haven't heard from him--until today. I started a new job and met the CEO. Imagine my surprise when I saw those naughty blue eyes gazing at me from behind his mahogany desk. But I'm not that carefree girl anymore. I have a boyfriend now, and responsibilities. Now he wants to see me in his office for a private meeting. How can I resist?

On Fire *Penguin*

From Sylvia Day, the #1 New York Times bestselling author of the *Crossfire* novels, comes a novella of the *Shadow Stalkers*. Her name was Darcy Michaels—and if there was anyone that

Jared wanted to get down and sweaty with, it was Darcy. Darcy knew what she was bringing out in Jared. In fact, she liked it. She reveled in making his dirty dreams come true. Stripped down for a scorching after-hours affair, Jared was her fantasy, too. A hard-driving man who knew exactly what to do to please her. But as hot as their nights were, they had no idea just how wild it was going to get. Because Darcy has a secret. And a past. And it's drawing them right into the flames... Includes an excerpt of *Razor's Edge*, another *Shadow Stalkers* novella. On *Fire* previously appeared in *Hot in Handcuffs*

But now another's meddling has led her into the path of proud, arrogant Wulfric, crown prince of the rival kingdom of D'Ashier . . . a man who is dangerous to her in every way. . . . and a seduction that could destroy them both. The daughter of Wulfric's fiercest opponent, Sapphire is a prized warrior in her own right and highly skilled in the sensual arts—in short, Wulfric's perfect match. A lasting union is unthinkable, but the bargain they strike—to spend one night together, and then part—proves impossible in the face of a desire powerful enough to bring two countries to the brink of war, and two hearts to the point of surrender . . . A Note from the Author: Dear Readers, Some of you may remember this story as Sapphire's Worth. Written in 2004, a few brief excerpts were posted on my website and they were never forgotten—I've been receiving emails about Sapphire and Wulf ever since! In the *Flesh* was my second completed novel and although I have written many more since then, this Arabian Nights tale of seduction, power, and ultimate surrender holds a special place in my heart. Wulfric remains one of my favorite heroes. I hope he'll become one of yours as well! With love, Sylvia

The Rare Coin Score

A Parker Novel *University of Chicago Press*

When it comes to heists, Parker believes in some cardinal rules. On this job, he breaks two of them: never bring a dame along—especially not one you like—and never, ever, work with amateurs. Nevertheless, with the help of a creepy coin collector named Billy, and the lure of a classy widow, he agrees to set up a heist of a coin convention. But Billy's a rookie with no idea how to pull off a score, and the lady soon becomes a major distraction. *The Rare Coin Score* marks the first appearance of Claire, who pulls off her own heist on Parker's heart—while together they steal two million dollars worth of coins.

The Jugger

A Parker Novel *University of Chicago Press*

You probably haven't ever noticed them. But they've noticed you. They notice everything. That's their job. Sitting quietly in a nondescript car outside a bank making note of the tellers' work habits, the positions of the security guards. Lagging a few car lengths behind the Brinks truck on its daily rounds. Surreptitiously jiggling the handle of an unmarked service door at the racetrack. They're thieves. Heisters, to be precise. They're pros, and Parker is far and away the best of them. If you're

planning a job, you want him in. Tough, smart, hardworking, and relentlessly focused on his trade, he is the heister's heister, the robber's robber, the heavy's heavy. You don't want to cross him, and you don't want to get in his way, because he'll stop at nothing to get what he's after. Parker, the ruthless antihero of Richard Stark's eponymous mystery novels, is one of the most unforgettable characters in hardboiled noir. Lauded by critics for his taut realism, unapologetic amorality, and razor-sharp prose-style—and adored by fans who turn each intoxicating page with increasing urgency—Stark is a master of crime writing; his books as influential as any in the genre. The University of Chicago Press has embarked on a project to return the early volumes of this series to print for a new generation of readers to discover—and become addicted to. In *The Jugger*, Parker travels to Nebraska to help out a geriatric safecracker who knows too many of his criminal secrets. By the time he arrives, the safecracker is dead and Parker's skeletons are on the verge of escaping from their closet—unless Parker resorts to lethal measures. “Whatever Stark writes, I read. He's a stylist, a pro, and I thoroughly enjoy his attitude.”—Elmore Leonard “Westlake knows precisely how to grab a reader, draw him or her into the story, and then slowly tighten his grip until escape is impossible.”—Washington Post Book World “Donald Westlake's Parker novels are among the small number of books I read over and over. Forget all that crap you've been telling yourself about War and Peace and Proust—these are the books you'll want on that desert island.”—Lawrence Block

Then she meets Matt. Sculptor, surfer (and age appropriate). He's everything she gave up wanting and then some. He's a grown-ass man with his own life issues: does he want to sculpt for love or for profit? What about that twentysomething model who's always clinging to him? Perfect Kisses *Brava*

SCHOOL FOR SCANDAL: James Bell, Viscount Ormond, is a shameless rake, infamous for his skills in seduction--and Claire Russell doesn't intend for her sister to become his latest conquest. That is why she's come to the viscount's private masked ball. The flagrant sensuality and unabashed decadence on display there are shocking, but they are nothing compared to the scandalous fire Claire feels when James makes a wholly improper suggestion--improper, indecent, and very, very tempting. **MISCHIEF AND THE MARQUESS:** Justin, the Marquess of Fontaine and Lady

Sophie Milton-Riley have no desire to marry. To satisfy their mothers' insistence that they would be quite right together, they set out to demonstrate how completely ill suited they are for one another. Justin is allergic to her perfume. Sophie dislikes his dogs. He prefers blondes; she, brunette men. But the more they seek to prove how wrong their union would be, the more right things feel. And when opposites attract, there's no denying the sparks or the heat. **RUBY KISS:** Susannah Fowler is in possession of many temptations--an independent nature, a quick wit, and lush curves. She is also in possession of a fortune in stolen jewels hidden within her favorite corset. If rakehell Carlyle Jameson wants it, he will have to remove it himself. From her boudoir or from her body. One kiss ought to distract her, but one kiss leads to another and another, till there's no turning back and no desire to try.
