The Happiness Project (Revised Edition)

Or, Why I Spent a Year Trying to Sing in the Morning, Clean My Closets, Fight Right, Read Aristotle, and Generally Have More Fun *HarperCollins*

"This book made me happy in the first five pages." —AJ Jacobs, author of *The Year of Living Biblically: One Man's Humble Quest to Follow the Bible as Literally as Possible* Award-winning author Gretchen Rubin is back with a bang, with *The Happiness Project*. The author of the bestselling *40 Ways to Look at Winston Churchill* has produced a work that is "a cross between the Dalai Lama's *The Art of Happiness* and Elizabeth Gilbert's *Eat, Pray, Love*." (Sonya Lyubomirsky, author of *The How of Happiness: A Scientific Approach to Getting the Life You Want*) In the vein of Julie and Julia, *The Happiness Project* describes one person's year-long attempt to discover what leads to true contentment. Drawing at once on cutting-edge science, classical philosophy, and real-world applicability, Rubin has written an engaging, eminently relatable chronicle of transformation.

The Happiness Project

Or, Why I Spent a Year Trying to Sing in the Morning, Clean My Closets, Fight Right, Read Aristotle, and Generally Have More Fun *Harper Collins*

What if you could change your life--without changing your life? Gretchen had a good marriage, two healthy daughters, and work she loved--but one day, stuck on a city bus, she realized that time was flashing by, and she wasn't thinking enough about the things that really mattered. "I should have a happiness project," she decided. She spent the next year test-driving the wisdom of the ages, current scientific studies, and lessons from popular culture about how to be happier. Each month, she pursued a different set of resolutions: go to sleep earlier, quit nagging, forget about results, or take time to be silly. Bit by bit, she began to appreciate and amplify the happiness that already existed in her life. Written with humour and insight, Gretchen's story will inspire you to start your own happiness project. Now in a beautiful, expanded edition, Gretchen offers a wealth of new material including happiness paradoxes and practical tips on many daily matters: being a more light-hearted parent, sticking to a fitness routine, getting your sweetheart to do chores without nagging, coping when you forget someone's name and more.

The Happiness Project, Tenth Anniversary Edition

Or, Why I Spent a Year Trying to Sing in the Morning, Clean My Closets, Fight Right, Read Aristotle, and Generally Have More Fun *Harper Paperbacks*

#1 New York Times Bestseller Gretchen Rubin’s year-long experiment to discover how to create true happiness. Drawing on cutting-edge science, classical philosophy, and real-world examples, Rubin delivers an engaging, eminently relatable chronicle of transformation. This special 10th Anniversary edition features a Conversation with Gretchen Rubin, Happiness Project Stories, a guide to creating your own happiness project, a list of dozens of free resources, and more. “An enlightening, laugh-aloud read. . . . Filled with open, honest glimpses into [Rubin’s] real life, woven together with constant doses of humor.”—Christian Science Monitor Gretchen Rubin had an

epiphany one rainy afternoon in the unlikeliest of places: a city bus. “The days are long, but the years are short,” she realized. “Time is passing, and I’m not focusing enough on the things that really matter.” In that moment, she decided to dedicate a year to her happiness project. In this lively and compelling account—now updated with new material by the author—Rubin chronicles her adventures during the twelve months she spent test-driving the wisdom of the ages, current scientific research, and lessons from popular culture about how to be happier. Among other things, she found that novelty and challenge are powerful sources of happiness; that money can help buy happiness, when spent wisely; that outer order contributes to inner calm; and that the very smallest of changes can make the biggest difference. This updated edition includes:

- An extensive new interview with the author
- Stories of other people’s life-changing happiness projects
- A resource guide to the dozens of free resources created for readers
- The Happiness Project Manifesto
- An excerpt from Gretchen Rubin’s bestselling book *The Four Tendencies: The Indispensable Personality Profiles that Reveal How to Make Your Life Better (and Other People’s Lives Better, Too)*

Better Than Before

What I Learned About Making and Breaking Habits--to Sleep More, Quit Sugar, Procrastinate Less, and Generally Build a Happier Life *Crown*

NEW YORK TIMES BESTSELLER • The author of *The Happiness Project* and “a force for real change” (Brené Brown) examines how changing our habits can change our lives. “If anyone can

help us stop procrastinating, start exercising, or get organized, it's Gretchen Rubin. The happiness guru takes a sledgehammer to old-fashioned notions about change."—Parade Most of us have a habit we'd like to change, and there's no shortage of expert advice. But as we all know from tough experience, no magic, one-size-fits-all solution exists. It takes work to make a habit, but once that habit is set, we can harness the energy of habits to build happier, stronger, more productive lives. In *Better Than Before*, acclaimed writer Gretchen Rubin identifies every approach that actually works. She presents a practical, concrete framework to allow readers to understand their habits—and to change them for good. Infused with Rubin's compelling voice, rigorous research, and easy humor, and packed with vivid stories of lives transformed, *Better Than Before* explains the (sometimes counterintuitive) core principles of habit formation and answers the most perplexing questions about habits: • Why do we find it tough to create a habit for something we love to do? • How can we keep our healthy habits when we're surrounded by temptations? • How can we help someone else change a habit? Rubin reveals the true secret to habit change: first, we must know ourselves. When we shape our habits to suit ourselves, we can find success—even if we've failed before. Whether you want to eat more healthfully, stop checking devices, or finish a project, the invaluable ideas in *Better Than Before* will start you working on your own habits—even before you've finished the book.

Happier at Home

Kiss More, Jump More, Abandon Self-Control, and My

Other Experiments in Everyday Life *Harmony*

In the spirit of her blockbuster #1 New York Times bestseller *The Happiness Project*, Gretchen Rubin embarks on a new project to make home a happier place. One Sunday afternoon, as she unloaded the dishwasher, Gretchen Rubin felt hit by a wave of homesickness. Homesick—why? She was standing right in her own kitchen. She felt homesick, she realized, with love for home itself. "Of all the elements of a happy life," she thought, "my home is the most important." In a flash, she decided to undertake a new happiness project, and this time, to focus on home. And what did she want from her home? A place that calmed her, and energized her. A place that, by making her feel safe, would free her to take risks. Also, while Rubin wanted to be happier at home, she wanted to appreciate how much happiness was there already. So, starting in September (the new January), Rubin dedicated a school year—September through May—to making her home a place of greater simplicity, comfort, and love. In *The Happiness Project*, she worked out general theories of happiness. Here she goes deeper on factors that matter for home, such as possessions, marriage, time, and parenthood. How can she control the cubicle in her pocket? How might she spotlight her family's treasured possessions? And it really was time to replace that dud toaster. Each month, Rubin tackles a different theme as she experiments with concrete, manageable resolutions—and this time, she coaxes her family to try some resolutions, as well. With her signature blend of memoir, science, philosophy, and experimentation, Rubin's passion for her subject jumps off the page, and reading just a few chapters of this book will inspire readers to find more happiness in their own lives.

The Four Tendencies

The Indispensable Personality Profiles That Reveal How to Make Your Life Better (and Other People's Lives Better, Too) *Harmony*

In this groundbreaking analysis of personality type, bestselling author of *Better Than Before* and *The Happiness Project* Gretchen Rubin reveals the one simple question that will transform what you do at home, at work, and in life. During her multibook investigation into understanding human nature, Gretchen Rubin realized that by asking the seemingly dry question "How do I respond to expectations?" we gain explosive self-knowledge. She discovered that based on their answer, people fit into Four Tendencies: Upholders, Questioners, Obligers, and Rebels. Our Tendency shapes every aspect of our behavior, so using this framework allows us to make better decisions, meet deadlines, suffer less stress, and engage more effectively. More than 600,000 people have taken her online quiz, and managers, doctors, teachers, spouses, and parents already use the framework to help people make significant, lasting change. The Four Tendencies hold practical answers if you've ever thought:

- People can rely on me, but I can't rely on myself.
- How can I help someone to follow good advice?
- People say I ask too many questions.
- How do I work with someone who refuses to do what I ask—or who keeps telling me what to do?

With sharp insight, compelling research, and hilarious examples, *The Four Tendencies* will help you get happier, healthier, more productive, and more creative. It's far easier to succeed when you know what works for you.

The Happiness Project

The Happiness Project - Summary *Createspace Independent Publishing Platform*

The Happiness Project: Or, Why I Spent a Year Trying to Sing in the Morning, Clean My Closets, Fight Right, Read Aristotle, and Generally Have More Fun by Gretchen Rubin | Summary and Analysis
 Book Preview: Gretchen Rubin's book begins with the "story behind the story." In "Getting Started," Gretchen shares what sparked the whole idea of a "Happiness Project" to begin with. The idea was rooted in nothing more fateful than a bus ride. It was a typical day and a typical commute when Gretchen caught sight out the bus window of a woman juggling an umbrella, a cell phone, and a child. Not a very extraordinary woman, but someone that Gretchen could see herself in. She was that woman - ordinary, harried, and while not depressed, maybe not the happiest, either. That's when it hit Gretchen - she was happy, but was she happy enough? Was this, an ordinary bus ride with ordinary feelings on an ordinary day really all there was for her in life? She knew she had life good, but could she have it even better? Gretchen decided to find out. A perfectionist and planner, Gretchen got started on her "Happiness Project" by doing some research. She read all the greats - from Plato to Schopenhauer in philosophy; Seligman to Lyubomirsky in religion; Tolstoy to McEwan to even Oprah in literature and pop-culture. She spoke with friends and family and colleagues, all of them a mix of critical and encouraging. This is a summary and analysis of the book and NOT the original book. Outer Order, Inner Calm

Declutter and Organize to Make More Room for Happiness

Harmony

NEW YORK TIMES BESTSELLER • In this lovely, easy-to-use illustrated guide to decluttering, the beloved author of *The Happiness Project* shows us how to take control of our stuff—and, by extension, our lives. Gretchen Rubin knows firsthand that creating order can make our lives happier, healthier, more productive, and more creative. But for most of us, a rigid, one-size-fits-all solution doesn't work. When we tailor our approach to suit our own particular challenges and habits, we can find inner calm. With a sense of fun, and a clear idea of what's realistic for most people, Rubin suggests dozens of manageable tips and tricks for creating a more serene, orderly environment, including:

- Never label anything “miscellaneous.”
- Ask yourself, “Do I need more than one?”
- Don't aim for minimalism.
- Remember: If you can't retrieve it, you won't use it.
- Stay current with a child's interests.
- Beware the urge to “procrasticlear.”

By getting rid of things we don't use, don't need, or don't love, we free our minds (and our shelves) for what we truly value.

by Gretchen Rubin | Includes Analysis *Instaread*

Summary of The Happiness Project by Gretchen Rubin | Includes

Analysis Preview: The Happiness Project by Gretchen Rubin is a memoir of the author's year-long experiment to see if she could maximize her happiness. Rubin had plenty of reasons to be satisfied with her life. She was married to the love of her life and the mother of two children. She had transitioned from law to a fulfilling writing career. Yet one afternoon while riding on a public bus, she had a sudden awareness of how quickly life passes. Afraid that she might wake up one day and feel like she wasted her life, Rubin asked herself: What do I really want? The answer was simple: to be happy. Although she had a wonderful life, she also had a strong sense that she could be happier. Rubin didn't want to do anything drastic, like leave her family or go on an overseas sabbatical. Instead, she decided to dedicate twelve months to increasing her own... PLEASE NOTE: This is key takeaways and analysis of the book and NOT the original book. Happiness Is a Serious Problem

A Human Nature Repair Manual *Harper Collins*

In this unique blend of self-help and moral philosophy, perfect for fans of Gretchen Rubin's *The Happiness Project* or Dan Harris' *10% Happier*, talk-radio host Dennis Prager shows us that happiness isn't just a value—it's a moral obligation. When you ask people about their most cherished values, "happiness" is

always at the top of the list. In this enduring happiness manifesto, Prager examines how happiness not only makes us better people, but has an effect on the lives of everyone around us—providing them with a positive environment in which to thrive and be happy themselves. Achieving that happiness won't be easy, though: to Prager, it requires a continuing process of counting your blessings and giving up any expectations that life is supposed to be wonderful. "Can we decide to be satisfied with what we have?" he asks. "A poor man who can make himself satisfied with his portion will be happier than a wealthy man who does not allow himself to be satisfied." Prager echoes other political commentators in complaining that too many people today see themselves as victims; he submits that the only way to achieve your desires is to take responsibility for your life rather than blaming others. If you're willing to put some thought into achieving a happier outlook, you will find plenty to mull over in *Happiness Is a Serious Problem*.

Be Happy! *Hay House, Inc*

"Happiness is a spiritual path. The more you learn about true happiness, the more you discover the truth of who you are, what is important, and what your life is for." *Be Happy!* is the follow-up to Robert Holden's best-selling *Happiness NOW!* In this book, Robert gives you a front-row seat on his 8-week happiness program—famously tested by independent scientists for the BBC-TV documentary called *How to Be Happy*. Step-by-step he introduces you to a set of proven techniques, principles, meditations, and insights that will help you be happy now! Key lessons include: Follow Your Joy — stop chasing happiness and

start enjoying your life as it happens, The Happiness Contract — undo mental and emotional blocks to happiness and success, The Receiving Meditation — increase your natural capacity for happiness and abundance, The Forgiveness Practice — give up all hopes for a better past and be happy now, and The Gift of Happiness — use the power of happiness to bless your life and benefit others. "This happiness training not only changes the way you feel; it actually changes the way your brain functions."—Professor Davidson, Wisconsin-Madison University BBC's *How to Be Happy* TV documentary

How to be a Happier Parent

Raising a Family, Having a Life, and Loving (Almost) Every Minute *Penguin*

An encouraging guide to helping parents find more happiness in their day-to-day family life, from the former lead editor of the New York Times' Motherlode blog and author of the Reese Witherspoon Book Club pick, *The Chicken Sisters* In all the writing and reporting KJ Dell'Antonia has done on families over the years, one topic keeps coming up again and again: parents crave a greater sense of happiness in their daily lives. In this optimistic, solution-packed book, KJ asks: How can we change our family life so that it is full of the joy we'd always hoped for? Drawing from the latest research and interviews with families, KJ discovers that it's possible to do more by doing less, and make our family life a refuge and pleasure, rather than another stress point in a hectic day. She focuses on nine common problem spots that cause parents the most grief, explores why they are hard, and offers

small, doable, sometimes surprising steps you can take to make them better. Whether it's getting everyone out the door on time in the morning or making sure chores and homework get done without another battle, *How to Be a Happier Parent* shows that having a family isn't just about raising great kids and churning them out at destination: success. It's about experiencing joy--real joy, the kind you look back on, look forward to, and live for--along the way.

Forty Ways to Look at Winston Churchill

A Brief Account of a Long Life *Random House Trade Paperbacks*

A WALL STREET JOURNAL SUMMER PICK A WASHINGTON POST BESTSELLER Warrior and writer, genius and crank, rider in the British cavalry's last great charge and inventor of the tank, Winston Churchill led Britain to fight alone against Nazi Germany in the fateful year of 1940 and set the standard for leading a democracy at war. With penetrating insight and vivid anecdotes, Gretchen Rubin makes Churchill accessible and meaningful to twenty-first-century readers by analyzing the many contrasting views of the man: he was an alcoholic, he was not; he was an anachronism, he was a visionary; he was a racist, he was a humanitarian; he was the most quotable man in the history of the English language, he was a bore. Like no other portrait of its famous subject, *Forty Ways to Look at Winston Churchill* is a dazzling display of facts more improbable than fiction. It brings to full realization the depiction of a man too fabulous for any novelist to construct, too complex for even the longest narrative

to describe, and too significant ever to be forgotten.

The Happiness Equation

Want Nothing + Do Anything = Have Everything *Penguin*

The #1 international bestseller from the author of *The Book of Awesome* that "reveals how all of us can live happier lives" (Gretchen Rubin). What is the formula for a happy life? Neil Pasricha is a Harvard MBA, a New York Times--bestselling author, a Walmart executive, a father, a husband. After selling more than a million copies of the *Book of Awesome* series, wherein he observed the everyday things he thought were awesome, he now shifts his focus to the practicalities of living an awesome life. In his new book *The Happiness Equation*, Pasricha illustrates how to want nothing and do anything in order to have everything. If that sounds like a contradiction in terms, you simply have yet to unlock the 9 Secrets to Happiness. Each secret takes a piece out of the core of common sense, turns it on its head to present it in a completely new light, and then provides practical and specific guidelines for how to apply this new outlook to lead a fulfilling life. Once you've unlocked Pasricha's 9 Secrets, you will understand counter intuitive concepts such as: Success Does Not Lead to Happiness, Never Take Advice, and Retirement Is a Broken Theory. You will learn and then master three brand-new fundamental life tests: the Saturday Morning Test, The Bench Test, and the Five People Test. You will know the difference between external goals and internal goals and how to make more money than a Harvard MBA (hint: it has nothing to do with your annual salary). You will discover that true wealth has nothing to

do with money, multitasking is a myth, and the elimination of options leads to more choice. The Happiness Equation is a book that will change how you think about pretty much everything—your time, your career, your relationships, your family, and, ultimately, of course, your happiness.

Smarts and Stamina

The Busy Person's Guide to Optimal Health and Performance

Marie-Josée Shaar and Kathryn Britton demonstrate that health, happiness, and productivity are mutually reinforcing. Smarts and Stamina is a highly practical workbook that will help you leverage your strengths to have lasting impact on your quality of life at work and play. The 50 sets of health-building activities are grounded on scientific research. By following the powerful, customizable step-by-step process, you can: - Feel in the prime of your life - Learn how to change and change how you learn - Choose good health habits, and make them stick Discover your own personal pathway to physical energy, mental focus, and emotional resilience. This book is not just an enjoyable process helping you become healthier; it is a true lifestyle game changer.

The Feel Good Effect

Reclaim Your Wellness by Finding Small Shifts that Create Big Change *Ten Speed Press*

A groundbreaking approach to wellness that will help you cut through the clutter and find the small shifts that create huge

changes in your life, from the host of the podcast The Feel Good Effect “An absolutely fresh and insightful guide . . . If you’re looking to create more calm, clarity, and joy, this book is for you.”—Shauna Shapiro, Ph.D., author of Good Morning I Love You What if wellness isn’t about achieving another set of impossible standards, but about finding what works—for you? Radically simple and ridiculously doable, The Feel Good Effect helps you redefine wellness, on your own terms. Drawing from cutting-edge science on mindfulness, habit, and behavior change, podcast host Robyn Conley Downs offers a collection of small mindset shifts that allow for more calm, clarity, and joy in everyday life, embracing the idea that “gentle is the new perfect” when it comes to sustainable wellness. She then leads you through an easy set of customizable habits for happiness and health in mind, body, and soul, allowing you to counteract stress and prevent burnout. Instead of trying to get more done, The Feel Good Effect offers a refreshingly sane approach that will allow you to identify and focus on the elements that actually move the needle in your life right now. Less striving. More ease. It’s time to feel good.

EntreLeadership

20 Years of Practical Business Wisdom from the Trenches

Simon and Schuster

From New York Times bestselling author and nationally syndicated talk radio host Dave Ramsey comes the secret to how he grew a multimillion dollar company from a card table in his living room. If you’re at all responsible for your company’s success, you can’t just be a hard-charging entrepreneur or a

motivating, encouraging leader. You have to be both! Dave Ramsey, America's trusted voice on money and business, reveals the keys that grew his company from a one-man show to a multimillion-dollar business—with no debt, low turnover, and a company culture that earns it the “Best Place to Work” award year after year. This book presents Dave's playbook for creating work that matters; building an incredible group of passionate, empowered team members; and winning the race with steady momentum that will roll over any obstacle. Regardless of your business goals, you'll discover that anyone can lead any venture to unbelievable growth and prosperity through Dave's common sense, counterculture, EntreLeadership principles!

The Best of the Happiness Project Blog

Ten Years of Happiness, Good Habits, and More *Hachette UK*

From the author of BETTER THAN BEFORE > 'A LOT OF US WOULD LIKE A RUBIN IN OUR LIVES' The Times Magazine - 'EXTRAORDINARY' Viv Groskop, The Times Style - 'FASCINATING, PERSUASIVE' Guardian - 'A LIFE-CHANGER' The Pool Did you love The Happiness Project, Happier at Home and Better Than Before? New York Times bestselling author and award-winning podcaster Gretchen Rubin celebrates ten years of blogging with a special commemorative ebook. This collection offers Gretchen's best articles from a decade of studying happiness and habits. From her first day as a blogger to the happiest day of her life, Rubin relives the moments that have helped us understand our habits, improve our relationships, and lead happier lives. Whether you're

a longtime fan who has read Gretchen's recent New York Times bestsellers The Happiness Project, Happier at Home and Better Than Before, or a new convert from her wildly popular podcast, Happier with Gretchen Rubin, this funny and poignant compilation will entertain and inspire you in your own pursuit of happiness and good habits.

The Silver Crown *Simon and Schuster*

In this gripping and memorable middle grade fantasy from Newbery Medal-winning author Robert C. O'Brien, good and evil are locked in battle and the balance between the two can only be restored by one young girl's determination to set things right. “It lay beside her on the pillow, shinier than silver, glowing softly, with twinkling blue stones set all around....It did not occur to her to wonder from whom it had come; she was merely aware that it was hers by right.” Ellen awakens one morning with a mysterious silver crown on the pillow beside her. What magic powers it possesses she has not yet discovered, but the sudden changes in her life are unmistakable: her house is burned down, her family has disappeared, and a man in a dark uniform is stalking her. Can Ellen ever find her family? Can she use the power of the silver crown to thwart the powers of darkness? What diabolical force hides inside the mysterious castle in the woods?

Think Again

The Power of Knowing What You Don't Know *Penguin*

#1 New York Times Bestseller “THIS. This is the right book for right now. Yes, learning requires focus. But, unlearning and

relearning requires much more—it requires choosing courage over comfort. In *Think Again*, Adam Grant weaves together research and storytelling to help us build the intellectual and emotional muscle we need to stay curious enough about the world to actually change it. I've never felt so hopeful about what I don't know." —Brené Brown, Ph.D., #1 New York Times bestselling author of *Dare to Lead* The bestselling author of *Give and Take* and *Originals* examines the critical art of rethinking: learning to question your opinions and open other people's minds, which can position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, there's another set of cognitive skills that might matter more: the ability to rethink and unlearn. In our daily lives, too many of us favor the comfort of conviction over the discomfort of doubt. We listen to opinions that make us feel good, instead of ideas that make us think hard. We see disagreement as a threat to our egos, rather than an opportunity to learn. We surround ourselves with people who agree with our conclusions, when we should be gravitating toward those who challenge our thought process. The result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other side wrong, and politicians campaigning for approval--and too little like scientists searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can become. Organizational psychologist Adam Grant is an expert on opening other people's minds--and our own. As Wharton's top-rated professor and the bestselling author of

Originals and *Give and Take*, he makes it one of his guiding principles to argue like he's right but listen like he's wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being wrong, bring nuance to charged conversations, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, a vaccine whisperer convinces concerned parents to immunize their children, and Adam has coaxed Yankees fans to root for the Red Sox. *Think Again* reveals that we don't have to believe everything we think or internalize everything we feel. It's an invitation to let go of views that are no longer serving us well and prize mental flexibility over foolish consistency. If knowledge is power, knowing what we don't know is wisdom.

Profane Waste *Gregory R. Miller & Co.*

Profane Waste~ISBN 0-9743648-3-5 U.S. \$25.00 / Hardcover, 8.5 x 10.5 in. / 75 pgs / 30 color. ~Item / June / Photography

Authentic Happiness *Hachette UK*

In this important, entertaining book, one of the world's most celebrated psychologists, Martin Seligman, asserts that happiness can be learned and cultivated, and that everyone has the power to inject real joy into their lives. In *Authentic Happiness*, he describes the 24 strengths and virtues unique to the human psyche. Each of us, it seems, has at least five of these attributes, and can build on them to identify and develop to our maximum potential. By incorporating these strengths - which

include kindness, originality, humour, optimism, curiosity, enthusiasm and generosity -- into our everyday lives, he tells us, we can reach new levels of optimism, happiness and productivity. Authentic Happiness provides a variety of tests and unique assessment tools to enable readers to discover and deploy those strengths at work, in love and in raising children. By accessing the very best in ourselves, we can improve the world around us and achieve new and lasting levels of authentic contentment and joy.

The Art of Happiness

A Handbook for Living

Through conversations, stories, and meditations, the Dalai Lama shows us how to defeat day-to-day anxiety, insecurity, anger, and discouragement. Together with Dr. Howard Cutler, he explores many facets of everyday life, including relationships, loss, and the pursuit of wealth, to illustrate how to ride through life's obstacles on a deep and abiding source of inner peace. Based on 2,500 years of Buddhist meditations mixed with a healthy dose of common sense, THE ART OF HAPPINESS is a book that crosses the boundaries of traditions to help readers with difficulties common to all human beings. After being in print for ten years, this book has touched countless lives and uplifted spirits around the world.

The Happiness Project

Or, Why I Spent a Year Trying to Sing in the Morning, Clean My Closets, Fight Right, Read Aristotle, and Generally Have More Fun

What if you could change your life without really changing your life? On the outside, Gretchen Rubin had it all -- a good marriage, healthy children and a successful career -- but she knew something was missing. Determined to end that nagging feeling, she set out on a year-long quest to learn how to better enjoy the life she already had. Each month, Gretchen pursued a different set of resolutions -- go to sleep earlier, tackle a nagging task, bring people together, take time to be silly -- along with dozens of other goals. She read everything from classical philosophy to cutting-edge scientific studies, from Winston Churchill to Oprah, developing her own definition of happiness and a plan for how to achieve it. She kept track of which resolutions worked and which didn't, sharing her stories and collecting those of others through her blog (created to fulfill one of March's resolutions). Bit by bit, she began to appreciate and amplify the happiness in her life. The Happiness Project is the engaging, relatable and inspiring result of the author's twelve-month adventure in becoming a happier person. Written with a wicked sense of humour and sharp insight, Gretchen Rubin's story will inspire readers to embrace the pleasure in their lives and remind them how to have fun.

The Happiness Advantage

How a Positive Brain Fuels Success in Work and Life *Currency*

INTERNATIONAL BESTSELLER • The happy secret to greater success and fulfillment in work and life—a must-read for everyone trying to flourish in a world of increasing stress and negativity “Thoughtfully lays out the steps to increasing

workplace positivity.”—Forbes In the book that inspired one of the most popular TED Talks of all time, New York Times bestselling author Shawn Achor reveals how rewiring our brain for happiness helps us achieve more in our careers and our relationships and as students, leaders, and parents. Conventional wisdom holds that once we succeed, we'll be happy; that once we get that great job, win that next promotion, lose those five pounds, happiness will follow. But the science reveals this formula to be backward: Happiness fuels success, not the other way around. Research shows that happy employees are more productive, more creative, and better problem solvers than their unhappy peers. And positive people are significantly healthier and less stressed and enjoy deeper social interaction than the less positive people around them. Drawing on his original research—including one of the largest studies of happiness ever conducted—and work in boardrooms and classrooms across forty-two countries, Achor shows us how to rewire our brains for positivity and optimism to reap the happiness advantage in our lives, our careers, and even our health. His strategies include: • The Tetris Effect: how to retrain our brains to spot patterns of possibility so we can see and seize opportunities all around us • Social Investment: how to earn the dividends of a strong social support network • The Ripple Effect: how to spread positive change within our teams, companies, and families By turns fascinating, hopeful, and timely, *The Happiness Advantage* reveals how small shifts in our mind-set and habits can produce big gains at work, at home, and elsewhere.

Summary of The Happiness Project

By Gretchen Rubin | Includes Analysis *Idreambooks*

Summary of The Happiness Project by Gretchen Rubin Includes Analysis Preview: The Happiness Project by Gretchen Rubin is a memoir of the author's year-long experiment to see if she could maximize her happiness. Rubin had plenty of reasons to be satisfied with her life. She was married to the love of her life and the mother of two children. She had transitioned from law to a fulfilling writing career. Yet one afternoon while riding on a public bus, she had a sudden awareness of how quickly life passes. Afraid that she might wake up one day and feel like she wasted her life, Rubin asked herself: What do I really want? The answer was simple: to be happy. Although she had a wonderful life, she also had a strong sense that she could be happier. Rubin didn't want to do anything drastic, like leave her family or go on an overseas sabbatical. Instead, she decided to dedicate twelve months to increasing her own... PLEASE NOTE: This is key takeaways and analysis of the book and NOT the original book. Forty Ways to Look at JFK

An accessible portrait of the America's thirty-fifth president captures the contradictions and complexities of John Fitzgerald Kennedy as it presents forty contrasting views of the man, his

life, his accomplishments, his contributions to history, and his legacy. 30,000 first printing.

This Naked Mind**Control Alcohol, Find Freedom, Discover Happiness & Change Your Life** *Penguin*

This Naked Mind has ignited a movement across the country, helping thousands of people forever change their relationship with alcohol. Many people question whether drinking has become too big a part of their lives, and worry that it may even be affecting their health. But, they resist change because they fear losing the pleasure and stress-relief associated with alcohol, and assume giving it up will involve deprivation and misery. This Naked Mind offers a new, positive solution. Here, Annie Grace clearly presents the psychological and neurological components of alcohol use based on the latest science, and reveals the cultural, social, and industry factors that support alcohol dependence in all of us. Packed with surprising insight into the reasons we drink, this book will open your eyes to the startling role of alcohol in our culture, and how the stigma of alcoholism and recovery keeps people from getting the help they need. With Annie's own extraordinary and candid personal story at its heart, this book is a must-read for anyone who drinks. This Naked Mind will give you freedom from alcohol. It removes the psychological dependence so that you will not crave alcohol, allowing you to easily drink less (or stop drinking). With clarity, humor, and a unique blend of science and storytelling, This Naked Mind will open the door to the life you have been waiting for. "You have

given me my live back.” —Katy F., Albuquerque, New Mexico
 “This is an inspiring and groundbreaking must-read. I am forever inspired and changed.” —Kate S., Los Angeles, California
 “The most selfless and amazing book that I have ever read.” —Bernie M., Dublin, Ireland

Wellth

How to Build a Life, Not a Résumé *Harmony*

"Wealth noun \welth\ Derived from the Middle English, welthe: meaning wellbeing and happiness: a large amount of money and possessions Wellth noun \welth\ A new and more valuable life currency: a life exemplified by abundance, happiness, purpose, health, and joy. MindBodyGreen founder Jason Wachob, in his first book, redefines successful living and offers readers instead a new life currency to build on, one that is steeped in physical and emotional health and wellbeing. In this prescriptive memoir he shows us all how to build a life, not a resume, and why it's important to make frequent deposits into our own 'wellth' accounts. Don't just take his word for it, read exclusive material from popular contributors and see what they have to say about becoming truly wellthy, including: psychologist Sue Johnson, Dr. Frank Lipman, Dr. Aviva Romm, Joe Cross, meditation expert Charlie Knoles, EWG director Heather White, and yoga phenom Kathryn Budig"--

One Thousand Gifts

A Dare to Live Fully Right Where You Are *Thomas Nelson*

MORE THAN ONE MILLION COPIES SOLD New York Times bestselling author Ann Voskamp invites you to embrace everyday blessings and embark on the transformative spiritual discipline of chronicling God's gifts. Just like you, Ann Voskamp hungers to live her one life well. Forget the bucket lists that have us escaping our everyday lives for exotic experiences. "How," Ann wondered, "do we find joy in the midst of deadlines, debt, drama, and daily duties? What does the Christ-life really look like when your days are gritty, long - and sometimes even dark? How is God even here?" In *One Thousand Gifts*, Ann invites you to discover a way of seeing that opens your eyes to ordinary amazing grace, a way of living that is fully alive, and a way of becoming present to God that brings you deep and lasting joy. It's only in the expression of gratitude for the life we already have, we discover the life we've always wanted . . . a life we can take, give thanks for, and break for others. We come to feel and know the impossible right down in our bones: we are wildly loved - by God. Let Ann's beautiful, heart-aching stories of the everyday give you a way of seeing that opens your eyes to ordinary amazing grace, a way of being present to God that makes you deeply happy, and a way of living that is finally fully alive. Come live the best dare of all! For extended study into the *One Thousand Gifts* message, Ann has also created the *One Thousand Gifts* video study and study guide, a *One Thousand Gifts* devotional, and a special gift edition. This title is also available in Spanish, *Millar de Obsequios*.

Happier at Home

Kiss More, Jump More, Abandon a Project, Read Samuel Johnson, and My Other Experiments in the Practice of Everyday Life *Doubleday Canada*

Tolstoy wrote, "Happy families are all alike; every unhappy family is unhappy in its own way." This is the statement that inspired bestselling author Gretchen Rubin to wonder whether she could foster an even greater happiness in her home. During *The Happiness Project*, the same questions kept tugging at her. How can I raise happy children? How can I maintain a tender, romantic relationship with my spouse--after fifteen years of marriage? How do I keep my Blackberry from taking over my private life? How can I foster a well-ordered, light-hearted atmosphere in my house, when no one else will lift a finger to cooperate? This book is Gretchen's account of her second journey in pursuit of happiness. Prescriptive, easy-to-follow, and anecdotal, *Happier at Home* offers readers a way of thinking and being that is positive and life-affirming. With specific examples following the calendar year, an intimate voice, and drawing from science and pop culture, this book will resonate with anyone looking to strengthen the bonds of family.
