The Journal - The Book Review

A Journal of the Plague Year is a book by Daniel Defoe, first

published in March 1722. It is an account of one man's experiences of the year 1665, in which the bubonic plague struck the city of London in what became known as the Great Plague of London, the last epidemic of plague in that city. The book is told somewhat chronologically, though without sections or chapter headings, and with frequent digressions and repetitions.
