Therapy Issues

For most counselors, an ethical dilemma is apparent when they encounter a confounding situation in which they feel hindered in their

decision making because (a) there appears to be conflict between or inconsistency among the ethical standards, (b) the situation is so complex that the ethical codes offer little guidance, (c) there appears to be a conflict between ethical and legal standards, and (d) there appears to be a conflict between the moral principles that underlie most ethical codes.

Ethical Dilemmas - IResearchNet

Why this scenario occurs: This sort of dilemma can stem from the pressure a therapist receives from their superiors. A support staff member might just change dates without a second thought, or a therapist might be asked to sign

off on a different date than when something actually happened.
