From the West End to Broadway, from China to the South Pacific, Maugham's remarkably productive life is thrillingly recounted as Hastings uncovers the real stories behind such classics as *Rain*, *The Painted Veil*, *Cakes & Ale*, and other well-known tales.

The Ladies Most...

The Collected Works: The Lady Most Likely/The Lady Most Willing *HarperCollins*

Three bestselling authors. Two delightful novels. One terrific collection! From Julia Quinn, author of the Bridgerton series, now streaming on Netflix—writing along with close friends and popular authors Eloisa James and Connie Brockway—comes THE LADIES MOST... a duo of cleverly crafted novels, *The Lady Most Likely* and *The Lady Most Willing*, together for the first time. *THE LADY MOST LIKELY* Hugh Dunne, the Earl of Briarly, needs a wife, so his sister hands him a list of delectable damsels and promises to invite them—and a few other gentlemen—to her country house

for what is sure to be the event of the season. Hugh will have time to woo whichever lady he most desires. Unless someone else snatches her first. The invitation list includes: The always outspoken Miss Katherine Peyton The impossibly beautiful (and painfully shy) Miss Gwendolyn Passmore The widowed Lady Georgina Sorrell (who has no plans to marry, ever) And your hostess, Lady Carolyn Finchley, an irrepressible matchmaker with romantic plans for every last one of them—especially *THE LADY MOST LIKELY* to marry an eligible Earl. *THE LADY MOST WILLING* Taran Ferguson, laird of his clan, is determined that his ancient (if not so honorable) birthright be secured before he dies. When both his nephews refuse to wed, he takes matters into his own hands,

raiding an English lord's Christmas ball and making off with four lovely potential brides (and one very irate duke). When his nephews, the Comte de Rocheforte and the Earl of Oakley, arrive for their annual holiday visit, they are drawn into a matchmaking party, of sorts. Among the unwitting guests are: Miss Fiona Chisholm, a beauty with a scandalous past Lady Cecily Tarleton, a lovely heiress—but she's English Miss Catriona Burns, a lady with no name or fortune, so clearly someone made a mistake! As the snow piles up outside the highland castle, and the guests are forced to pass the time together, the initial dismay turns to unanticipated attractions and then irresistible passions – and indeed, there might be one LADY MOST WILLING to marry a Scottish lord.

The New Climate War

The Fight to Take Back Our Planet *PublicAffairs*

Shortlisted for the FT/McKinsey Business Book of the Year award A renowned climate scientist shows how fossil fuel companies have waged a thirty-year campaign to deflect blame and responsibility and delay action on climate change, and offers a battle plan for how we can save the planet. Recycle. Fly less. Eat less meat. These are some of the ways that we've been told can slow climate change. But the inordinate emphasis on individual behavior is the result of a marketing campaign that has succeeded in placing the responsibility for fixing climate change squarely on the shoulders of individuals. Fossil fuel

companies have followed the example of other industries deflecting blame (think "guns don't kill people, people kill people") or greenwashing (think of the beverage industry's "Crying Indian" commercials of the 1970s). Meanwhile, they've blocked efforts to regulate or price carbon emissions, run PR campaigns aimed at discrediting viable alternatives, and have abdicated their responsibility in fixing the problem they've created. The result has been disastrous for our planet. In *The New Climate War*, Mann argues that all is not lost. He draws the battle lines between the people and the polluters-fossil fuel companies, right-wing plutocrats, and petrostates. And he outlines a plan for forcing our governments and corporations to wake up and make real

change, including: A common-sense, attainable approach to carbon pricing-and a revision of the well-intentioned but flawed currently proposed version of the Green New Deal; Allowing renewable energy to compete fairly against fossil fuels Debunking the false narratives and arguments that have worked their way into the climate debate and driven a wedge between even those who support climate change solutions Combatting climate doomism and despair-mongering With immensely powerful vested interests aligned in defense of the fossil fuel status quo, the societal tipping point won't happen without the active participation of citizens everywhere aiding in the collective push forward. This book will reach, inform, and enable citizens everywhere to join this battle for

our planet.

The Viscount Who Loved Me *Piatkus Books*

Vol. 1: Can there be any greater challenge to London's Ambitious Mamas

than an unmarried duke? Lady Whistledown's Society Papers, April 1813 By all accounts, Simon Basset is on the verge of proposing to his best friend's sister, the lovely - and almost-on-the-shelf - Daphne Bridgerton. But the two of them know the truth - it's all an elaborate plan to keep Simon free from marriage-minded society mothers. And as for Daphne, surely she will attract some worthy suitors now that it seems a duke has declared her desirable . . . Their ruse works like a charm - at first. But as

Daphne waltzes across ballroom after ballroom with Simon, it's hard to remember that their courtship is a complete sham. Maybe it's his devilish smile, certainly it's the way his eyes seem to burn every time he looks at her. It wasn't the plan, but it seems she's falling for the duke, for real. And amidst the glittering, gossipy, cut-throat world of London's elite, there is only one certainty: love ignores every rule... [bookdepository.com].
