House Guests, House Pests

A Natural History of Animals in the Home *Bloomsbury Publishing*

Today we live in snug, well-furnished houses surrounded by the trappings of a civilised life. But we are not alone - we suffer a constant stream of unwanted visitors. Our houses, our food, our belongings, our very existence are under constant attack from a host of invaders

eager to take advantage of our shelter, our food stores and our tasty soft furnishings. From bats in the belfry to beetles in the cellar, moths in the wardrobe and mosquitoes in the bedroom, humans cannot escape the attentions of the animal kingdom. Nature may be red in tooth and claw, but when it's our blood the bedbugs are after, when it's our cereal bowl that's littered with mouse droppings, and when it's our favourite chair that collapses due to woodworm in the legs, it really brings it home the fact that we and our homes are part of nature too. This book represents a 21st century version of the classic Mediaeval bestiary. It poses questions such as where these animals came from, can we live with them, can we get rid of them, and should we?

Written in Richard Jones's engaging style and with a funky-retro design, *House Guests*, *House Pests* will be a book to treasure.

The Circle *Vintage*

A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a “compulsively readable parable for the 21st century” (Vanity Fair). When Mae Holland is hired to work for the Circle, the world’s most powerful internet company, she feels she’s been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users’ personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the

company’s modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can’t believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman’s ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.
