Excerpt: The Feast of the Goat (Spanish; 2000) is a novel by the Peruvian Nobel Prize in Literature laureate Mario Vargas Llosa. The book is set in the Dominican Republic and portrays the assassination of Dominican dictator Rafael Trujillo, and its aftermath, from two distinct standpoints a generation apart: during and immediately after the assassination itself, in May 1961; and thirty five years later, in 1996. Throughout, there is also extensive reflection on the heyday of the dictatorship, in the 1950s, and its significance for the island and its inhabitants. The novel follows three interwoven storylines. The first concerns a woman, Urania Cabral, who is back in the Dominican Republic, after a long absence, to visit her ailing father; she ends up recalling incidents from her youth and recounting a long-held secret to her aunt and cousin. The second story line focuses on the last day in Trujillo's life from the moment he wakes up onwards, and shows us the regime's inner circle, to which Urania's father once belonged. Narrative Irony in the Contemporary Spanish-American Novel

Cornell University Press

"As a narrative device, irony in the Latin American novel has been treated before in a rather fragmented, non-systematic way. It needed a cohesive study based on close textual examination of several major novels. Professor Tittler has done just that and done it well. This book is the best and most comprehensive study of the ironic mode that we have."-Myron I. Lichtblau, Department of Foreign Languages and Literatures, Syracuse

University In this book Jonathan Tittler explores some of the many possibilities that the concept of irony holds for literary criticism. Identifying irony as a characteristic property of Spanish-American fiction, Tittler offers close readings of seven important novels: Carlos Fuentes' *The Death of Artemio Cruz*, Juan Rulfo's *Pedro Paramo*, Manuel Puig's *Betrayed* by Rita Hayworth, Guillermo Cabrera Infante's *Three Trapped Tigers*, Mario Vargas Llosa's *Aunt Julia and the Scriptwriter*, Julio Cortazar's *A Manual for Manuel*, and Isaac Goldemberg's *The Fragmented Life of Don Jacobo Lerner*. Tittler begins with a comprehensive review of existing theories of irony, in all of which the concept of narrative distance plays a major role. Next he proposes his own innovative model for critical reading made up of two basic forms of irony, which he terms "static" and "kinetic." He then applies the model systematically to his readings of the texts-four in the static mode, and three in the kinetic, linguistically self-conscious mode. Tittler concludes by reflecting on the relationship between irony and the novel, asserting that in the light of actual events in Spanish America, the novels themselves, and the critical discourse in which they are evoked, may be regarded as ironic phenomena.

through his mind, the writer begins to imagine Zuratas's transformation from a modern to a central member of the unacculturated Machiguenga tribe. Weaving the mysteries of identity, storytelling, and truth, Vargas Llosa has created a spellbinding tale of one man's journey from the modern world to our origins, abandoning one in order to find meaning in both.

The Discreet Hero

A Novel *Farrar, Straus and Giroux*

The latest masterpiece—perceptive, funny, insightful, affecting—from the Nobel Prize-winning author Nobel laureate Mario Vargas Llosa's newest novel, *The Discreet Hero*, follows two fascinating characters whose lives are destined to intersect: neat, endearing Felícito Yanaqué, a small businessman in Piura, Peru, who finds himself the victim of blackmail; and Ismael Carrera, a successful owner of an insurance company in Lima, who cooks up a plan to avenge himself against the two lazy sons who want him dead. Felícito and Ismael are, each in his own way, quiet, discreet rebels: honorable men trying to seize control of their destinies in a social and political climate where all can seem set in stone, predetermined. They are hardly vigilantes, but each is determined to live according to his own personal ideals and desires—which means forcibly rising above the pettiness of their surroundings. *The Discreet Hero* is also a chance to revisit some of our favorite

players from previous Vargas Llosa novels: Sergeant Lituma, Don Rigoberto, Doña Lucrecia, and Fonchito are all here in a prosperous Peru. The Neighborhood

A Novel *Farrar, Straus and Giroux*

A thrilling tale of desire and Peruvian corruption swirls around a scandalous exposé that leads to murder. From the Nobel Laureate comes a politically charged detective novel weaving through the underbelly of Peruvian privilege. In the 1990s, during the turbulent and deeply corrupt years of Alberto Fujimori's presidency, two wealthy couples of Lima's high society become embroiled in a disturbing vortex of erotic adventures and politically driven blackmail. One day Enrique, a high-profile businessman, receives a visit from Rolando Garro, the editor of a notorious magazine that specializes in salacious exposés. Garro presents Enrique with lewd pictures from an old business trip and demands that he invest in the magazine. Enrique refuses, and the next day the pictures are on the front page. Meanwhile, Enrique's wife is in the midst of a passionate and secret affair with the wife of Enrique's lawyer and best friend. When Garro shows up murdered, the two couples are thrown into a whirlwind of navigating Peru's unspoken laws and customs, while the staff of the magazine embark on their greatest exposé yet. Ironic and sensual, provocative and redemptive, the novel swirls into the kind of restless realism that has become Mario Vargas Llosa's signature style. A twisting, unpredictable tale, *The Neighborhood* is at once a scathing indictment of Fujimori's regime and a crime thriller that evokes the vulgarity of freedom in a corrupt system.

Making Waves**Essays** *Farrar, Straus and Giroux*

Spanning thirty years of writing, *Making Waves* traces the development of Mario Vargas Llosa's thinking on politics and

culture, and shows the breadth of his interests and passions. Featured here are astute meditations on the Cuban Revolution, Latin American independence, and the terrorism of Peru's Shining Path; brilliant engagements with towering figures of literature like Joyce, Faulkner, and Sartre; considerations on the dog cemetery where Rin Tin Tin is buried, Lorena Bobbitt's knife, and the failures of the English public-school system.

The Missing Head of Damasceno Monteiro *New Directions Publishing*

A literary thriller of heroin rings and headless bodies uncovers social ills and corruption in modern day Portugal, whileas in all of Tabucchi's work blurring genre boundaries. Antonio Tabucchi, Italy's premier writer and a best-selling author throughout Europe, draws together Manolo the gypsy, Firmino, a young tabloid journalist with a weakness for Lukacs and Vittorini, and Don Fernando, an overweight lawyer with a professed resemblance to the actor Charles Laughton, to solve a murder that leads far up and down Portugal's social ladder. As the investigation leads deeper into Portugal's power structure, the novel defies expectations, departing from the formulaic twists of a suspense story to consider the moral weight of power and its abuse.

In Praise of the Stepmother *Faber & Faber*

With meticulous observation and the seductive skill of a great storyteller, Vargas Llosa lures the reader into the shadow of perversion that, little by little, darkens the extraordinary happiness and harmony of his characters. The mysterious nature of happiness and above all, the corrupting power of

innocence are the themes that underlie these pages, and the author has perfectly met the demands of the erotic novel, never dimming for an instant the fine poetic polish of his writing.

In Praise of Reading and Fiction

The Nobel Lecture *Farrar, Straus and Giroux*

On December 7, 2010, Mario Vargas Llosa was awarded the Nobel Prize in Literature. His Nobel Lecture is a resounding tribute to fiction's power to inspire readers to greater ambition, to dissent, and to political action. "We would be worse than we are without the good books we have read, more conformist, not as restless, more submissive, and the critical spirit, the engine of progress, would not even exist," Vargas Llosa writes. "Like writing, reading is a protest against the insufficiencies of life. When we look in fiction for what is missing in life, we are saying, with no need to say it or even to know it, that life as it is does not satisfy our thirst for the absolute—the foundation of the human condition—and should be better." Vargas Llosa's lecture is a powerful argument for the necessity of literature in our lives today. For, as he eloquently writes, "literature not only submerges us in the dream of beauty and happiness but alerts us to every kind of oppression."

The Notebooks of Don Rigoberto *Farrar, Straus and Giroux*

Set in Lima, the novel tells of a love story whose participants may be the fictional characters of Don Rigoberto. With his usual sly assurance, Vargas Llosa keeps the reader guessing which episodes are real and which issue from the Don's imagination; the resulting

novel, an aggregate of reality and fantasy, is sexy, funny, disquieting, and unfailingly compelling.

English, August

An Indian Story *New York Review of Books*

Agastya Sen, known to friends by the English name August, is a child of the Indian elite. His friends go to Yale and Harvard. August himself has just landed a prize government job. The job takes him to Madna, "the hottest town in India," deep in the sticks. There he finds himself surrounded by incompetents and cranks, time wasters, bureaucrats, and crazies. What to do? Get stoned, shirk work, collapse in the heat, stare at the ceiling. Dealing with the locals turns out to be a lot easier for August than living with himself. English, August is a comic masterpiece from contemporary India. Like *A Confederacy of Dunces* and *The Catcher in the Rye*, it is both an inspired and hilarious satire and a timeless story of self-discovery.

The Cambridge Companion to Mario Vargas Llosa *Cambridge University Press*

Analyses Vargas Llosa's career as a writer and as an important cultural and political figure in Latin America and beyond.

Conversation in the Cathedral *Harper Collins*

A Haunting tale of power, corruption, and the complex search for identity *Conversation in The Cathedral* takes place in 1950s Peru during the dictatorship of Manuel A. Odría. Over beers and a sea of freely spoken words, the conversation flows between two individuals, Santiago and Ambrosia, who

talk of their tormented lives and of the overall degradation and frustration that has slowly taken over their town. Through a complicated web of secrets and historical references, Mario Vargas Llosa analyzes the mental and moral mechanisms that govern power and the people behind it. More than a historic analysis, *Conversation in The Cathedral* is a groundbreaking novel that tackles identity as well as the role of a citizen and how a lack of personal freedom can forever scar a people and a nation.

The War of the End of the World

A Novel *Farrar, Straus and Giroux*

Deep within the remote backlands of nineteenth-century Brazil lies Canudos, home to all the damned of the earth: prostitutes, bandits, beggars, and every kind of outcast. It is a place where history and civilization have been wiped away. There is no money, no taxation, no marriage, no census. Canudos is a cauldron for the revolutionary spirit in its purest form, a state with all the potential for a true, libertarian paradise--and one the Brazilian government is determined to crush at any cost. In perhaps his most ambitious and tragic novel, Mario Vargas Llosa tells his own version of the real story of Canudos, inhabiting characters on both sides of the massive, cataclysmic battle between the society and government troops. The resulting novel is a fable of Latin American revolutionary history, an unforgettable story of passion, violence, and the devastation that follows from fanaticism.

Loving with a Vengeance

Mass Produced Fantasies for Women *Routledge*

Upon its first publication, *Loving with a*

Vengeance was a groundbreaking study of women readers and their relationship to mass-market romance fiction. Feminist scholar and cultural critic Tania Modleski has revisited her widely read book, bringing to this new edition a review of the issues that have, in the intervening years, shaped and reshaped questions of women's reading. With her trademark acuity and understanding of the power both of the mass-produced object, film, television, or popular literature, and the complex workings of reading and reception, she offers here a framework for thinking about one of popular culture's central issues. This edition includes a new introduction, a new chapter, and changes throughout the existing text.

Cobweb Castle *Pomegranate*

Having read and dreamed too many fairy tales, the grocer sets off to live one, but finds the world not at all conducive to his fantasies.

Who Killed Palomino Molero?

A Novel *Farrar, Straus and Giroux*

This wonderful detective novel is set in Peru in the 1950s. Near an Air Force base in the northern desert, a young airman is found murdered. Lieutenant Silva and Officer Lituma investigate. Lacking a squad car, they have to cajole a local cabbie into taking them to the scene of the crime. Their superiors are indifferent; the commanding officer of the air base stands in their way; but Silva and Lituma are determined to uncover the truth. *Who Killed Palomino Molero*, an entertaining and brilliantly plotted mystery, takes up one of Vargas Llosa's characteristic themes: the despair at how hard it is to be an honest man in a corrupt society.

The Perpetual Orgy

Flaubert and Madame Bovary *Farrar, Straus and Giroux*

The Perpetual Orgy is Mario Vargas Llosa's brilliant analysis of Gustav Flaubert's masterpiece *Madame Bovary*. In this remarkable book, "we not only enjoy a dazzling explication, but experience a master discoursing at the top of his form on the craft of the novel" (Robert Taylor, *The Boston Globe*). It is a tribute to *The Perpetual Orgy* that it sends the reader back to Flaubert's work with renewed interest.

Death in the Andes

A Novel *Farrar, Straus and Giroux*

Set in an isolated, rundown community in the Peruvian Andes, Vargas Llosa's novel tells the story of a series of mysterious disappearances involving the Shining Path guerrillas and a local couple performing cannibalistic sacrifices with strange similarities to the Dionysian rituals of ancient Greece. Part detective novel and part political allegory, it offers a panoramic view of Peruvian society; not only of the current political violence and social upheaval, but also of the country's past and its connection to Indian culture and pre-Hispanic mysticism.

Notes on the Death of Culture

Essays on Spectacle and Society *Farrar, Straus and Giroux*

A provocative essay collection that finds the Nobel laureate taking on the decline of intellectual life. In the past, culture was a kind of vital consciousness that constantly rejuvenated and revived everyday reality. Now it is largely a mechanism of distraction and entertainment. *Notes on the Death of Culture* is an examination and indictment of this transformation—penned by none other than Mario Vargas Llosa, who is not only one of our finest novelists but one of the keenest social critics at work today. Taking his cues from T. S. Eliot—whose essay "Notes Toward a Definition of Culture" is a touchstone precisely because the culture Eliot aimed to describe has since vanished—Vargas Llosa traces a decline whose ill effects have only just begun to be felt. He mourns, in particular, the figure of the intellectual: for most of the twentieth century, men and women of letters drove political, aesthetic, and moral conversations; today they have all but disappeared from public debate. But Vargas Llosa stubbornly refuses to fade into the background. He is not content to merely sign a petition; he will not bite his tongue. A necessary gadfly, the Nobel laureate Vargas Llosa, here vividly translated by John King, provides a tough but essential critique of our time and culture.
