PostSecret**Extraordinary Confessions from Ordinary Lives** *Harper Collins*

The project that captured a nation's imagination. The instructions were simple, but the results were extraordinary. "You are invited to anonymously contribute a secret to a group art project. Your secret can be a regret, fear, betrayal, desire, confession, or childhood humiliation. Reveal anything -- as long as it is true and you have never shared it with anyone before. Be brief. Be legible. Be creative." It all began with an idea Frank Warren had for a community art project. He began handing out postcards to strangers and leaving them in public places -- asking people to write down a secret they had never told anyone and mail it to him, anonymously. The response was overwhelming. The secrets were both provocative and profound, and the cards themselves were works of art -- carefully and creatively constructed by hand.

Addictively compelling, the cards reveal our deepest fears, desires, regrets, and obsessions. Frank calls them "graphic haiku," beautiful, elegant, and small in structure but powerfully emotional. As Frank began posting the cards on his website, PostSecret took on a life of its own, becoming much more than a simple art project. It has grown into a global phenomenon, exposing our individual aspirations, fantasies, and frailties -- our common humanity. Every day dozens of postcards still make their way to Frank, with postmarks from around the world, touching on every aspect of human experience. This extraordinary collection brings together the most powerful, personal, and beautifully intimate secrets Frank Warren has received -- and brilliantly illuminates that human emotions can be unique and universal at the same time.

The Wednesday Sisters *Random House Digital, Inc.*

Friendship, loyalty, and love lie at the heart of Meg Waite Clayton's beautifully written, poignant, and sweeping novel of five women who, over the course of four decades, come to redefine what it means to be family. For thirty-five years, Frankie, Linda, Kath, Brett, and Ally have met every Wednesday at the park near their homes in Palo Alto, California. Defined when they first meet by what their husbands do, the young homemakers and mothers are far removed from the Summer of Love that has enveloped most of the Bay Area in 1967. These "Wednesday Sisters" seem to have little in common: Frankie is a timid transplant from Chicago, brutally blunt Linda is a remarkable athlete, Kath is a Kentucky debutante, quiet Ally has a secret, and quirky, ultra-intelligent Brett wears little white gloves with

her miniskirts. But they are bonded by a shared love of both literature—Fitzgerald, Eliot, Austen, du Maurier, Plath, and Dickens—and the Miss America Pageant, which they watch together every year. As the years roll on and their children grow, the quintet forms a writers circle to express their hopes and dreams through poems, stories, and, eventually, books. Along the way, they experience history in the making: Vietnam, the race for the moon, and a women's movement that challenges everything they have ever thought about themselves, while at the same time supporting one another through changes in their personal lives brought on by infidelity, longing, illness, failure, and success. Humorous and moving, *The Wednesday Sisters* is a literary feast for book lovers that earns a place among those popular works that honor the joyful, mysterious, unbreakable bonds between friends. From the Hardcover edition.

The Wednesday Daughters

A Novel *Ballantine Books*

In the tradition of Kristin Hannah and Karen Joy Fowler, Meg Waite Clayton, bestselling author of *The Wednesday Sisters*, returns with an enthralling new novel of mothers, daughters, and the secrets and dreams passed down through generations. It is early evening when Hope Tantry arrives at the small cottage in England's pastoral Lake District where her mother, Ally, spent the last years of her life. Ally—one of a close-knit group of women who called themselves the Wednesday Sisters—had used the cottage as a writer's retreat while she worked on her unpublished

biography of Beatrix Potter, yet Hope knows little about her mother's time there. Traveling with Hope are friends Anna Page and Julie, first introduced as little girls in *The Wednesday Sisters*, now grown women grappling with issues of a different era. They've come to help Hope sort through her mother's personal effects, yet what they find is a tangled family history—one steeped in Lake District lore. Hope finds a stack of Ally's old notebooks tucked away in a hidden drawer, all written in a mysterious code. As she, Julie, and Anna Page try to decipher Ally's writings—the reason for their encryption, their possible connection to the Potter manuscript—they are forced to confront their own personal struggles: Hope's doubts about her marriage, Julie's grief over losing her twin sister, Anna Page's fear of commitment in relationships. And as the real reason for Ally's stay in England comes to light, Hope, Julie, and Anna Page reach a new understanding about the enduring bonds of family, the unwavering strength of love, and the inescapable pull of the past. Four starred reviews greeted this new, groundbreaking classic from Deborah Wiles! Franny Chapman just wants some peace. But that's hard to get when her best friend is feuding with her, her sister has disappeared, and her uncle is fighting an old war in his head. Her saintly younger brother is no help, and the cute boy across the street only complicates things. Worst of all, everyone is walking around just waiting for a bomb to fall. It's 1962, and it seems that the whole country is living in fear. When President Kennedy goes on television to say that Russia is sending nuclear missiles to Cuba, it only gets worse. Franny doesn't know how to deal with what's going on in the world--no more than she knows with how to deal with what's going on with her family and friends. But somehow she's got to make it.
