Information Please Culture And Politics

“Engaging, informative, and thoroughly enjoyable, Information Please is a tour de force in its clear articulation of a coherent approach to the spectrum of issues arising from the penetration of information technology into every aspect of human life, from questions of global politics to the construction and protection of identities and selves in the context of digital media.”—Tim Lenoir, Kimberly J. Jenkins Professor of New Technologies and Society, Duke University

Information Please: Culture and Politics in the Age of ...

Information Please advances the ongoing critical project of the media scholar Mark Poster: theorizing the social and cultural effects of electronically mediated information. In this book Poster conceptualizes a new relation of humans to information machines, a relation that avoids privileging either the human or the machine but instead focuses on the structures of their interactions.

Information Please: Culture and Politics in the Age of ...

theorist and media scholar Mark Poster proceeds to answer this question about the relationship between technology an d culture in his latest book, Information Please: Culture and Politics in the...

(PDF) Information Please: Culture and Politics in the Age ...

Information Please focuses on ‘the cultural significance of the migration of information from humans to machines, the change in the nature of information, the way it mediates relationships and created bonds between humans and machines, as well as the political implications that ensue’ (4). It investigates how texts, images, and sound change when they are mediated by information machines and what consequences these changes have for humans.
