and other observations

See, I Told You So
Threshold Editions

Rush Limbaugh, America's #1 radio talk show host and #1 New York Times bestselling author presents a collection of the political and social observations conservatives have come to love and liberals love to hate. Limbaugh, a consummate entertainer and provocative political commentator, who delighted in being called "The Most Dangerous Man in America," led the charge to embrace and defend the fundamental values that have shaped the American character—the same values that cause liberals to have conniptions. The Democrats may be in

the White House—but even they can't ruin this country in only four years, proclaims Rush. Conservatism's most outspoken champion and ever the optimist, Rush viewed the "pernicious liberal movement" as a philosophy whose inevitable demise will lead us back to the values that made America great. A must for the politically incorrect, See, I Told You So captures Rush at his best—showing once again why his syndicated radio show reached millions of devoted listeners each week.

Why Not Me?

The Inside Story of the Making and Unmaking of the Franken Presidency
Penguin UK

The dramatic rise and dizzying fall of Al Franken, the first Jewish president of the United States. From the first days of the Franken campaign as the candidate pledges 'to walk the state of New Hampshire, diagonally and then from side to side' as Al, aided by his covering sex addict and alcoholic deputy campaign manager, stuns the pundits by defeating Al Gore for the democratic nomination, then is swept into office carrying all fifty states. But from that moment of triumph it's downhill all the way...

Al Franken, Giant of the Senate *Twelve*
From Senator Al Franken - #1 bestselling author and beloved SNL alum --

comes the story of an award-winning comedian who decided to run for office and then discovered why award-winning comedians tend not to do that. "Flips the classic born-in-a-shack rise to political office tale on its head. I skipped meals to read this book - also unusual - because every page was funny. It made me deliriously happy." -- Louise Erdrich, *The New York Times* This is a book about an unlikely campaign that had an even more improbable ending: the closest outcome in history and an unprecedented eight-month recount saga, which is pretty funny in retrospect. It's a book about what happens when the nation's foremost progressive satirist gets a chance

to serve in the United States Senate and, defying the low expectations of the pundit class, actually turns out to be good at it. It's a book about our deeply polarized, frequently depressing, occasionally inspiring political culture, written from inside the belly of the beast. In this candid personal memoir, the honorable gentleman from Minnesota takes his army of loyal fans along with him from Saturday Night Live to the campaign trail, inside the halls of Congress, and behind the scenes of some of the most dramatic and/or hilarious moments of his new career in politics. Has Al Franken become a true Giant of the Senate? Franken asks readers to decide for

themselves.

Oh, the Things I Know! *Penguin*

The classic New York Times bestseller by Senator Al Franken, author of *Giant of the Senate* Senator Al Franken, or Dr. Al Franken, as he prefers to be called, has written the first truly indispensable book of the new millennium. Filled with wisdom, observations, and practical tips you can put to work right away, *Oh, the Things I Know!* is a cradle-to-grave guide to living, an easy-to-follow user's manual for human existence. What does a megasuccess like Al Franken—bestselling author, Emmy-award winning television star, sitting U.S. Senator, and honorary Ph.D.—have to say to

ordinary people like you? Well, as Dr. Al himself says, "There's no point in getting advice from hopeless failures." Join Mr. Franken—sorry, Dr. Franken—on a journey that will take you from your first job ("Oh, Are You Going to Hate Your First Job!"), through the perils and pitfalls of your twenties and thirties ("Oh, the Person of Your Dreams vs. the Person You Can Actually Attract!"), into the joys of marriage and parenthood ("Oh, Just Looking at Your Spouse Will Make Your Skin Crawl!"), all the way to the golden years of senior citizenship ("Oh, the Nursing Home You'll Wind Up In!"). Don't travel life's lonesome highway by yourself. Take Al Franken along, if not as an infallible

guide, then at least as a friend who will make you laugh.

The Way Things Ought to Be

Threshold Editions

#1 New York Times bestselling author and #1 radio talk show host Rush Limbaugh offered a way of life for millions of avid and devoted listeners. Every day this comic conservative of the airwaves with “talent on loan from God” entertained, provoked, and persuaded friends and enemies alike in a no-holds-barred radio show that drew one of the largest audiences in radio history. Using personal anecdotes, Limbaugh reveals the major influences on his life and views, and blasts off on all the leading issues of our day. Nothing escapes

his acerbic wit and charm as he proves why he stayed on the cutting edge of societal evolution and the epitome of morality and virtue. Tackling such topics as *The Homeless Fraud* and *The Media to Feminazis* and *Environmentalism Wackos*, Rush Limbaugh shows that he is a provocative conservative and showman who was “documented to be almost always right 97.9% of the time” about *The Way Things Ought To Be*.

Rush Revere and the Brave Pilgrims

Time-Travel Adventures with Exceptional Americans *Simon and Schuster*

Substitute middle-school history teacher

Rush Revere takes his students back in time to experience American history as it happens aboard the Mayflower and on Plymouth Plantation.

Rush Limbaugh

An Army of One *Penguin*

NATIONAL BESTSELLER! The bestselling biography of America's Anchorman by the journalist who knew him best "Chafets has seen more of the pundit's personal world than any other journalist." -The Washington Post People tend to remember the moment they first heard The Rush Limbaugh Show on the radio. For Zev Chafets, it was in a car in Detroit. The braggadocio, the

outrageous satire, the slaughtering of liberal sacred cows performed with the verve of a rock and roll DJ-it seemed fresh, funny, and completely subversive. "They're never going to let this guy stay on the air," he thought. Almost two decades later Chafets met Rush and they spent hours together talking on the record about politics, sports, music, show business, religion, and modern American history. Rush opened his home and his world, introducing Chafets to his family, his closest friends, even his psychologist. What has emerged after months of correspondence revealing Rush Limbaugh's thoughts, fears, and ambitions, is a uniquely personal look at the man who

was not only the most popular voice on the radio, but also one of the most influential figures in the conservative movement.

Flush Rush

Gathers erroneous and embarrassing quotations from Rush Limbaugh, and includes jokes and cartoons criticizing him

Talk Radio's America

How an Industry Took Over a Political Party That Took Over the United States

Harvard University Press

The march to the Trump presidency began in 1988, when Rush Limbaugh went national. Brian Rosenwald charts the transformation of AM radio entertainers into

political kingmakers. By giving voice to the conservative base, they reshaped the Republican Party and fostered demand for a president who sounded as combative and hyperbolic as a talk show host.

Rush Limbaugh

The Life and Legacy of the Conservative Political Commentator Behind America's Most Popular Radio Show

*Includes pictures

*Includes some of Limbaugh's most famous quotes

*Includes a bibliography for further reading "Greetings, conversationalists across the fruited plain, this is Rush Limbaugh, the most dangerous man in

America, with the largest hypothalamus in North America, serving humanity simply by opening my mouth, destined for my own wing in the Museum of Broadcasting, executing everything I do flawlessly with zero mistakes, doing this show with half my brain tied behind my back just to make it fair because I have talent on loan from...God. Rush Limbaugh. A man. A legend. A way of life." - Rush Limbaugh, 1991

With the advent of several controversial social movements in subsequent decades, a non-traditional style of editorial persona began to take control of the news machinery in America. The weighing of ideas gave way to exclusive promotion of a specific world view, and the omission of all opposition within a devotee's range of hearing. The general population, the branches of government, and the media entered an era of divisiveness as cable television and talk radio altered the equation by which we once interacted. These important social movements of the mid-20th century, intended to enhance the status of marginalized groups, factionalized the nation in the process. New battle lines between race, gender, and political ideology brought about a similarly fragmented group of media organizations, each catering to those sharing its worldview.

Finessed shadings of mutual discussion were banished as opposing arguments were negated entirely, bringing about the current era of hyperpartisanship. Charismatic presidents and fierce resistance have always existed together, but as the news media broke into disparate engines of political and social influence, new faces were needed, each emblematic of his or her own "congregation." The American right found the voice it needed in the supremely gifted Rush Hudson Limbaugh III. A Missourian with a lifelong love of radio, Limbaugh possessed an unmatched rhetorical reflex, a well-informed sense of each argument's gist, and a flair for the politically incorrect. The humor, glibly delivered, was associated with sensitivities of the boomer generation's canon of cultural symbols. Once crowned as the champion of the right, Limbaugh went on to man the most popular radio talk show in America for over three decades. Such was the allure of his particular brand of on-air theater that his enemies are, by their own admission, still captivated and unable to look away. The more outrageous the style, the more compelling became the need to listen. Limbaugh eventually stood out from the radio's iconic influencers to such a degree that his sway over actual legislative and executive process

made him an influential shaper of the national attitude. Limbaugh's radio extravaganza acts much like a restrictive social network itself, with informal pressure exerted upon listeners to conform. With other opinions excluded, the audience is given a "heightened sense" of being in the majority. Liberals, at the moment less galvanized, have become intimidated and less settled in their own beliefs, while a large component of conservative Americans, perceiving themselves as unheard and railroaded into a failed social philosophy against their will, have simmered with resentment against what was branded by many on the right as social elitism. The

offenders could be found among the upper industrial classes, prominent academic institutions, high-rent neighborhoods of blue-bloods exploiting their economic advantage, and progressive activists intent on the establishment of a futuristic order based on a speculative vision. For millions of people, Rush Limbaugh offered just the right voice to rail against the forces that angered these conservatives.

Rush Revere and the Presidency *Simon and Schuster*

When one of the time-traveling crew is running for student-body president at Manchester Middle School, Rush Revere takes them back in history to witness the election and leadership

of our first three presidents.

Rush on the Radio: A Tribute from His Sidekick for 30 Years *All Seasons Press*

The tens of millions of Rush fans will embrace this heartfelt reminiscence from Bo Snerdley that will make you laugh, cry and always remember America's great friend on the radio.

Rush Revere and the First Patriots

Time-Travel Adventures With Exceptional Americans *Simon and Schuster*

America's #1 radio talk-show host and multi-million-copy #1 New York Times bestselling author presents the second

book in a series for young readers with a history teacher who travels back in time to have adventures with exceptional Americans. Rush Revere rides again! Saddle up with Rush Limbaugh's really good pal for a new time-travel adventure. "Whoa there, young historians! Before we go rush, rush, rushing off anywhere, I'd like a moment. I'm Liberty, Rush Revere's loquacious equine companion—his trusty talking horse! Always at the ready to leap from the twenty-first century into America's past, that's me. When he says 'Let's go!' I'm so there. I'm jazzed, I'm psyched, I'm—" "Ah, excuse me, Liberty?" "Yeah, Rush?" "Usually you say 'oh no, not again!' and 'while we're in

colonial Boston, can I try the baked beans?" "Okay, fine—you do the talking. I'll just be over here, if you need me...." Well, he's sulking now, but I couldn't be your tour guide across time without Liberty! His name says it all: the freedom we celebrate every July Fourth with fireworks and hot dogs (and maybe some of those baked beans). But how did America get free? How did thirteen newborn colonies tell the British king where he could stick his unfair taxes? Jump into the bustling streets of Boston in 1765, where talk of revolution is growing louder. I said LOUDER. You'll have to SHOUT to be heard over the angry cries of "Down with the king!" and "Repeal the Stamp

Act!" that fill the air. You'll meet fierce supporters of liberty like Samuel Adams, Benjamin Franklin, and my idol, Paul Revere, as they fearlessly defy British rule. It's an exciting, dangerous, turbulent, thrilling time to be an American...and exceptional young patriots like you won't want to miss a minute. Let's ride!

Rush Revere and the American Revolution

Time-Travel Adventures With Exceptional Americans *Simon and Schuster*

THE AMERICAN REVOLUTION HAS BEGUN—AND RUSH REVERE, LIBERTY THE HORSE, AND THE TIME-TRAVELING CREW ARE READY TO RIDE INTO

THE ACTION! Join us on this incredible time-travel adventure! Liberty, my wisecracking horse, our old friends Cam, Tommy, Freedom, and I are off to meet some super-brave soldiers in the year 1775. Yep, that's right. We'll be visiting with the underdog heroes who fought for American independence, against all odds—and won! But not before eight very real years of danger and uncertainty. Be a part of Rush Revere's crew as we rush, rush, rush into a time when British rule had become a royal pain, and rebellion was in the air. We'll be on hand to see two lanterns hung in the Old North Church, prevent a British spy from capturing Paul Revere, and grapple

with danger at the battles of Lexington, Concord, and Bunker Hill. The extra special part of this trip is that right here in the twenty-first century, Cam's dad is a soldier fighting in Afghanistan, and Cam has been pretty angry that he is away. Visiting with exceptional American heroes like Dr. Joseph Warren and George Washington, racing along after Paul Revere on his midnight ride, and seeing the Declaration of Independence signed make Cam see his own dad in a new and special way. But don't worry. Along with the danger, excitement, and patriotism, there will still be time to stop for a delicious spinach, oats, and alfalfa smoothie. No, wait—that one's for

Liberty. The kids and I voted for strawberries. Now let's open the magic portal to the past!

Lies (and the Lying Liars Who Tell Them) *Penguin UK*

Al Franken, one of America's savviest satirists has been studying the rhetoric of the Right. He has listened to their cries of 'slander', 'bias' and even 'treason'. He has examined the Bush administration's policies of squandering our surplus, ravaging the environment, and alienating the rest of the world. He's even watched Fox News. A lot. And in this fair and balanced report, Al bravely exposes them all for what they are: liars. Lying, lying, liars.

I'm Good Enough,

I'm Smart Enough, and Doggone It, People Like Me!

Daily Affirmations by Stuart Smalley *Dell Books*

In a parody of self-help books, Al Franken's comic character, Stuart Smalley, describes his own efforts to cope with life over one year

The Most Dangerous Man in America

Rush Limbaugh's Assault on Reason *Macmillan*

Rush Limbaugh is the most prominent figure in the conservative movement today. With almost 20 million listeners every week on more than six hundred stations, Limbaugh has a larger media platform than any other individual in the nation. And this is

why he is so dangerous. Despite refusing to uphold even the most basic standards of journalism, Rush has been given an extensive, wide-reaching platform with which to spew his venom. And spew it he does! In this book, author John K. Wilson uses the most damning evidence of all—Rush's own words—to deliver the ultimate indictment of Limbaugh's bankrupt ideology and how it embodies the decline of the conservative movement. Wilson catalogs the world according to Rush—from the political conspiracies to his disdain for scientific evidence and apparent love of racist, sexist, and homophobic stereotypes—and shows how the radio personality poisons any rational political rhetoric with an endless stream of slurs, lies, and intimidation. Most revealingly, the author demonstrates how Limbaugh's blustering, baseless proclamations and love for savage, personal attacks have had a chilling effect on both parties, as he viciously targets not only liberals but also any Republican who dares question one of his conclusions. Meanwhile, Rush's viselike grip on the political arena has created a media monster so powerful that even liberal commentators are forced to engage with him and his polarizing discourse. *The Most Dangerous Man in America* reveals Rush Limbaugh to be just

that. No matter what you thought about the man before, you will never feel the same way about him again.

The Rush Limbaugh Story

Talent on Loan from God : an Unauthorized Biography *St Martins Press*

The first biography of the controversial political commentator and cultural critic reveals how his worldview was created in small-town Missouri, charts the rise of his radio career, and explores his personal life. 50,000 first printing.

Rush Revere and the Star-Spangled Banner *Simon and Schuster*
IT'S THE DAWN OF AN

IMPORTANT NEW DAY IN AMERICA. YOUNG READERS, GRAB THE REINS AND JOIN RUSH REVERE, LIBERTY THE HORSE, AND THE WHOLE TIME-TRAVELING CREW IN THIS PATRIOTIC HISTORICAL ADVENTURE THAT TAKES YOU ON AN EXCITING TRIP TO THE PAST TO SEE OUR REMARKABLE NATION'S MOST ICONIC SYMBOLS UP CLOSE AND PERSONAL! "Rush Revere here, along with my chatty horse, Liberty! Wait a minute . . . Liberty? Where did he go?" "Reporting for duty, Captain Revere!" "Liberty, where did you get that spinach smoothie?" *Slurp* Well, he certainly didn't get it from 1787—that's where we're rush, rush, rushing off to next with

our enthusiastic young friends in the Time-Traveling Crew (but not before causing a major security incident at the National Archives in Washington, D.C.!) A funny case of mistaken identity and a wild chase through the busy streets of Philadelphia will lead us to the famously introverted Father of our Constitution, James Madison, and the heated secret debates over the Constitution and the Bill of Rights. Fast-forward a few years, and we'll help his brave wife, Dolley, risk her life to save an important portrait from the White House as the British set Washington afire! What greater symbol of our exceptional nation's hard-won freedoms than the Star-Spangled Banner, sewn by American icon Betsy Ross? Perhaps Francis Scott Key can explain what inspired him to pay tribute to our glorious flag by writing our beautiful national anthem. But watch out for the bombs bursting in air, because when we reach 1814, we'll be front and center at a major battle to defend our liberty. Jump back in the saddle with me, Rush Revere, and the Time-Traveling Crew, as my trusty horse, Liberty, takes us on another flying leap through American history into a past teeming with heroes and extraordinary citizens who have so much to teach us about patriotism. All you need to bring is your curiosity about the birth of our democracy—I've got

plenty of tricornered hats for everyone!

Radio - The Forgotten Medium

Routledge

Although television is now dominant, radio surprisingly remains a medium of unparalleled power and importance.

Worldwide, it continues to be the communications vehicle with the greatest outreach and impact. Every indicator - economic, demographic, social, and democratic - suggests that far from fading away, radio is returning to our consciousness, and back into the cultural mainstream. Marilyn J. Matelski reviews radio's glory days, arguing that the glory is not all in the past. B. Eric Rhoads continues

Matelski's thoughts by explaining how and why radio has kept its vitality. The political history of radio is reviewed by Michael X. Delli Carpini, while David Bartlett shows how one of radio's prime functions has been to serve the public in time of disaster. Other contributors discuss radio as a cultural expression; the global airwaves; and the economic, regulatory, social, and technological structures of radio. Collectively, the contributors provide an intriguing study into the rich history of radio, and its impact on many areas of society. It provides a wealth of information for historians, sociologists, and communications and

media scholars. Above all, it helps explain how media intersect, change focus, but still manage to survive and grow in a commercial environment.

Atlas Shrugged *Penguin*

Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, *Atlas Shrugged* is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's *The Great American Read*. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against

those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. *Atlas Shrugged*, a modern classic and Rand's most extensive statement of

Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

The Radio Right

How a Band of Broadcasters Took on the Federal Government and Built the Modern Conservative Movement

Oxford University Press

In the past few years, trust in traditional media has reached new lows. Many Americans disbelieve what they hear from the "mainstream media," and have turned to getting information from media echo chambers which

are reflective of a single party or ideology. In this book, Paul Matzko reveals that this is not the first such moment in modern American history. The Radio Right tells the story of the 1960s far Right, who were frustrated by what they perceived to be liberal bias in the national media, particularly the media's sycophantic relationship with the John F. Kennedy administration. These people turned for news and commentary to a resurgent form of ultra-conservative mass media: radio. As networks shifted their resources to television, radio increasingly became the preserve of cash-strapped, independent station owners who were willing to air the

hundreds of new right-wing programs that sprang up in the late 1950s and 1960s. By the early 1960s, millions of Americans listened each week to conservative broadcasters, the most prominent of which were clergy or lay broadcasters from across the religious spectrum, including Carl McIntire, Billy James Hargis, and Clarence Manion. Though divided by theology, these speakers were united by their distrust of political and theological liberalism and their antipathy towards JFK. The political influence of the new Radio Right quickly became apparent as the broadcasters attacked the Kennedy administration's policies and encouraged grassroots conservative activism on a massive scale. Matzko relates how, by 1963, Kennedy was so alarmed by the rise of the Radio Right that he ordered the Internal Revenue Service and Federal Communications Commission to target conservative broadcasters with tax audits and enhanced regulatory scrutiny via the Fairness Doctrine. Right-wing broadcasters lost hundreds of stations and millions of listeners. Not until the deregulation of the airwaves under the Carter and Reagan administrations would right-wing radio regain its former prominence. The Radio Right provides the essential pre-history for the last

four decades of conservative activism, as well as the historical context for current issues of political bias and censorship in the media.

The Way Things Aren't

Rush Limbaugh's Reign of Error : Over 100 Outrageously False and Foolish Statements from America's Most Powerful Radio and TV Commentator

A collection of quotations

Reason

Why Liberals Will Win the Battle for America *Vintage*

In a call to revitalize America's traditional two-party system, offers an argument that the tenets of

liberalism must become part of the national political agenda in order to battle the radical conservatism and sets out a program for liberals to regain political power.

Confessions of a Rush Baby

I Did Have Sex with that Woman, Miss Lewinsky, and Other...

"Confessions of a Rush Baby" begins as an olive branch to the American Left, offered by an ultra-conservative Ditto-Head seeking to reach across the political divide of partisan bickering and trenchant rhetoric. Each of the twelve chapters, which cover topics ranging from global warming to

immigration reform, opens with a confession of agreement between the author, Chris Klody, a hard-right neo-con, and the lunatic, liberal fringe. The conciliatory tone of the opening confession is then immediately shattered by sardonic rebuke, as Mr. Klody, employ historical evidence, conservative principles, and satiric wit to expose the folly of liberalism and its pernicious effects on American exceptionalism. It is a book the Right will love, the Left will love to hate, and the floundering moderates can set next to their unread copies of Al Franken's, "Rush Limbaugh Is a Big Fat Idiot," to affirm their open-mindedness.

The Gatekeeper

Missy LeHand, FDR, and the Untold Story of the Partnership That Defined a Presidency *Simon and Schuster*

The first biography of arguably the most influential member of Franklin Delano Roosevelt's administration, Marguerite "Missy" LeHand, FDR's de facto chief of staff, who has been misrepresented, mischaracterized, and overlooked throughout history...until now. Widely considered the first female presidential chief of staff, Marguerite "Missy" LeHand was the right-hand woman to Franklin Delano Roosevelt—both personally and professionally—for more than twenty

years. Although her official title as personal secretary was relatively humble, her power and influence were unparalleled. Everyone in the White House knew one truth: If you wanted access to Franklin, you had to get through Missy. She was one of his most trusted advisors, affording her a unique perspective on the president that no one else could claim, and she was deeply admired and respected by Eleanor and the Roosevelt children. With unprecedented access to Missy's family and original source materials, journalist Kathryn Smith tells the captivating and forgotten story of the intelligent, loyal, and clever woman who had a front-row seat to

history in the making. The Gatekeeper is a thoughtful, revealing unsung-hero story about a woman ahead of her time, the true weight of her responsibility, and the tumultuous era in which she lived—and a long overdue tribute to one of the most important female figures in American history.

Breaking Rank

A Top Cop's Exposé of the Dark Side of American Policing *Bold Type Books*

Opening with a powerful letter to former Tacoma police chief David Brame, who shot his estranged wife before turning the gun on himself, Norm Stamper introduces us to the violent, secret world of domestic

abuse that cops must not only navigate, but which some also perpetrate. Former chief of the Seattle police force, Stamper goes on to expose a troubling culture of racism, sexism, and homophobia that is still pervasive within the twenty-first-century force; then he explores how such prejudices can be addressed. He reveals the dangers and temptations that cops face, describing in gripping detail the split-second life-and-death decisions. Stamper draws on lessons learned to make powerful arguments for drug decriminalization, abolition of the death penalty, and radically revised approaches to prostitution and gun control. He offers penetrating insights

into the "blue wall of silence," police undercover work, and what it means to kill a man. And, Stamper gives his personal account of the World Trade organization debacle of 1999, when protests he was in charge of controlling turned violent in the streets of Seattle. *Breaking Rank* reveals Norm Stamper as a brave man, a pioneering public servant whose extraordinary life has been dedicated to the service of his community.

F*ck Silence

Calling Trump Out for the Cultish, Moronic, Authoritarian Con Man He Is
HarperCollins
 Donald Trump is the

exact threat our Founding Fathers feared. Joe Walsh is as rock-ribbed a conservative as they come. But he believes that no right-wing policy victory is worth the loss of our very democracy. In this clear-eyed and unsparing book, Walsh makes the case that Trump has more in common with the foreign dictators he praises publicly than a predecessor like Ronald Reagan. Trump is an existential threat to conservatism, the presidency, and national unity. He has violated the Constitution in plain sight, assaulted democratic institutions, overwhelmed the country with disinformation, erected around himself a cult of personality, and governed according to his narcissism more than any discernable political philosophy. Though Walsh agrees with Trump that the Washington elite has hung working-class America out to dry, traveling down the road to despotism is no response. And now a person who places himself above the rule of law and accountability sits in the Oval Office—all that's missing is a big, beautiful throne behind the Resolute Desk. In *F*ck Silence*, Walsh challenges his countrymen, especially his fellow conservatives, to acknowledge and oppose this unpatriotic and un-American behavior before we give away what made America great in the first place: our

democracy.

Who's Looking Out for You? *Three Rivers Press (CA)*

Makes charges about how politicians, the clergy, and families are failing to protect those in their care, presenting strong statements about personal responsibility and self-reliance in today's uncertain world.

What A Party!

My Life Among Democrats: Presidents, Candidates, Donors, Activists, Alligators and Other Wild Animals *Macmillan*

A political strategist for the Clinton administration shares insider information on how key democratic initiatives unfolded

behind the scenes, from the Carter-Kennedy primary contest in 1980 to Clinton's health-care reform plan of 1993, in a volume complemented by the author's proposals for the 2008 elections. Reprint. 50,000 first printing.

Dave Barry's Greatest Hits

Ballantine Books

When Dave Barry is on the loose, no one is safe! What Dave Barry did for the men's movement in his Complete Guide to Guys and for foreign relations when he did Japan he now does for . . . everything in America. The rapacious observer of Tupperware ladies and leisure concept salesmen sounds off on: Football—Football

is more than just a game. It is a potential opportunity to see a live person lying on the ground with a bone sticking out of his leg, while the fans, to show their appreciation, perform "the wave." Sailing—There's nothing quite like getting out on the open sea, where you can forget about the hassles and worries of life on land, and concentrate on the hassles and worries of life on the sea, such as death by squid. Gambling—Off-Track Betting parlors are the kinds of places where you never see signs that say, "Thank You for Not Smoking." The best you can hope for is, "Thank You for Not Spitting Pieces of Your Cigar on My Neck." "The good news: he's funny as ever. The bad

news: the book is only 304 pages."—Los Angeles Daily News

Lies

And the Lying Liars Who Tell Them *Penguin*

The #1 New York Times bestseller by Senator Al Franken, author of *Giant of the Senate* Al Franken, one of our "savviest satirists" (People), has been studying the rhetoric of the Right. He has listened to their cries of "slander," "bias," and even "treason." He has examined the GOP's policies of squandering our surplus, ravaging the environment, and alienating the rest of the world. He's even watched Fox News. A lot. And, in this fair and balanced report, Al bravely and candidly

exposes them all for what they are: liars. Lying, lying liars. Al destroys the liberal media bias myth by doing what his targets seem incapable of: getting his facts straight. Using the Right's own words against them, he takes on the pundits, the politicians, and the issues, in the most talked about book of the year. Timely, provocative, unfailingly honest, and always funny, *Lies* sticks it to the most right-wing administration in memory, and to the right-wing media hacks who do its bidding.

**Dave Barry's
Complete Guide to
Guys** *Ballantine Books*

"Dave Barry is one funny human." --San Francisco Examiner For thousands of years,

women have asked themselves: What is the deal with guys, anyway? What are they thinking? The answer, of course, is: virtually nothing. Deep down inside, guys are extremely shallow. But that has not stopped Dave Barry from writing an entire book about them. If you're a guy--or if you're attempting to share a remote control with one--you need this book, because it deals frankly and semi-thoroughly with such important guy issues as: Scratching The role of guys in world history, including the heretofore-unknown relationship between the discovery of North America and golf Why the average guy can remember who won the 1960 World Series, but not necessarily the

names of all his children The Noogie Gene Why guys cannot simultaneously think and look at breasts Secret guy orgasm-delaying techniques, including the Margaret Thatcher Method Why guys prefer to believe that there is no such thing as a prostate And much, much more "Whether you're a guy--or attempting to share a bathroom with one--Barry has some wacky words of wisdom for you." --USA Today

Why Not Me?

The Inside Story of the Making and Unmaking of the Franken Presidency *Delta*

A satire of presidential politics examines the rise and fall of America's forty-third

president, drawing on personal diaries and other sources to chronicle his tumultuous 144 days as president

Messengers of the Right

Conservative Media and the Transformation of American Politics

University of Pennsylvania Press Messengers of the Right tells the story of the media activists who built the American conservative movement and transformed it into one of the most significant and successful movements of the twentieth century—and in the process remade the Republican Party and the American media landscape.
