blue covenant the global water by barlow maude - - Biblio ...

The Blue Covenant should have three components: a water conservation covenant from people and their governments that recognizes the right of the Earth and of other species to clean water, and pledges to protect and conserve the world's water supplies; a water justice covenant between those in the global North who have water and resources and those in the global South who do not, to work

in solidarity for water justice, water for all and local control of water; and a water democracy ...
