Romance writers put up with a lot. Their work is often dismissed, the validity of their success doubted, and even their intelligence questioned. "People will literally say because you write ...

How a Group of Romance Writers Raised Almost Half a ...

North American romance writers' main professional association, the Romance Writers of America (RWA), has chapters all over the United States and Canada. These chapter meetings, and the yearly national and regional conferences, are where aspiring and published writers learn the meaning of pen names, the techniques behind character-driven plotting, and how to write scintillating dialogue.
