The Stranger *Vintage*

With the intrigue of a psychological thriller, Camus's masterpiece gives us the story of an ordinary man unwittingly drawn into a senseless murder on an Algerian beach. Behind the intrigue, Camus explores what he termed "the nakedness of man faced with the absurd" and describes the condition of reckless alienation and spiritual exhaustion that characterized so much of twentieth-century life. First published in 1946; now in translation by Matthew Ward.

Looking for The Stranger

Albert Camus and the Life of a Literary Classic *University of Chicago Press*

"A National Book Award-finalist biographer tells the story of how a young man in his 20s who had never written a novel turned out a masterpiece that still grips readers more than 70 years later and is considered a rite of passage for readers around the world, "--NoveList.

The Stranger

The Graphic Novel *Simon and Schuster*

The day his mother dies, Meursault notices that it is very hot on the bus that is taking him from Algiers to the retirement home where his mother lived; so hot that he falls asleep.Later, while waiting for the wake to begin, the harsh electric lights in the room make him extremely uncomfortable, so he gratefully accepts the coffee the caretaker offers him and smokes a cigarette. The same burning sun that so oppresses him during the funeral walk will once again blind the calm, reserved Meursault as he walks along a deserted beach a few days later—leading him to commit an irreparable act.This new illustrated edition of Camus's classic novel The Stranger portrays an enigmatic man who commits a senseless crime and then calmly, and apparently indifferently, sits

through his trial and hears himself condemned to death.

The Outsider

The Outsider *Penguin Classics*

'The sky seemed to rip apart from end to end to pour fire down upon me' Meursault will not conform. When his mother dies, he refuses to show his emotions simply to satisfy the expectations of others. And when he commits a random act of violence on a sun-drenched beach, his lack of remorse only compounds his guilt in the eyes of society and the law. Albert Camus' portrayal of a man confronting the absurdity of human life became a classic. Yet it is also a book filled with quiet joy in the physical world, and this new translation sensitively renders the subtleties and dreamlike atmosphere of The Outsider. A new translation by Sandra Smith

Albert Camus's The Stranger *Barrons Educational Series Incorporated*

A guide to reading "The Stranger" with a critical and appreciative mind encouraging analysis of plot, style, form, and structure. Also includes background on the author's life and times, sample tests, term paper suggestions, and a reading list.

The Stranger - Albert Camus *Infobase Publishing*

The condition of man is revealed as absurd in Camus's short novel.

The Meursault Investigation

A Novel *Other Press, LLC*

Best Translated Novel of the Decade – Lit Hub A New York Times Notable Book of 2015 — Michiko Kakutani, The Top Books of 2015, New York Times — TIME Magazine Top Ten Books of 2015 — Publishers Weekly Best Books of the Year — Financial Times Best Books of the Year “A tour-de-force reimagining of Camus’s The Stranger, from the point of view of the mute Arab victims.” —The New Yorker He was the brother of “the Arab” killed by the infamous Meursault, the antihero of Camus’s classic novel. Seventy years after that event, Harun, who has lived since childhood in the shadow of his sibling’s memory, refuses to let him remain anonymous: he gives his brother a story and a name—Musa—and describes the events that led to Musa’s casual murder on a dazzlingly sunny beach. In a bar in Oran, night after night, he ruminates on his solitude, on his broken heart, on his anger with men desperate for a god, and on his disarray when faced with a country that has so disappointed him. A stranger among his own people, he wants to be granted, finally, the right to die. The Stranger is of course central to Daoud’s story, in which he both endorses and criticizes one of the most famous novels in the world. A worthy complement to its great predecessor, The Meursault Investigation is not only a profound meditation on Arab identity and the disastrous effects of colonialism in Algeria, but also a stunning work of literature in its own right, told in a unique and affecting voice.

The Stranger. Illustrated *Strelbytskyy Multimedia Publishing*

The Stranger, also published in English as The Outsider, is a novella by French author Albert Camus. The title character is Meursault, an indifferent French settler in Algeria described as "a citizen of France domiciled in North Africa, a man of the Mediterranean, an homme du midi yet one who hardly partakes of the traditional Mediterranean culture." He kills an Arab man in French Algiers, who was involved in a conflict with one of Meursault's neighbors. Meursault is tried and sentenced to death. The story is divided into two parts, presenting Meursault's first-person narrative view before and after the murder, respectively. The theme and outlook are often cited as examples of Camus' philosophy, absurdism, coupled with existentialism; though Camus personally rejected the latter label.

Albert Camus’s The Stranger

Critical Essays *Cambridge Scholars Publishing*

Often marginalised on the sidelines of both philosophy and literature, the works of Albert Camus have, in recent years, undergone a renaissance. While most readers in either discipline claim Camus and his works to be ‘theirs’, the scholars presented in this volume tend to see him and his works in both philosophy and literature. This volume is a collection of critical essays by an international menagerie of Camus experts who, despite their interpretive differences, see Camus through both lenses. For them, he is a novelist/essayist who embodies a philosophy that was never fully developed due to his brief life. The essays here examine Camus's first published novel, The Stranger, from a variety of critical and theoretical perspectives, each drawing on the author’s knowledge to present the first known critical examination in English. As such, this volume will shed new light on previous scholarship.

The Stranger by Albert Camus a Critical Introduction (Revised Edition) *CreateSpace*

The Second Edition of this popular critical study has been significantly expanded and completely revised, making it the most thorough single-volume study of Camus' classic novel. A Critical Introduction places Camus' ideas in context. Part One shows the development of his thought in the early essays, the unpublished “A Happy Death”, the plays “Caligula” and “The Misunderstanding”, and the philosophical work “The Myth of Sisyphus”. Building on this foundation, Part Two gives a detailed, consistent reading of “The Stranger”. The aim throughout, is to explain the meaning that Camus intended his text to have, thus meeting the needs of both the general reader and the student up to graduate level. This guide is thought provoking and encourages the reader to develop their own ideas about interpreting the central themes of the text.

Study Guide to The Stranger and Other Works by Albert Camus *Influence Publishers*

A comprehensive study guide offering in-depth explanation, essay, and test prep for selected works by Albert Camus, winner of the Nobel Prize for Literature in 1957. Titles in this study guide include The Stranger, The Myth of Sisyphus, The Rebel, The State of Siege, The Misunderstanding, The Just Assassins, Requiem for a Nun, The Possessed, The First Man, The Fall, Exile and the Kingdom, The Plague, Caligula, Summer, Betwixt and Between, Nuptials, Letters to a German Friend, and Summer. As a notable French Algerian writer of philosophical literature in the early 1940s, Camus’s essays, novels, and playwrights focused on his moralist political stance and brought absurdism to light in the era of twentieth-century philosophy. Moreover, Camus is said to have written “on every subject that demanded a position,” which can be seen in his diverse literary works on ethics, humanity, and politics. This Bright Notes Study Guide explores the context and history of Camus’s classic work, helping students to thoroughly explore the reasons they have stood the literary test of time. Each Bright Notes Study Guide contains: - Introductions to the Author and the Work - Character Summaries - Plot Guides - Section and Chapter Overviews - Test Essay and Study Q&As The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature,

exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.

NB: the novel written by Albert Camus is not included.

Camus and Sartre

The Story of a Friendship and the Quarrel that Ended It *University of Chicago Press*

Until now it has been impossible to read the full story of the relationship between Albert Camus and Jean-Paul Sartre. Their dramatic rupture at the height of the Cold War, like that conflict itself, demanded those caught in its wake to take sides rather than to appreciate its tragic complexity. Now, using newly available sources, Ronald Aronson offers the first book-length account of the twentieth century's most famous friendship and its end. Albert Camus and Jean-Paul Sartre first met in 1943, during the German occupation of France. The two became fast friends. Intellectual as well as political allies, they grew famous overnight after Paris was liberated. As playwrights, novelists, philosophers, journalists, and editors, the two seemed to be everywhere and in command of every medium in post-war France. East-West tensions would put a strain on their friendship, however, as they evolved in opposing directions and began to disagree over philosophy, the responsibilities of intellectuals, and what sorts of political changes were necessary or possible. As Camus, then Sartre adopted the mantle of public spokesperson for his side, a historic showdown seemed inevitable. Sartre embraced violence as a path to change and Camus sharply opposed it, leading to a bitter and very public falling out in 1952. They never spoke again, although they continued to disagree, in code, until Camus's death in 1960. In a remarkably nuanced and balanced account, Aronson chronicles this riveting story while demonstrating how Camus and Sartre developed first in connection with and then against each other, each keeping the other in his sights long after their break. Combining biography and intellectual history, philosophical and political passion, Camus and Sartre will fascinate anyone interested in these great writers or the world-historical issues that tore them apart.

A Life Worth Living *Harvard University Press*

Exploring themes that preoccupied Albert Camus--absurdity, silence, revolt, fidelity, and moderation--Robert Zaretsky portrays a moralist who refused to be fooled by the nobler names we assign to our actions, and who pushed himself, and those about him, to challenge the status quo. For Camus, rebellion against injustice is the human condition.

If you want an even more challenging analysis of this text then a more detailed critical analysis is available in this author's popular Critical Introduction series: The Stranger by Albert Camus: A Critical Introduction (Revised Edition) by Ray Moore

The Rebel

An Essay on Man in Revolt Vintage

By one of the most profoundly influential thinkers of our century, The Rebel is a classic essay on revolution. For Albert Camus, the urge to revolt is one of the "essential dimensions" of human nature, manifested in man's timeless Promethean struggle against the conditions of his existence, as well as the popular uprisings against established orders throughout history. And yet, with an eye toward the French Revolution and its regicides and deicides, he shows how inevitably the course of revolution leads to tyranny. As old regimes throughout the world collapse, The Rebel resonates as an ardent, eloquent, and supremely rational voice of conscience for our tumultuous times. Translated from the French by Anthony Bower.

Primo Levi

"It's a pretty long story," Primo Levi tells a classroom of children, "so I'll try to make it simple." Translated from the original Italian, this hauntingly illustrated comic tells the story of the Italian Jewish chemist who survived the camps at Auschwitz against all odds. Matteo Mastragostino draws on historical research, interviews, and Levi's own landmark books to piece together a fictionalized yet profoundly intimate portrait of a courageous figure. In the scene that emerges, Levi visits a group of schoolchildren to retell his life story and keep the memory of the Holocaust alive, answering innocent questions with hard truths. Sobering yet tender, Primo Levi extends a rare opportunity for readers both young and old to deepen their understanding of life, death, and the human spirit.

Into the Storm Penguin

Pursued by Japanese battleships, the USS Walker, a destroyer under the command of Lieutenant Commander Matthew Patrick Reddy, tries to lose the enemy by heading into a storm, only to become trapped in a primitive alternate world, populated by strange crea

Also includes The Misunderstanding, State of Siege, and The Just Assassins. Translated by Stuart Gilbert.

The Metamorphosis W. W. Norton & Company

Albert Camus

A Life Knopf

In this enormously engaging, vibrant, and richly researched biography of Albert Camus, the French writer and journalist Olivier Todd has drawn on personal correspondence, notebooks, and public records never before tapped, as well as interviews with Camus's family, friends, fellow workers, writers, mentors, and lovers. Todd shows us a Camus who struggled all his life with irreconcilable conflicts--between his loyalty to family and his passionate nature, between the call to political action and the integrity to his art, between his support of the native Algerians and his identification with the forgotten people, the poor whites. A very private man, Camus could be charming and prickly, sincere and theatrical, genuinely humble, yet full of great ambition. Todd paints a vivid picture of the time and place that shaped Camus--his impoverished childhood in the Algerian city of Belcourt, the sea and the sun and the hot sands that he so loved (he would always feel an exile elsewhere), and the educational system that nurtured him. We see the forces that lured him into communism, and his attraction to the theater and to journalism as outlets for his creativity. The Paris that Camus was inevitably drawn to is one that Todd knows intimately, and he brings alive the war years, the underground activities that Camus was caught up in during the Occupation and the bitter postwar period, as well as the intrigues of the French literati who embraced Camus after his first novel, L'Etranger, was published. Todd is also keenly attuned to the French intellectual climate, and as he takes Camus's measure as a successful novelist, journalist, playwright and director, literary editor, philosopher, he also reveals the temperament in the writer that increasingly isolated him and

crippled his reputation in the years before his death and for a long time after. He shows us the solitary man behind the mask--debilitated by continuing bouts of tuberculosis, constantly drawn to irresistible women, and deeply troubled by his political conflicts with the reigning French intellectuals, particularly by the vitriol of his former friend Sartre over the Algerian conflict. Filled with sharp observations and sparkling with telling details, here is a wonderfully human portrait of the Nobel Prize-winning writer, who died at the age of forty-six and who remains one of the most influential literary figures of our time.

Camus at Combat

Writing 1944-1947 Princeton University Press

For the first time in English, "Camus at Combat" presents all of Camus' World War II resistance and early postwar writings published in "Combat," the resistance newspaper where he served as editor-in-chief and editorial writer between 1944 and 1947.

Child of God Vintage

In this taut, chilling novel from the bestselling, Pulitzer Prize-winning author of The Road, Lester Ballard—a violent, dispossessed man falsely accused of rape—haunts the hill country of East Tennessee when he is released from jail. While telling his story, Cormac McCarthy depicts the most sordid aspects of life with dignity, humor, and characteristic lyrical brilliance. "Like the novelists he admires-Melville, Dostoyevsky, Faulkner-Cormac McCarthy has created an imaginative oeuvre greater and deeper than any single book. Such writers wrestle with the gods themselves." —Washington Post

The World Beneath: A Novel W. W. Norton & Company

A mesmerizing literary novel that begins when a boy goes missing—and winds into an obsessive hunt with murderous results. One cold November morning in Perser, Oklahoma, Sheriff Jerry Martin receives a disturbing call: a local fifteen-year-old has disappeared. The boy, J.T., who is half Mexican, half Chickasaw and has been raised by his grandmother, is known for starting trouble. Sheriff Martin sets out on a fevered search, determined to find J.T., even as the hunt reopens wounds from a traumatic event in his past. In a seemingly parallel but ultimately intersecting story, Hickson Crider, a veteran of the first Iraq war, discovers a mysterious crevice, perfectly round and seemingly bottomless, in his backyard. The hole becomes Hickson's obsession—and an ominous clue in Sheriff Martin's investigation.Aaron Gwyn's perceptive, quietly beautiful prose is "reminiscent of Flannery O'Connor" (Kirkus Reviews), engaging us in a tale that is both savage and burning with heart, about the after effects of war, violence, faith, and random acts of devotion.

People Policy

Australia's Population Choices UNSW Press

This lively and readable contribution to the optical debate on Australia's population and immigration policy (or lack of it) comes from one of the country's best known and most authoritative environmental writers. People Policy contains a wide-ranging, multidisciplinary, informative review of the background to, studies on and approaches to population policy. It draws heavily on submissions to the House of Representatives' committee of inquiry into Australia's population (the Jones Inquiry), which the author served as a consultant. Ever assertive and controversial, yet backing up his points with facts and figures, Doug Cocks puts the case for stabilising Australia's population through powerful arguments drawn from environmental, ecological, economic, social and quality-of-life considerations, balancing his personal views by outlining the full range of cases to be made and choices facing the country. People Policy is for general readers with environmental, green, political and social interests relating to human population studies; it has a glossary of demographic terms to assist lay readers. Being fully referenced with an extensive bibliography, it is also useful for students taking demography, population studies, population & human resources, and human ecology units in Geography, Environmental Studies, Demography, Population Studies, Social Policy, and Urban and Regional Planning programs. It will also interest demographers, planners and policymakers dealing with migration, social and economic development, and urban and regional planning.

Looking for the Outsider

Albert Camus and the Life of a Literary Classic

The Plague Vintage

"Its relevance lashes you across the face." —Stephen Metcalf, The Los Angeles Times • "A redemptive book, one that wills the reader to believe, even in a time of despair." —Roger Lowenstein, The Washington Post A haunting tale of human resilience and hope in the face of unrelieved horror, Albert Camus' iconic novel about an epidemic ravaging the people of a North African coastal town is a classic of twentieth-century literature. The townspeople of Oran are in the grip of a deadly plague, which condemns its victims to a swift and horrifying death. Fear, isolation and claustrophobia follow as they are forced into quarantine. Each person responds in their own way to the lethal disease: some resign themselves to fate, some seek blame, and a few, like Dr. Rieux, resist the terror. An immediate triumph when it was published in 1947, The Plague is in part an allegory of France's suffering under the Nazi occupation, and a timeless story of bravery and determination against the precariousness of human existence.

None of the Above HarperCollins

A groundbreaking story about a teenage girl who discovers she's intersex . . . and what happens when her secret is revealed to the entire school. Incredibly compelling and sensitively told, None of the Above is a thought-provoking novel that explores what it means to be a boy, a girl, or something in between. What if everything you knew about yourself changed in an instant? When Kristin Lattimer is voted homecoming queen, it seems like another piece of her ideal life has fallen into place. She's a champion hurdler with a full scholarship to college and she's madly in love with her boyfriend. In fact, she's decided that she's ready to take things to the next level with him. But Kristin's first time isn't the perfect moment she's planned—something is very wrong. A visit to the doctor reveals the truth: Kristin is intersex, which means that though she outwardly looks like a girl, she has male chromosomes, not to mention boy "parts." Dealing with her body is difficult enough, but when her diagnosis is leaked to the whole school, Kristin's entire identity is thrown into question. As her world unravels, can she come to terms with her new self?
